PRONOUNCED BY CONNOISSEURS to be the only Good Sauce, and applicable to EVERY VARIETY OF DISH.

EXTENSIVE FRAUDS.

Lea and Perrins have discovered that several of the Foreign Markets have been supplied with spurious IMITATIONS of their "WORCESTERSHIRE SAUCE." The labels of which closely resemble those of the genuine Sauce, and in one or more instances with the names of L. & P. erased; they have deemed it their duty to caution the public, and require purchasers to see that the names of Lea & Perrins are upon the Wrapper, Label, Stopper, and Bottle.

L. & P. further give notice that they will proceed against any one who may infringe upon their right, either by manufacturing or vending such imitations, and have instructed their correspondents in the various parts of the world to advise them of such infringements.

CAUTION.

THIS IS TO CAUTION any person or persons from renting of Samuel or Gilbert S. Casey, my Dwelling House and Store in the Third Concession of the Township of Adolphustown, near the Messrs. Possesses particularly soothing powers in the growth, nourishment, and improvement of the Human Hair, and is now universally acknowledged to be the cheapest, and superior to all other preparations for the Hair. It prevents it from falling off or turning grey—strengthens weak hair—cleanses it from Scurf and Dandruff—and makes it beautifully soft, curly, and glossy. In the growth of the Beard, Whiskers, Eyebrows, and Mustachios, it is unfailing in its stimulative operation. For Children it is especially recommended as forming the basis of a beautiful head of hair.—Price 3s. 6d. and 7s. Family Bottles (equal to 4 small), 10s. 6d.; and double that size, 21s.

NEW LABEL.—To prevent the substitution of Spurious Imitations for the genuine article, the unprincipled Shopkeepers, a New Label from Steel, by Messrs. Perkins, Bacon & Co., of London, is now used, which cannot be forged. The subjoined is a small copy in outline of a portion of the Label, as it appears round the bottle.

Another portion contains the signature of the Proprietors in red ink,

"A. ROWLAND & SONS."

ROWLANDS' KALYDOR,
AN ORIENTAL BOTANICAL PREPARATION
FOR
Improving and Beautifying the Complexion.

It eradicates all Redness, Tan, Pimples, Spots, Freckles, Discolorations, and other cutaneous visitations. It obviates all the effects of Climate on the Skin, whether with reference to cold and inclemency, or intense solar heat, and affords immediate relief in cases of sunburn, stings of insects, or incidental inflammation.—Price 4s. 6d. and 8s. 6d. per bottle.

THE MOST POPULAR BOOK OF THE DAY IS
MABEL VAUGHAN,

The new Tale by the Authoress of "The Lamplighter," almost universally pronounced "One of the Most Successful Works of Fiction ever issued in this Country."

One of our best Critics says:—

"It is a charming story, in which the character of Rose gives the same interest and beauty which little Gertrude and the old Lamplighter gave to the author's first production; while, considered as a piece of literary mechanism, it is more finished and better sustained. The interest of the story does not flag, and its arrangement and execution is far in advance of The Lamplighter."

THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.

MR. KENNEDY, of Boston, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF RUMOR, from the worst Scrofula down to a common Pimple. He has tried it in over eleven hundred cases, and never failed except in two cases, (both blunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two are bottles warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of biles.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humors in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of Rheumatism.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Chatham, N. H., Dec. 13th, 1855.

Dr. Kennedy—Dear Sir—In hopes to be a benefit to my fellowmen, I write to you what your Discovery has done for me.

In December, 1853, I was taken with the Rheumatism; since then I have suffered every thing but death for fourteen years.

I have paid $800 to different doctors, and never received any benefit, not even to the amount of one dollar.

Last June I heard of your Discovery. I told a man I would try it. He said I had tried everything and there was no help for me, I was so old, being 78 years of age. He was a good doctor, so called. I told him nothing ventured, nothing made.

I got one bottle of your Discovery. Before I got it I heard the clock strike every hour, for five nights. On the fourth night I took one spoonful, and the next morning I was as no more pain—no more than a child two years old, and have been gaining ever since. I am now, Dec. 15th, 1855, on my seventh bottle.

When I first took my oil I had to walk or hobble on two crutches; this day I can go and have gone over the floor without any crutch or cane, and I am yet weak in my hips; but I feel better every bottle I take.

If I had a sheet four feet square, it would not hold one half I could write. Had I the voice to be heard from the North to the South pole, I would proclaim it as long as I live. It is cured me, it will cure any in God's world.

