This Grand and Important Plan is particularly deserving of attention from every class of the community of Canada and various parts of the United States, whether directly interested in Railroads or not. It has been projected as a great public advantage, that of opening a Railroad communication across the Peninsula to the far West, in connection with the lines now finished from New York and Boston to Oswego—thus rendering the Northern Route, by Toronto to the Western States, shorter than any other by several hundred miles—the distance across the Peninsula being only about Eighty Miles, thus avoiding the circuitous and dangerous route by Lake Erie and the Southern shore of Lake Huron.

It is presumed that when this line of Railway is finished, it will be the best paying Stock in North America.

☞ Applications for Tickets (enclosing remittances) to be addressed (post paid)

Blackwood's Magazine
AND THE
BRITISH QUARTERLY REVIEWS

OWING to the late revolutions and counter-revolutions among the nations of Europe which have followed each other in such quick succession, and of which "*the end is not yet,*" the leading periodicals of Great Britain have become invested with a degree of interest hitherto unknown. They occupy a middle ground between the hasty, disjointed, and necessarily imperfect records of the newspapers, and the elaborate and ponderous treatises to be furnished by the historian at a future day. Whoever reads these periodicals obtains a correct and connected account of all the important political events of the old world, as they occur, and learn the various conclusions drawn from them by the leading spirits of the age. The American Publishers therefore deem it proper to call renewed attention to the works they republish and the very low prices at which they are offered to subscribers. The following is their list, viz:—
THE LONDON QUARTERLY REVIEW,
THE EDINBURGH REVIEW,
NORTH BRITISH REVIEW,
THE WESTMINSTER REVIEW, and
BLACKWOOD'S EDINBURGH MAGAZINE

In these periodicals are contained the views, moderately, though clearly and firmly expressed, of the three great parties in England—Tory, Whig and Radical—Blackwood and the London Quarterly are Tory; the Edinburgh Review Whig; and the Westminster Review Liberal. The North British Review owes its establishment to the last great ecclesiastical movement in Scotland and is not ultra in its views on any one of the grand departments of human knowledge; it was originally edited by Dr. Chalmers, and now, since his death, is conducted by his son-in-law, Dr. Hanna, associated with Sir. David Brewster. Its literary character is of the very highest order. The Westminster though *reprinted* under the title only, is published in England under the title of the Foreign Quarterly and Westminster, it being in fact a union of the two Reviews formerly published and reprinted under seperate titles. It has therefore, the advantage by this combination, of uniting in one work the best features of both as heretofore issued.

The above Periodicals are reprinted in New York, immediately on their arrival by the British steamers, in a beautiful clear type, on fine white paper, and are faithful copies of the originals, Blackwood's Magazine being an exact *fac-simile* of the Edinburgh edition.

TERMS:

For any one of the four Reviews,	$3,00 per ann
For any two, do.	5,00 "
For any three, do.	7,00 "
For all four of the Reviews,	8,00 "
For Blackwood's Magazine,	3,00 "

For Blackwood and the 4 Reviews,	10,00 "

Payments to be made in all cases in advance.
