Contributions $20 each; Halves and Quarters in proportion.

☞ SCRIP will be issued for allotments within forty days after the Drawing, on payment of twelve per cent. thereon, in compliance with the provisions of the Act of Incorporation.

This Grand and Important Plan is particularly deserving of attention from every class of the community of Canada and various parts of the United States, whether directly interested in Railroads or not. It has been projected as a great public advantage, that of opening a Railroad communication across the Peninsula to the far West, in connection with the lines now finished from New York and Boston to Oswego—thus rendering the Northern Route, by Toronto, to the Western States, shorter than any other by several hundred miles—the distance across the Peninsula being only about Eighty Miles, thus avoiding the circuitous and dangerous route by Lake Erie and the Southern shore of Lake Huron.

It is presumed that when this line of Railway is finished, it will be the best paying Stock in North America.

☞ Applications for Tickets (enclosing remittances) to be addressed (post paid)

THE COLONIAL Life Assurance Company,
Empowered and Registered under Act of Parliament 7 and 8 Vic., cap. 110.
CAPITAL £500,000 STERLING.

GOVERNOR:
THE RIGHT HON. THE EARL OF ELGIN AND KINCARDINE, GOV.-GENERAL OF CANADA, &c. &c. &c.

HEAD OFFICE:

Edinburgh,	1, George Street.
London,	4, a Lothbury.
Glasgow,	35, St. Vincent Place.
Montreal,	45, Great St. James-st.

THE success which has attended the operations of the Colonial Life Assurance Company testifies how greatly such an institution was required, and how much it has been appreciated.
In British North America the Company has been received by all classes in the most satisfactory and welcome manner, and the numbers who have connected themselves with it by Assurance, show how very much such an Institution on a broad and liberal basis was required.
The capital of the Company gives complete security for all its transactions; and parties dealing with the office incur none of the risks of Mutual Assurance.
The Rates adopted have been framed after a most careful and searching inquiry as to the value of life in different countries, and the directors are confident they have adopted as moderate a scale as can be held compatible with safety.
Progress of the Company.—The Colonial commenced business in 1846, and the result which has attended its operation fully bears out the anticipations of success which its founders entertained. The Company have granted Assurances, during the past two years alone, to the extent of £300,000 sterling.
Division of Profits.—The Directors look forward with confidence to a very favorable result at the first Division of Profits in 1851, and persons assuring before 25th May 1850, will participate in that Division to the extent of five years' claim for bonus.
The powers of the Board in Montreal being absolute for the disposal of business, gives to the Colonial all the facilities of a Company essentially local; and combined with the additional advantage of a large Guaranteed Capital, affords the most perfect security in all Assurance transactions.
The Annual Report of the Company, together with the Prospectus, and every other information, can be obtained on application to the Manager, or to any of the Agents of the Company,
By order of the Directors,
A. DAVIDSON PARKER,
Manager for Canada.
