RAYMOND & CO. AND VAN AMBURGH'S

LONG ESTABLISHED

MENAGERIES!

United in one Large and Varied Exhibition, consisting of all the Animals now extant, numbering
OVER ONE HUNDRED SPECIMENS.

WILL exhibit at Kingston on MONDAY and TUESDAY, July 29th and 30th.—Open on Monday, 29th, at 2 and 7½ P. M. On Tuesday, 30th, at 9 A. M., and 1 P. M., on the COMMON OPPOSITE THE CATHOLIC CATHEDRAL
ADMISSION—1s. 3d. Children under 10 years of age, half-price.

Amongst this great Collection, which is the largest ever Exhibited in America, is the RHINOCEROS; or, THE UNICORN OF HOLY WRIT; the first and only one in *America* since 1836. The great difficulty in capturing this huge and savage creature, together with the almost impossibility of keeping him alive in a climate so uncongenial to his habits and constitution, renders the exhibition of a living Rhinoceros, the greatest curiosity in the Animal Kingdom. Also, the WHITE POLAR BEAR, the only one in America; which is considered the most rare of all animals kept in a temperate climate for exhibition, they being only inhabitants of the most Frigid Zone.

In this great collection of animals, will be seen FOURTEEN LIONS, of the finest specimens from different countries, some of which were presented to the renowned VAN AMBURGH, by Her Majesty, Queen Victoria, in his recent tour through Europe.

The Monster Elephant COLUMBUS, the largest in America, weighing 10,730 pounds. Also the beautiful Elephant TIPPOO SULTAN, which has caused such a great sensation all over Europe, will go through a variety of performances, such as Waltzing, Balancing, Ringing the Bell, Creeping on his fore-legs, Walking over his Keeper, Picking him up, Drawing a Cork from a Bottle, &c., &c., &c.

MR. VAN AMBURGH, the most celebrated of all Animal Performers, will give an Exhibition in a Den of Wild Animals. His performances with the Terrific Groupe of Lions, Tigers, Leopards, Cougars, Panthers, &c., the same as performed by him in all the principal cities of Europe, with such great renown.

HIDERALGO, the LION TAMER, will give a performance in a Den of Wild Animals, Separate, and altogether different from Mr. Van Amburgh's, making *Two Grand Animal Performances* in the same Exhibition.

Many other Performances will be given in the course of the Exhibition, such as PONIES, MONKEYS, &c.

A full description of the Animals, which the great experience, enterprise, and resources of the Proprietors have enabled them to bring together in one large and splendid collection, will be found in the Bills, at the principal Hotels, previous to the arrival of the Company.

The Company will exhibit at Mallorytown on the 26th & Gananoque on the 27th July.
