OTTAWA LAND ROUTE.

HAVING no use for my HORSES and COACHES at this season of the year, I have made arrangements with Mr. Wilkinson, the Proprietor of the *Caledonia Springs*, to put on a Line of STAGE COACHES from the Springs to Point Fortune, and also from the Springs to Lancaster, on the St. Lawrence.

By this arrangement, the Passengers from Bytown who arrive on the Steamer "Phœnix" at the Proprietor's new Wharf, at L'Orignal, at about half-past Ten o'clock, A. M., will be conveyed to the Springs before noon; and those who leave Lachine at Eight o'clock, A. M., on the Steamer *Lady Simpson*, which reaches Point Fortune about noon, will arrive at the Springs about Four o'clock, P. M.

Passengers between Bytown and Montreal, will be taken on this Route quicker than by any other conveyance, as a change of Horses will take place between L'Orignal and Point Fortune, which has not heretofore been done.

Passengers landing at Lancaster from the Steamers *British Queen* or *British Empire*, about One o'clock, P. M., will reach the Springs the same evening.

THE COLONIAL
Life Assurance Company,
Empowered and Registered under Act of Parliament 7 and 8 Vic., cap. 110.

CAPITAL £500,000 STERLING!

GOVERNOR:
THE RIGHT HON. THE EARL OF ELGIN AND KINCARDINE, GOV.-GENERAL OF CANADA, &c. &c. &c.

HEAD OFFICE:

Edinburgh,	1, George Street.
London,	4, A Lothbury.
Glasgow,	35, St. Vincent Place.
Montreal,	45, Great St. James-st.

THE success which has attended the operations of the Colonial Life Assurance Company testifies how greatly such an institution was required, and how much it has been appreciated.

In British North America the Company has been received by all classes in the most satisfactory and welcome manner, and the numbers who have connected themselves with it by Assurance, show how very much such an Institution on a broad and liberal basis was required.

The capital of the Company gives complete security for all its transactions; and parties dealing with the office incur none of the risks of Mutual Assurance.

The Rates adopted have been framed after a most careful and searching inquiry as to the value of life in different countries, and the directors are confident they have adopted as moderate a scale as can be held compatible with safety.

Progress of the Company.—The Colonial commenced business in 1846, and the result which has attended its operation fully bears out the anticipations of success which its founders entertained. The Company have granted Assurances, during the past two years alone, to the extent of £300,000 sterling.

Division of Profits.—The Directors look forward with confidence to a very favorable result at the first Division of Profits in 1854, and persons assuming before 25th May 1850, will participate in that Division to the extent of five years' claim for bonus.

The powers of the Board in Montreal being absolute for the disposal of business, gives to the Colonial all the facilities of a Company essentially local; and combined with the additional advantage of a large Guaranteed Capital, affords the most perfect security in all Assurance transactions.

The Annual Report of the Company, together with the Prospectus, and every other information, can be obtained on application to the Manager, or to any of the Agents of the Company,

By order of the Directors,
A. DAVIDSON PARKER,
Manager for Canada.

SEEING so many puffing representations about Medicines in the papers, the Subscriber thought he should not advertise, but do all the good he could for suffering humanity silently, but was blamed for not making his invaluable Medicine more generally known. He therefore now publicly complies with his friends' requests, to inform the Public, far and near, that he is fully competent to practice the new system of cure got up in England and other Nations, called the HYDROPATHIC and BOTANIC MEDICINES, which, if properly applied, are calculated to cure every disorder in human nature.—During the last calamity by Cholera, these Medicines were proved to be effectual by many living witnesses in this city and country, and since that time many others having old settled complaints, pronounced incurable, were cured; and persons afflicted with any of the following complaints are confidently requested to try this medicine.
