

FEB 16

AN unusual event for this time of year - a Thunder Storm. Plenty of lightening, Thunder & RAIN. Overnight the temperature went down, hydro went out & the trees had a heavy load of ice, causing more limbs & trees to fall.

SCIENCE FAIR - Grade 8 student Luke Liverance took part in Peninsula Shores Science Fair last week. Luke tested water from various sources such as taps, creek, bottles and snow with different filters. See more on page 2.

MAR 30

APRIL 2 ICE HAS GONE FROM the bay at Red Bay after a windy night.
