

JAN. 12. MEETING

8 MEMBERS + ONE guest gathered at the lovely new home of MARTHA SIM MARTELL. For our JAN. meeting MARTHA took us all on a tour & we were all very much impressed. Just about one year ago their former home was destroyed by fire. It has been a difficult & stressful year, so we are all so happy to see them settled in such a lovely, comfortable home. We settled down for lunch & Martha had made quite a variety of scones, desserts etc.

The business meeting consisted mostly of making up a rental agreement for our hall. This year we have kept the hall open later to accommodate the Federal election on JAN 23rd.
