Wonderful efficacy of Dr. Corbett's Highly Concentrated Syrup of Sarsaparilla.

FURTHER EVIDENCE AS TO ITS VIRTUES.

To MESSRS. E. BRINLEY & Co.:—

Gentlemen:—Some time since you kindly sent me a few bottles of Dr. Corbett's Shaker Sarsaparilla, believing, as you said it might help me, my Blood being out of order, and my stomach annoyed by dispepsical complaints. As I had long been using other Sarsaparilla Compounds with injury rather than benefit, and having tried various remedies with no help whatsoever, I felt unwilling to attempt anything further. But relying on the distinguished names of Physicians attached to the medicine, I began the use of one bottle. Using it only in small doses, I found my stomach gradually retaining its tone. After a steady and undeviating use of it for some months, I found my whole system thoroughly changed. My appetite was restored. My Blood clear, active and pure, and health once more afforded me. Some of my friends most painfully afflicted with diseases of the Skin, Liver Obstruction, and who are of strong Consumptive habit, are now using this wonderful medicine with most astonishing efficacy. In my own case I am happy to state the cure was complete beyond my best anticipations.

Very gratefully, your obliged friend. JOHN T. FIELD.
