HAIR RESTORATIVE.—The demand for this unrivaled preparation for the hair and skin is beyond the possibility of a doubt, and its sale is greater than any other Hair Restorative that has ever been before the public. Tens of thousands of persons who were bald and gray, and others whose faces were covered with unsightly blotches, and pimples, are now, with their own glossy hair, and with faces comely and fair to look upon, seen daily promenading the streets of the principal cities of the Union, and by their influence spreading the fame of Wood's Hair Restorative throughout the civilized world. But the trial of one bottle is more convincing than all we could say in a whole Newspaper column.

It does not dye but gives life, health, and beauty to the decaying, falling, and dead, restoring as if by magic, that which was supposed to be irrecoverably lost. Heads nearly bald and others nearly white, are daily being changed to their pristine beauty, and faces covered with pimples are rendered as smooth as an infant's, and blushing as a rose, all by the use of Pro. Wood's Hair Restorative.—St. Louis Commercial List.

Sold by all respectable Druggists. (1m)12

KENNEDY'S MEDICAL DISCOVERY.—We have been perusing, within a few days, one of Mr. Kennedy's Circulars, not to convince us that his medicine was what it purported to be, for we have had occasion to witness its magical effects in curing the particular class of diseases for which it is recommended, viz., humors. But if we had not this personal acquaintance with its virtues, we could not but be convinced of its worth when such a man as Erastus H. Doolittle, Esq., former Proprietor of the Old Elm Street Stage House, Boston, says, that he has been cured of a disease that was hurrying him to his grave, and the remedy used was Kennedy's Medical Discovery. This is proof enough for us, and we trust that it will prove an inducement to the afflicted to try it at least. 12

HOLLOWAY'S PILLS AND OINTMENT.—VILLAINY AT WORK.—As a precaution against being poisoned by vile counterfeits of these renowned preparations, see that on every leaf of the books of directions enclosing the boxes and pots, the words, 'Holloway, New York and London,' are impressed in the form of a water-mark, distinguishable when the paper is held up to the light. The aggregate of cures of indigestion, bowel complaint, fever and ague, remittent fever, eruptions, ulcers, contusions, rheumatism, etc., achieved by these preparations during 1857, exceeds by one hundred per cent. that of any former years. The demand in this country has increased enormously during the same period. 12

Auction Sale by John Patterson.

GLEN LOGIE.

WILL be sold by PUBLIC AUCTION, positively and without any reserve, on

Thursday, the 19th of January, 1860,

at the Auction Room of the Subscriber, at 12 o'clock, noon (if not previously disposed of by private sale), the estate of GLEN LOGIE, three miles from the City of Kingston, in the township of Pittsburgh, containing 305 acres of land, fronting on the majestic and beautiful River St. Lawrence, 170 acres of which are under cultivation, the remainder being a Forest of Hickory, Birch, Pine, Beech and Maple, with Cedar and Black Ash for fencing purposes.

THE DWELLING

is a substantial and most comfortable stone Mansion, having a never-failing WELL adjoining the Kitchen. The Out-houses consist of a Farmer's Residence, three excellent Barns, Stables, Root-house, &c., all in excellent order; with a School-house, having an acre of land attached on condition of suitable occupancy.

THE GARDEN

is unsurpassed in culture, and well-stocked with a variety of superior Fruit-Trees and Bushes, while Strawberries, Raspberries, Cherries, Plums, and other wild fruit grow abundantly on the Farm.

THIS LOCATION

was first selected as a residence by a gentleman of acknowledged taste (the late Major Logie), not only on account of its fertility of soil, but also because of its natural beauty and its proximity to the best society and to Kingston, whose CHURCH-BELLS and GUN may be distinctly heard at the Mansion Door.

GLEN LOGIE

is perhaps one of the most desirable abodes in Canada for the Gentleman-farmer, who will find here first-class accommodation of every description, with boating (a natural rock wharf lying right in front of the Lawn), fishing, shooting, and other kinds of FIELD SPORTS, amidst the most picturesque and Romantic Scenery; while, should he desire it, a ready exchange of a Country to a City Life, or a transfer to the heart of the far-famed Thousand Islands (of which Glen Logie is the opening scene), can be at once effected either by water or land, the Kingston and Gananoque Macadamized Road running through the Farm at a distance of an eighth of a mile from the Mansion, with which it is connected by a beautifully shaded Serpentine Avenue.

