COMPLETION
Of the Imperial Dictionary,

THIS invaluable Work, which cost the editor about *twelve years* unremitting labor, and being incomparably the most comprehensive Dictionary of the English language ever published, being now complete, copies in any style of binding, can be had by early application. PRICE—bound in two imperial octavo volumes of over 1000 pages each, cloth boards, £5; half-calf, £6; or 7½ divisions, 12s. 6d. each.

This Work contains, in addition to the matter usually found in Dictionaries, the technical and scientific terms, together with etymologies and their pronunciations, according to the best authorities—ILLUSTRATED by about 2000 engravings on wood, to explain where words are insufficient.

Orders from any part of Canada will be promptly attended to, and copies delivered, free of extra charge, in any place between Quebec and London, C. W., if not off the main roads between the places named.

The present supply being limited, those wishing copies will please order soon.
