CLAIMS AGAINST
The Department of Public Works.

THE *Commissioner of Public Works* hereby give notice, to all parties interested, that, by an Act passed in the late Session of the Legislature, intituled, "*An Act to amend the Laws relating to the Public Works of the Province,*" it is enacted that the Provincial Arbitrators shall meet within two months after the passing of the said Act, (10th August inst.) for the purpose of investigating and determining upon all claims filed in this Office within the time allowed by law. All parties who have duly notified this Department of the existence of their claims in general terms, but have neglected to comply with the Provisions of the Act 10 and 11, Vic., c. 24, which requires that *the particulars* of such claims shall be filed with the said Commissioners; such parties are hereby notified to forthwith send in the following particulars as far as it may apply to their several demands viz:—

Commencement of, and duration of damage; by what Public Work supposed to be caused; quantity of Land damaged by, or taken for the use of such Public Work, and the estimated value thereof per acre, at the time the Land was so damaged or taken.

Date of Contract, and the several items in detail composing the amount claimed, with measurement of every class of work done.

If there exists any other ground of claim, state how and when the same has arisen, and the sum demanded as compensation therefor.

It is requisite that all claims shall be forwarded to this Office within One Month from this date, in order that the Commissioners may be able to comply with the provisions of the Law. If claimants neglect to comply with this notice within the time thus fixed, their claims cannot be submitted for investigation in the manner required by the Acts.

Mineral Paint.

A SUPPLY of the above Paint has just been received from the manufacturer, which is recommended as superior to any article now in use. If properly applied it will resist the action of Fire and Water; Roofs of Houses painted with it become fireproof, as the surface hardens like slate. It will also preserve Stone and Brick Walls from the action of the weather, as no moisture can penetrate it.
