Presentation to Norman Williams at Eugenia

(By Eugenia Correspondent)

A party was held in the hall on Friday evening in honour of Pte. Norman Williams of the Tank Corps, Camp Borden. During the course of the evening an address was read to Norman by Elward Campbell and a presentation of a pen and pencil set and a sum of money by Wilfred Magee and Ben Shortt, on behalf of the community. Following is the address:

Dear Norman;
We, your friends, are here to night,
To wish you luck ere you enter the fight,
To spend a pleasant hour with you,
And clasp your hand in friendship true.

We're glad to have had you with us here,
In happy friendship from year to year,
We can't forget you as Santa Claus
Bringing from all a hearty applause.

To our Empire's urgent call you replied,
From its duties and dangers you did not hide,
But hastened away to do your bit
To help to make the Germans git.

And so before you go from us,
O'er you we'll make a little fuss,
Present to you this little gift,
And give your yearning heart a lift.

May God above lead your steps aright
And make you victorious in the fight,
May His protections be over you,
Bringing you back when the battles through.

Signed on behalf of your friends and neighbours, Elward Campbell, Ben Shortt and Wilfred Magee.

Norman made a neat reply thanking all for the lovely gifts presented to him.

Send in the names of your visitors.

First Training Group Called For Active Service

Graduates of the first group of 4,840 twenty-one-year-olds called under the National Resources Mobilization Act for a four-months training period will be kept in the Army indefinitely for defence work in Canada, Honourable J. L. Ralston, Minister of National Defence, announced at the week end.

When they have completed their training in July they will go on duty for coast defence at the Pacific and in the Maritimes, and on internal security and guard duty in the interior to relieve men now preforming this work who have signed up for overseas.

Where posisble these young soldiers will serve in the localities from which they came. Whether those called for the second camp will be likewise assigned to home defence on completion of their training in August will depend on developments, the Minister stated.

Many of those now in training under the plan have signed up for active service in the various arms of the defence forces, the Minister reported, stating that while there is a surplus of manpower for certain of these units, these men will be transferred to arms of the service where they are most needed.

A total of 9,830 young men called for four months' training period are now in training. Of these 5,840 will finish their course in July, and 4,990 in August. In the second draft 468 of the 5,458 reporting, failed to pass the medical examination at the training centres.

QUITE UNPRINTABLE

The new reporter had been sent to interview the famous pugilist. About an hour later he staggered into the editor's office.

"Well," barked the chief, "did you get anything?"

"Yes, sir," complained the other, pointing to two black eyes, "these!"

"We can't print those!" shouted the editor. "What did he say to you?"

"You can't print that either," was the calm reply.
