HAVE *You* PLEDGED ALL YOU CAN TO BUY

WAR SAVINGS CERTIFICATES *regularly?*

YOU KNOW that Canada's War Effort requires a steady flow of money—week by week, month by month—loaned from the savings of her people.

If YOU HAVEN'T pledged yourself

—ACT NOW! Canada needs ALL you can save and lend. There are three ways to pledge:

1. Ask your employer to deduct a specified sum from your salary or wages each pay day.
2. Authorize your bank to deduct it each month from your savings account.
3. Sign an "Honour Pledge" to buy Stamps or Certificates for a specified amount at regular intervals.

If YOU HAVE pledged yourself

—keep up your pledge. See your investment grow as the months go by. INCREASE the amount you have promised to save and invest. And remember that, in addition to your regular pledged amount, you can at any time buy extra War Savings Certificates from your local Bank—Post Office—or you can send your money direct to the War Savings Committee in Ottawa.

Last Thursday evening as some of the young lads were placing the sawing outfit at Mr. Angus McCauleys they saw the silver fox persumably belonging to Mr. Louis Sheardon of Wareham, sitting on the Mr. McCauleys gangway. They tried to catch it but Mr. Fox enjoyed his freedom too much and ran away up to Ern Stinsons where he doged in to a building but found a small hole through which he escaped and said goodbye to his pursuers.

We were very sorry to bid farewell on Sunday to Mr. and Mrs. Patterson our minister and his wife. Mr. Patterson preached a very impressive sermon in farewell.

We read where a robber in Western Ontario, "was surprised when at his work and made a hurried exit." Reading our book "What To Do In An Emergency" we concluded that the robber did the right thing.

A great man is probably one who lives in the pleasant memory of his friends after he is dead.