You would not believe how much better I feel. I am now almost a new man made out of an old one.

There have been over 200 people to see me since I began to recover,—they are surprised. One man said, if all the men in Chatham had told him what his eyes now saw, he would not have believed them; but he must believe his own eyes.

ABRAHAM WEBB,
South Chatham, N. H.

CURE OF A HUMOR OF 14 YEARS' STANDING.

Mr Kennedy—Dear Sir: I address you with feelings of heartfelt gratitude for the wonderful cures your Medical Discovery has done on me.

For fourteen long years I suffered with a humor of the most distressing kind. It would break out, covering my body with sores and blotches, out of which oozed thick yellow matter, of the most offensive kind. I was an object of disgust to myself and every body else. When it began to dry up a little, it would irritate and smart. I often felt that I could tear flesh off the bone; in this state I suffered during them long years, disconsolate and despairing of relief. Every winter the skin came off my face and the hair of my eyebrows came out by the roots. My ears looked like roasted meat, dry and black as a crisp, that I was an object of pity to all that knew me.

When I look back upon it I can hardly think that I am myself. When your Discovery first came to Maine, I looked upon it as a humbug and set myself against it; after a few months I heard of so many wonderful cures be it, that I concluded to try once more. I could hardly believe it when I was getting better. You will excuse me when I tell you that I was the last to believe it. It seemed so impossible that I could be cured.

I took in all five bottles. I am now as well as I ever was in my life.

BENJAMIN SMITH, Atkinson, Me.

Charlestown, March 22, 1855.

Mr. Kennedy; Respected Sir.—It is now two years since I began to use your Discovery, and feeling that my health has been greatly improved by the use of it, does it my duty to inform you how much I prize your valuable medicine. I had for a number of years been troubled with the Erysipelas, and having used a great many advertised medicines without success. I had almost despaired of ever recovering from the disease, when one day a friend gave me one of your Circulars, and after pursuing it, I resolved to embrace the first opportunity I had in purchasing two bottles of the medicine. After using it, I found my health was improving; and since then I have continued the use of it in my family. It gives me great pleasure to certify to this, and it is my impression that through your instrumentality a great deal of human suffering will be relieved.

I am dear Sir,
Very respectfully yours,
JOS. T. HART.

Boston, Dec. 8, 1855.

Mr. Donald Kennedy.—Respected Sir: The first impulse of a man who has been restored from sickness to perfect health, is gratitude to the hand that has healed him.

Although personally you are unknown to me, and this correspondence is unsolicited by you, still I feel it a duty I owe to you as the discoverer of the "Medical Discovery," and to the public generally, to make a fair statement of my experience in the use of your valuable medicine.

At the commencement of the present year, and indeed for some months previous, a terrible Scrofulas humor broke out upon my neck—large swellings ensued, so that my neck and face presented an even surface. I was then at Lowell, Mass., and hearing of your "Medical Discovery" I purchased a bottle. I felt that it was benefiting me, and upon using a second bottle found myself perfectly cured. All I can say is, that whereas I was sick now I am well. In all gratitude I remain, yours truly,

J. L. CLARK,
23, Lowell street, Boston.

CURE OF BOILS AND CONSTITUTIONAL HUMOR.

Mr Kennedy—Sir,—You know the condition in which I was when I began your medicine, I don't think you ever saw a worse case. I had boils in regular crops one after another in succession, frequently from two to three dozen at a time. By the use of your wonderful medicine, I got quite clear of them. I gave the medicine also to my children, and I consider it to be true to its name—the greatest medical discovery of the age.

JAMES CARVER, Quincy.

Dr. Kennedy's Medicine—We are requested by Major Doughty, of Greenwood, in this county, to publish the following fact in relation to Dr. Donald Kennedy's wonderful Medicine.

Major Doughty states, that his wife was afflicted with a fever sore on one of her ankles, for about twenty five years, which most of that time deprived her of the use of the limb. In October last, she commenced using Dr. Kennedy's medicine, has taken four bottles, and is now, and has been for the last three months, in the enjoyment of perfect health; the fever sore is entirely healed up, and the ankle sound and healthy as the other.

Major Doughty feels under God, that he is indebted to the wonderful properties of Dr. Kennedy's Medicine for this cure, and is desirous that the public should become acquainted with the fact, and know where to apply for relief under similar circumstances. To the fact of which he is willing to make affidavit at any time.—Norway Advt.
