Morton Sayers Reeve In Osprey Township

Morton Sayers was elected Reeve of the Township of Osprey on Monday in a contest with Mr. Arnold Hutchinson, who has held the post for the past two and a half years. The majority of Mr. Sayers over Mr. Hutchinson was 30 votes. Mr. Fred Hale defeated John Hudson, member of last year's council and Geo. McDonald. His majority over McDonald was 50 votes and over Hudson 172. Council members elected were Archie Buie, Jos. Mcutcheon and Clayton Sprott, the latter heading the poll with 440 votes. Mr. Sayers has had considerable experience in the Osprey council, having served as Councillor for a number of years and two and a half years as Deputy-Reeve. All other members of the Council are entirely new at the task of municipal government, but all are good men and should fill their offices effectively.

At the same time as the vote for the municipal members was held, the voice of the people was heard on the question of whether or not the Provincial desire for a two-year term would be given the Council, and the voice was heard in no uncertain manner when they voted 579 to 197 against the two year term.

Following is the result of the vote by Polling Divisions:

HITLER WON'T WIN

Hitler, like Napoleon,
Thinks he's big, you know,
Hitler thinks he'll rule the world,
Like Napoleon of long ago.

Napoleon was the leader
In the battle of Waterloo,
As Hitler is today,
Against the British Empire, too.

Hitler shall never win the war,
Even if he tries and tries,
And Hitler, like Napoleon,
Shall not get anywhere until he dies.

— Composed by Victor Langford, aged 12 years, Flesherton.

Too bad, but all the suckers are not on sticks.

Friends and neighbors gathered at the home of Mr. W. E. Loucks New Year's night and presented Aircraftsman George Loucks with a lovely wrist watch with best wishes in his career with the Royal Canadian Air Force. Miss Iva Brown read the address below and Miss Mable Adams made the presentation. George made a suitable reply, thanking the friends for their thoughtfulness.

Dear George: It is with both pride and regret that we, your friends and neighbors, are gathered here tonight to spend a social evening with you before your venture farther away from home.

We are proud of you and congratulate you on the way you have placed yourself at your country's command. We hate to see you leave this community, but we trust that you will not be gone for long. Let us hope that in your future travels as a Royal Canadian Air Force member that health happiness and success be yours in the fullest measure.

As an expression of the friendship and esteem with which you are held as a member of this community, we ask you to accept this gift, not for its material value, but as a reminder that we, in this community, are with you one hundred per cent.

Signed on behalf of your friends and neighbors:

Rifle Causes Death Of Proton Man

The fascination of a rifle for a 9-year-old boy led to the death on Friday of Ivan Corbett, 19, shot through the body when a .22 calibre weapon went off in the hand of the youngster, Osland Haw.

Corbett died a few minutes after the slug entered his side just above the hip. Young Haw had been warned once before not to touch the gun. He picked it up from its resting place and was immediately told to put it down. He obeyed, but a few minutes later the temptation proved too strong and he lifed it once more. Corbett was no more than ten feet away when the gun roared.

The Haw lad's brother, Kenneth, is employed on the farm of the McPherson brothers in Proton Township, where the accidental shooting occurred. Corbett was on a trip to inspect his traps, located on the farm property, when he met up with the McPhersons, Alex. and Walter, cutting wood. Corbett put his gun down and set to work to give them a hand. Then came the gun episode and the stern order to the boy not to play with the rifle.

A few minutes after Corbett had turned his back on the lad and set to work cutting wood with the McPherson brothers, the boy again picked up the gun and touched the trigger. Corbett collapsed into unconsciousness.

Dr. R. W. Lindsay of Dundalk was called and he rushed the distance of four miles only to find Corbett dead. Coroner Dr. Frank Martin of Dundalk was notified and upon reporting the affair to Chief Coroner Rutherford of Owen Sound, decided an inquest was not necessary.

The victim is survived by his parents, Mr. and Mrs. J. E. Corbett f Proton Township; two sisters and one brother, Mrs. John Spanhouse of Toronto; Mrs. Dan Ritchie of Durham and Roy of Guelph.

DUNDALK TOOK GAME FROM FORESTERS 9-4

The first hockey game in the Central Ontario League was played in Dundalk Monday evening when the Foresters were defeated by the home team 9-4. The Foresters' team was composed of members of "B" Company G. & S. Foresters. The game was fast in spots, considering it was the first time for most of the Foresters to be on skates his season. Dundalk took the lead midway in the first period when Grummett and McGirk scored on Ferris, who played a great game in goal througout the night. In the second period Dundalk added three more by McGirk, Springgay and Grummett, before G. Boyd for the Foresters slipped one around the net, catching McCullough off his guard. Flesherton added another at the start of the third period when Boyd took a pass from Piper and pulled the goalie out and slipped the disc behind him. The homesters added to their lead by a solo from the stick of Thuell and Garfield Teeter took a pass from Piper to close the gap a bit. Grummett grabbed another counter followed by R. Banks on a pass from behind the net from Dunlop. Grummett and Springgay added two more to make the score 9 to 7. An interesting part of the game was the appearance of father and son on the same line-up, the editor of this paper and son, Jim, playing.

The players were:

Dundalk — Goal Mcullough; defence, M. Thompson, A. Bellamy; centre, McGirk; wings, Grummett and Livermore; alternates C. Thompson, Springgay, Statia, Thuell, E. Bellamy.

Foresters — Goal, Ferris; defence, Phillips, Boyd; centre J. Banks; wings G. Teeter, M. Piper; alternates, C. McTavish, Dunlop, Plester, Dargavel, F. J. Thurston, R. Banks, J. Thurston.

Referee — M. Dean, Shelburne.
