PRESENTATION TO MR. AND MRS. MERVYN McFADDEN

Around 25 friends and neighbors gathered in the Fraternal Hall on Friday night to spend a few social hours with a recent bride and groom, Mr. and Mrs. Mervyn McFadden (Marion Wickens). The young couple were presented with a gate-leg table and four chairs and best wishes for a long and happy wedded life. Miss Iva Brown read the address in the form of a poem, it being signed on behalf of the friends by Iva Brown, Wes Littlejohns, Thelma Miller and Mrs. Ward Harrison.

It would seem that the old saying "the pen is mightier than the sword," is soon to be replaced with "a drop of oil is mightier than the sword.

In Memoriam

BROWN — In loving memory of a dear husband and father, Mr. J. J Brown, who died three years ago, Oct. 10, 1938.

Three years may wipe out many things,
But this they wipe out never
The memory of those happy days,
When we were all together.

— Lovingly remembered by wife and daughters.

Card of Thanks

I wish to take this opportunity to thank the neighbors for flowers sent to my mother, the late Mrs. J. F. Mathewson.

—Frank A. Townley.

PLAN AIRGRAPH SYSTEM TO SPEED LETTERS OVERSEAS

With a view to speeding up the delivery of letters from relatives and friends in Canada to the Canadian Forces in the United Kingdom, Honourable William P. Mulock, K. C., M. P., Postmaster General states that arrangements are now under way for the institution of a time and space conserving Airgraph Service between this country and the United Kingdom.

In keeping with his policy to do everything possible to facilitate the transmission of mails for our Forces, with the minimum of loss and delay. Hon. Mr. Mulock is planning to institute this special system at an early date. Following the completion of arrangements now under way, a definite announcement will be made by Hon. Mr. Mulock as to the date of commencement.

Under this special system the sender of an Airgraph communication writes the message and address on a special form provided by the Post Office. The completed form is next photographed on minature film which is despatched by Air. On arrival in the United Kingdom photographic enlargements are made and delivered through the Army Postal Service to the troops in the usual way. The rate on an Airgraph message will be 10 cents.

Mr. Fred Runciman Died At Home at Priceville

This community was shocked and saddened when it was learned of the sudden passing of Mr. Wm. Frederick Runciman. Monday, Sept. 29, he was cutting some limbs from a tree, and later came in to the house not feeling very well. He suffered a slight stroke, a doctor was called and everything possible was done to prolong his life, but he passed away on Wednesday evening.

He was of a kind and cheerful disposition and was loved by all who knew him. Many will enjoy the memories of happy visits at his home. His happy manner and smile will never be forgotten by those who knew him. He was a lover of music and was always ready and willing to help in any way he could.

A life made beautiful by kindly deeds
A helping hand for other needs
To his beautiful life there came an end
He died, as he lived
Everyone's friend.

The funeral was held on Friday, Oct. 3rd in St. Columba United Church, Priceville, which was filled overflowing with those who came to pay their tribute of respect to one who was held in the highest esteem.

The service was conducted by Rev. Mr. Bellsmith, assisted by Rev. Dr. Campbell, who gave a comforting message and spoke very highly of the deceased. Mr. Leverett Crofoot, soloist of Ossington Avenue Baptist Church, Toronto, sang; "Forever with the Lord," a favorite hymn of the deceased.

The pallbearers were; Jack Ferguson, Colin McLean, Bert Aussem, Noble Wilson, Neil Phillips, Joseph Black, Harry Anketell and Wm. Gilmore.

The Priceville Volunteer Civil Guard in which the deceased took a keen interest, formed a guard of honor and acted as flower bearers.

Among the many beautiful offerings which bore silent messages of love were the following: Priceville Old Boys' and Girls' Association, Staff of Transfer Department of National Trust Co., Ltd., Officers and Staff of National Trust Co., S. S. Class of College St. Baptist Church, T. Eaton Co. Ltd., Fourth floor College St., Staff of Montreal Trust Co.

