DR. SANFORD'S LIVER INVIGORATOR

is what we wish to recommend with confidence to our readers, our reasons for which will appear in the following:

Some time since, while troubled with Dyspepsia, Indigestion and a thousand other ills that none but the Dyspeptic suffer, our physician desired us the use of the favorite cup of coffee with our breakfast. But this did not lessen the evil, so by the Dr's advice most was discarded from our diet—yet Dyspepsia haunted us day and night, until finding no relief among physicians, we commenced the use of family medicines with less faith than hope. Among other things we were recommended to try Dr. Sanford's Liver Invigorator. We tried it, and since then we have recommended others to try it, while they in their turn have given their recommendation, and there are no cases that we know of who have tried it but have been benefited by its use. It is the most invigorating, life giving balsam we have ever known, and we are happy in telling all of its curative properties and in recommending them when troubled with any derangement of the Liver to try this unfailing remedy.—[Fredonia Democrat.

☞ Does any of our high livers ever eat too much dinner? If any have cooks who tempt their appetite a little too far, I will tell a secret that will lead them to the enjoyment of their dinners without a visit from that gouty old gentleman—Dyspepsia. Take a dose of Dr. Sanford's Invigorator after eating, and you will never be troubled with indigestion; but on the contrary, before the next meal time approaches the appetite will be sharpened to appreciate any kind of food. If the food rises or sours, the Invigorator will fix the matter right at once, for there is something in it that, to use the expression of a friend, will let a man eat gravel stones, and take the Invigorator and they will digest. We have tried it to double doses, on one or two occasions, for sick headache, and it acts like a charm.

What we want to say to our readers, young or old, is, if any thing ails you, go without delay and get a bottle of Dr. Sanford's Invigorator, and if it don't cure some and tell us for we want to see one person that it will not benefit.—Jersey Shore Republican. 6215

TO THE AFFLICTED.

I deem it a duty I owe to society, especially to the afflicted, to offer this testimonial in favor of that estimable medicine—"Perry Davis' Pain Killer." When passing through Geneva, some two weeks ago, I purchased at your agency a 25 cent bottle. I was then suffering from a severely bruised hand; I applied it in the store, and was astonished at the almost instantaneous relief. Before I left the store the inflamation was removed, and in less than an hour the pain ceased. In two days my hand was well as ever. Finding it to be really a remedy, I determined to try its effects as a cursitive for the Piles, to which I have been a martyr for years.—After five dressings, my piles were among the things that had been; I am now entirely free from them, and in as good health as ever I was in my life. I have recommended the Pain Kiber to others, and always with good effect. Several of the captains of the upper river boats carry with them a constant supply, and consider it one of the most valuable medicines ever discovered.

I am dear sir, resp ectfully yours,
JOSEPH O. MARTIN.

A GOOD MEDICINE.—The Oxygenated Bitters is the best remedy for Dyspepsia ever discovered; for proof of this read the certificates from members of Congress and other well known citizens. 206

THE GREATEST DISCOVERY OF THE AGE.—It seldom occurs, that we notice, under any circumstance, patent medicines, restoratives, or anything of the kind, for we have a prejudice against most of them. But candor compels us to invite attention to the advertisement of Prof. Wood's Hair Restorative in the last column at the bottom of the third page of this paper. We are too juvenile to require anything of the kind, but some instances of its use have come to our knowledge which almost assures us that it is a sovereign remedy against the hair becoming prematurely gray. It is not a "Hair Dye;" but upon its application as directed the effect is produced on skin, which brings out the original native colored hair, without stiffness, and gives it a glossy and natural appearance. We have seen persons who have used it, and they are much pleased with it. Examine the advertisement.—[Missouri Republican. Sold by all respectable Druggists. 188

One of the best Dentists in New York says the "Persian Balm" will save thousands of teeth a year. We believe this; it is the best article for the teeth before the public. 203

☞ There are plenty of young gentlemen as well as plenty of old ones, whose beards are turning gray, which gives the former a great deal of uneasiness, and exposes the age of the latter. To avoid those little perplexities we advise such of our readers to use Prof. Wood's Hair Restorative, which will in the course of a few weeks, change the hair to its natural color. It does not dye the hair like most of the hair restoratives, but produces a gradual change of color from the roots of the hair to the final end, and gives it a fine and glossy appearance. We have seen many persons who have used it successfully, and pronounced it the only invention which had come up to their idea of a "cure for gray heads." We commenced using it about two months since, and if we are any judge of age and beauty, it has made us ten years younger; in fact we are beginning to look quite young, and feel very much like getting a young wife. The change is miraculous, and it would be as difficult to find a grey hair now as it would be to find an idea in the head of the Duke of Buckingham. We know several old maids and some young widows, whose locks are beginning to assume a silvery hue, and who have been talking seriously about resorting to this remedy, and we advise them not to delay any longer. It never fails.—[St. Louis Herald.

