

**VALLEY W.I. RECOGNIZED**

— Submitted

At a recent dinner out for the Purple Valley W.I, Jim and Val Mitchell were in attendance to present the ladies with a certificate of appreciation for their continued support of the WPS Eat and Learn Program. The group makes a contribution to the program yearly and the Mitchell's, who run the program, wanted to express their thanks. It is a very needed program in the school and the Purple Valley W.I. is proud to help. Thanks to Christy and her staff at the Bayview Cookhouse for the delicious meal provided. Pictured is Jim Mitchell making the presentation to long time member Margaret Urbshott.