Friends from a distance who attended the funeral were; Miss Mollie Ferguson, Mr. and Mrs. Alroy Mc Lean, Mr. and Mrs. Herb Roberts, Mr. and Mrs. H. Richardson, Mr. Joseph Black, Mr. Harry Anketell, Mr. and Mrs. Wm. Gilmore, Mr. C. Kenneth Coulson, Mr.. Richard Lea and Mr. Victor Prentice of Montreal Trust Co., Mr. and Mrs. John Campbell and Miss Ethel Campbell, Mrs. R. Hannam, all of Toronto, Mr. and Mrs. Neil Norman and family of Orilla.

The late Mr. Runciman was a son of the late Mr. and Mrs. David Runciman, and was born in 1877. He was raised on the farm at Boothville, now occupied by Mr. and Mrs. Neil Phillips. He was married in 1900 to Katherine Ferguson, who mourns his loss, together with one son, Eldon and daughter, Mary, and three grandsons, Russel, Frederick and Roderick Runciman. Another daughter, Islay died in 1914.

He also leaves on sister. Laura (Mrs. Neil McCannell) of Proton Sta.

In 1915 he left the farm at Boothville and went to Durham, and in 1918 he moved to Toronto, where he was employed with the T. Eaton Co. until 1936, when a heart condition forced him to retire. He then purchased a home in Priceville, where he has since resided.

The community extends deepest sympathy to the sorrowing friends and relatives in their sorrow. Interment was made in Swinton Park Cemetery.

Flesherton Lost Final 8-7 In Exciting Game

Flesherton softball team had the breaks go against them Thursday last and lost the final game 8-7 with the Princeton Spitfires, the latter being the winners of the Hepburn trophy for the Rural Softball League. Four errors at crucial times paved the way for the defeat,. It was one of the most exciting and interesting softball games played for some time and the large crowd was on its toes the entire game. Flesherton had 11 hits to Princeton's eight. Normie Genoe's arm troubled him and after allowing three hits in a row in the third inning and one run scoring after two down, "Pete" Dargavel retired the side. Two walks, three errors and two hits by Princeton accounted for the last four runs. The locals never gave up trying and with one run scored in the ninth and the tieing run on first base, the last two Flesherton men fanned. About ten carloads of Flesherton fans attended the game, but their rooting was not enough. While at Princeton we had the pleasure of again meeting Mr. W. G. Pickell, editor of the Paris Star, and an old Flesherton boy, and his son, Jack, who attended the game.

Flesherton players were: Norman Genoe, Cecil McTavish, Harold Best, Ken Betts, Bob Phillips, Geo. Boyd, Bob Dargavel, "Bus." Springgay and Bill Stephen.

The Late Wm. Taylor

Word was received the other day of the sudden death of William Taylor of San Diego Calif. He was the son of the late Thomas and Marie Taylor of Mount Zion, later of Owen Sound.

He lived at Cartwright, Man., for a number of years. While there his wife passed away. About twenty years ago he, with his family, moved to California. He is survived by two daughters and a son, all of San Diego, and two sisters, Mrs. Geo S. Buchanan of Strongfield, Sask and Mrs. William Duckett of Eugenia A brother Wesley G. resides in New Westminister, B. C. About a year ago his brother Thomas, who also lived in San Diego, passed away Mrs. Donald F. Young of Sarnia is a niece.

STANDARDIZED FOR EFFICIENCY

A car with Nova Scotia license plates limps into a service station in Winnipeg. Steam is spouting from under the hood.

"It's your water pump," says the mechanic. "We can have a new one on in a jiffy—won't hold you up long."

Only a water pump—perhaps assembled in Oshawa or Windsor from parts made in half a dozen different towns, yet it fits to a T when this Manitoba mechanic puts it on a car from Nova Scotia.

Uniformity—standardization—are big factors in telephone service, too. You can talk practically anywhere, any time, for one reason, because telephone equipment made with meticulous care fits to a T in all parts of the system. Operating methods are co-ordinated, too, so that your call is put through quickly and accurately—your voice spans the miles direct to your listener's ear. To a nation at war, such standardization is a great asset.
