The Liver Invigorator.

PREPARED by Dr. SANFORD, is a Great Scientific Medical Discovery, and is daily working cures almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint from the jaundice or Dyspepsia to a common headache, all of which are the result of a Diseased Liver.

The Liver is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence—the Liver having ceased to do its duty. For the diseases of that organ, one of the proprietors has made it his study, in a practice of more than twenty years to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found any per on troubled with Liver Complaint in any of its forms, has the active virtues of convictions certain. but to try a bottle, and

A compound has been formed by dissolving gums and exciting that part of which is soluble for the medicine. These gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the causes of the disease, and effecting a radical cure without any of the disagreeable aftereffects, felt by those using Calomel or Mineral Poisons. It is usually resorted to.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

One dose taken before retiring prevents nightmare.

Only one dose taken at night loosens the bowels gently, and cures costiveness.

One dose taken after each meal will cure Dyspepsia.

☞ One dose of two teaspoonfuls will always relieve Sick-Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

One or two doses immediately relieves Cholic, while

One dose often repeated is a sure cure for Cholera Morbus, and a preventative of Cholera.

One dose taken of ten will prevent the recurrence of bilious attacks, while it relieves all painful feelings.

☞ Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.

One bottle taken for Jaundice removes all yellowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated cures Chronic Diarrhœa in its worst forms, while summer and bowel complaints yielded almost to the first dose.

One or two doses cures attacks caused by worms, while for worms in children, there is no surer, safer or speedier remedy in the world as it never fails.

There is no exaggeration in these statements they are plain sober facts, that we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor.

Among the hundreds of Liver Remedies now offered to the public, there are none we can so fully recommend as Dr. Sanford's Invigorator, so generally known now throughout the Union. This preparation is truly a Liver Invigorator, producing the most happy results on all who use it. Almost innumerable certificates have been given of the great virtue of this medicine by those of the highest standing in Society, and we know it to be the best preparation now before the public.—Hudson County Democrat.

THE Restorative of Prof. O. J. Wood, for Restoring hair perfectly and permanently, has never yet had a rival; volume after volume might be given from all parts of the world and from the most intelligent to prove that it is a perfect Restorative; but read the circular and you cannot doubt; read also the following.

☞ The Hair.—People have for centuries been affected with bald heads, and the only remedy, heretofore known, has been those abominable wigs. By a recent discovery of Professor Wood these articles are being fast dispensed with, but a great many persons still patronize them, because they have been so often imposed upon by Hair Tonics of different kinds. To all such persons we earnestly make the request, that they will try once again, for in Wood's Restorative there is no such thing as fail. We know a lady who was bald, who used the article a short time, and her head is now covered completely with the finest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which it restored in greater perfection than it ever had been before.

It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest enemy to all the ills that hair is heir to.

It is the duty of every one to improve their personal appearance though some may differ in regard to the ways of doing it; but every one will admit that a beautiful head of hair, either in man or woman, is an object much to be desired, and therefore no means that should be left untried to obtain such a consideration.—Woman's Advocate, Philadelphia.

Cocherton, Ohio, Nov. 17, 1856.

O. J. Wood & Co.—Gents: As I have been engaged in selling your Hair Restorative the last season for one of your local agents (R. M. Hackinson,) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio, or some State in the West should you wish to make such an arrangement, as I am convinced there is nothing equal to it in the United States, for restoring the Hair. I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that restores the secretive organs or invigorates the scalp as well as yours, being fully convinced that your restorative is what you represent it to be, I would like to engage in the sale of it, for I am satisfied it must sell. Yours truly,

S. T. STOCKMAN.

Wayland, Mass., Feb. 5, 1857.

Prof. O. J. Wood & Co.—Gents: Having received the good effects of your Hair Restorative, I wish to state, that finding my hair growing thin, as well as gray, I was induced from what I read and heard, to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles. Yours &c.,

JAMES FRANCIS.

EXTENSIVE FRAUDS.

LEA and PERRINS having discovered that several of the Foreign Markets have been supplied with SPURIOUS IMITATIONS of their "WORCESTERSHIRE SAUCE," the labels of which closely resemble those of the genuine Sauce, and in one or more instances with the names of L. & P. forged; they have deemed it their duty to caution the public, and request purchasers, to see that the names of LEA & PERRINS are upon the Wrapper, Label, Stopper, and Bottle.

L. & P. further give notice that they will proceed against any one who may infringe upon their right, either by manufacturing or vending such imitations, and have instructed their correspondents in the various parts of the world to advise them of such infringements.

CAUTION.

THIS IS TO CAUTION any person or persons from renting of Samuel or Gilbert S. Casey, my Dwelling House and Store in the Third Concession of the Township of Adolphustown, near the Messrs. It is a new and untried article, but one that has stood the test of a ten years' trial before the American people, unrivalled by any similar preparations extant. The testimony in its favor given by the most prominent and well-known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, satisfy the most sceptical that this remedy is really deserving the great celebrity it has obtained.
