TAKE CARE OF YOUR REGISTRATION CARD

It has been brought to our attention that many persons are very careless with their registration cards. Some have lost their cards while others do not have them in a safe place to be carried about. One must at all times have in their possession their registration card and a little care will save a great deal of time and trouble in having to procure a new one.

Annual Meeting of St. John's Church

The annual congregational meeting of St. John's United Church was held in the church basement Monday evening, January 20. A splendid spirit prevailed throughout the meeting. The reports of the various organizations were very encouraging, each of which indicated that the work of St. John's church is in a thriving condition. The report of Session showed that the membership is one less thn the number on the roll last year, altough there are thirty more non-resident members, due to the war taking members into active service or into war services of one kind or another. The treasurer's report showed that the membership is one poses of $2507.54, all accounts having been paid, and with a balance at the end of the year of $38.00. A hearty vote of appreciation was tendered Mr. F. W. Duncan and Mrs. Duncan for the careful work they do voluntarily keeping the church books.

The Missionary and Maintenance report, given by Mrs. R. G. Holland, whose services also have been greatly appreciated, showed total receipts of $363.50. It was pointed out that $277.00 of this was received through regular envelope givings, which is an increase of $35.00 over that received from the same source last year. Again the Ladies' Aid report revealed a year of great service to the church. The total receipts of this organization were $315.46, and they have carried over a balance of $16.29. The W. M. S. with its faithful group of concentrated people raised $203.00 and the Sunday School again ended the year with a balance of $24.12 after all accounts were paid. A hearty vote of appreciation was extended to Mr. J. R. Brackenbury and his loyal staff of teachers and officers for the valuable service they are doing in the Sunday School. Reports were received from the Trail Rangers, C. G. I. T., Baby Band, and Explorer groups for children and teen-aged people. All indicated that these groups are carrying on successfully. The C. G. I. T. report, presented by Jean McTavish gave the meeting a full picture of the work this group of twenty-five girls in their teens, is doing. During the year they raised $57.00, but that only partially represents the fine work of this group during the year.

At the election held following the presentation of reports, M. Bannon, W. A. Hawken, Earl Best, were elected to the Board of Elders for three years, and Gordon Irwin for two years, replacing Robt. Priestly who is now living in Toronto. Laverne Wood was elected usher to act with those who were elected last year. Geo. Cairns, Mrs. Wm. Moore, Mrs. John Heard, Mrs. T. J. Fisher and Mrs. J. Cargoe were elected to the M. and M. committee. Messrs. C. J. Bellamy and E. J. Fisher are the church auditors. The meeting concluded with Mr. Geo. McTavish expressing on behalf of the congregation their deep appreciation to the manner in which the minister, Mr. McMillan, and his wife have given leadership to the work of St. John's church during the past year. Mr. McMillan thanked the congregation for their co-operation and said that he felt a splendid spirit of goodwill prevailed in the church.