CASE OF ASTHMA.

The following letter from Hon. Myron Lawrence, of Belchertown, is valuable testimony in favor of the Oxygenated Bitters:—

Belchertown, March 16.

Dr. Green:—I take great pleasure in informing you of the results of the Oxygenated Bitters you had the kindness to send me. For some twenty years I had suffered with Bronchial Asthma. I was compelled to sit up one third of the nights, without going to bed at all, and the rest of the time my sleep was interrupted by violent fits of coughing, and great difficulty in breathing. In all my attendance upon our courts, I never went to bed in Northampton in twenty years, but twice, and then was compelled to get up. Now I lie in bed without difficulty, and sleep profoundly. I took your medicine according to directions. The violent symptoms immediately abated, and perseverance in the use of the value of each a remedy is incalculable.

Respectfully yours,
MYRON LAWRENCE.

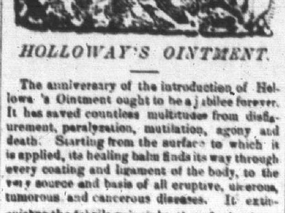
WONDERFUL COINCIDENCE.

All Nations of the same Mind!



HOLLOWAY'S OINTMENT.

The anniversary of the introduction of Holloway's Ointment ought to be a jubilee forever. It has saved countless multitudes from disfigurement, paralysation, mutilation, agony and death. Starting from the surface to which it is applied, its healing balm finds its way through every coating and ligament of the body, to the very source and basis of all eruptive, ulcerous, tumorous and cancerous diseases. It extinguishes the febrile principle that feeds them, and the outward symptoms fade, heal, and pass away with a rapidity incredible to those who have not witnessed it.

Scrofula, Eruptions and Ulcers.

The poison of Scrofula has never been neutralized or expelled by any of the remedies of the pharmacopœia. The Sole Antidote to this virulent and destructive element, is Holloway's Ointment. Mejendie & Brodie, the great French and English surgeons, do not deny or dispute this great fact. There is no form of scrofula that may not be controlled and cured by this balsamic remedy.

Cancers and Tumors.

The knife or caustic may remove a cancer or tumor, but the seeds of the terrible excrescence remain in the blood, and it is soon reproduced in a worse form than before. Holloway's Ointment, on the contrary, penetrates into the circulation, and pervades every infected vesicle, and kills the disease by destroying the corrective principle that generated and sustains it.

Inflammations of the Skin.

All rashes and ordinary eruptions, as well as ERYSIPELAS, ACNE, RINGWORM, CARBUNCLES, SCALD HEAD, SALT RHEUM, LEPROSY, PRICKLY HEAT, &c., are removed by a few brisk applications of the Ointment.

ACCIDENTAL INJURIES.

WOUNDS, SPRAINS, BRUISES, SCALDS and BURNS are immediately relieved by its application. The inflammation quickly subsides fever and lockjaw are prevented, and under a preserving use of the preparation, the process of healing is soon accomplished.

Both the Ointment and the Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ringworm,	Sores of all kinds
Chapped Hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints,
Fistula,	Skin Diseases,	Tetters,
Gout,	Swollen Glands,	Ulcers,
Lumbago,	Sore Legs,	Venereal Sores,
Mercurial Eruptions,	Sore Breasts,	Wounds of all kinds
Piles,	Sore Heads,	

☞ CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernable as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

☞ Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, 244 Strand London, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots at 25 cents, 63 cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each pot. 226

AMERICAN HOUSE,
BOSTON.
Re-establishment of the old plan of Management.

LEWIS RICE, Proprietor, respectfully announces that he has resumed the old plan of management, as it existed before the recent alteration. Trial of the European system in this Hotel, proves, that although the advantages are great, yet the plan is better adapted for the smaller class of Hotels.

The accommodations and conveniences of the House are unsurpassed, and the recent improvements and alterations, for the comfort of guests, leave nothing to be desired.