A GOOD TITLE

will be given, and the terms of payment liberal; and any further information required will be given on application to

American and Foreign STEREOSCOPIC EMPORIUM.

E. ANTHONY, 308 BROADWAY, NEW-YORK. After May 1st, 1860, at 501 Broadway, two doors from the St. Nicholas Hotel.

The Stereoscope is the most instructive, interesting, entertaining, amusing, and exciting of modern inventions.

None are too young, none too old, none too intelligent, none too uneducated, to acknowledge its worth and beauty.

No home is complete without it, and it must and will penetrate everywhere.

It presents to your view every part of the world, in all the relief, boldness, perspective, and sharpness of detail, as if you were on the spot.

Photographers are everywhere exploring Europe, Asia, Africa, America, in search of the grand and the beautiful, and the results of their skill are constantly enriching our stock.

We have an immense variety of paper Views of Scenes in Paris, London, England, Scotland, Ireland, Wales, France, Belgium, Holland, Switzerland, Spain, The Rhine, Versailles, St. Cloud, Fontainebleau, Tuileries, Italy, Turkey, Egypt, Athens, the Holy Land, China, India, Crystal Palace, also Group Historical, amusing, marriage scenes, breakfast scenes, pic-nics, statuary, &c., &c. An exquisite assortment of Illuminated Interiors of Palaces, Churches, and Cathedrals of France, Italy, &c., &c. The effect of these illuminated views is most remarkable.

Every gentleman of wealth and refined taste should have in his drawing-room some of our exquisite views on glass, with a revolving stereoscope, showing 12, 25, 50 or 100 scenes. Nothing can be more fascinating, and one can offer no greater treat to a friend fond of the picturesque and the beautiful.

Anthony's Instantaneous Stereoscope Views are the latest Photographic wonder. They are taken in the fortieth part of a second, and everything, no matter how rapidly it may be moving, is depicted as sharply and distinctly as if it had been perfectly at rest. This gives an additional value, for to the beauties of inanimate nature it adds the charm of life and motion. The process is a discovery of our own, and being unknown in Europe, we receive from London and Paris large orders for Anthony's Instantaneous Views of American life and scenery.

Among other things we have just published Stereoscopic Illustrations of the Scene of the Fulton Street Prayer Meetings, in which many hearts feel an interest. The particulars of this will be found in our catalogue.

Our Catalogue of Subjects and prices will be forwarded to any address on receipt of a stamp.

Parties at a distance sending us $3, $5, $10, $15, $20, or $25 can have a good instrument and such pictures as they may request, sent by Express.

Views alone (without instrument) can be sent by mail.

Parties who wish to be advised of everything really valuable in the line that comes out, may send us their names to place on record, and we will keep them posted at our own expense.

Men of leisure will find Photography a most fascinating and delightful amusement. We are prepared to fit out amateurs with everything necessary for their success, together with instructions "How to take Stereoscopic Pictures."

E. ANTHONY,
Importer and Manufacturer of Photographic Materials, Stereoscopes and Stereoscopic Views.

Merchants from every section of the country are respectfully invited to make an examination of our stock, as our discount to the trade will be liberal.

TO PHOTOGRAPHERS.—First-class stereoscopic Negatives wanted.

Sent by mail a print numbered, with price of Negative.

THE MEDICINAL PROPERTIES OF BRYAN'S PULMONIC WAFERS are contained in the least objectionable form that medicine can be administered. They are pleasant to the taste, and effectual in all cases of Coughs, Colds, Bronchitis, Sore Throat, Asthma, &c., &c. A single trial will convince the most incredulous that relief can be obtained in TEN MINUTES with this invaluable remedy. The inventor, aware that it is the fate of all preparations put up for public use, to be indiscriminately condemned by many, either from selfish motives, or a desire to discover uncommon skill, without showing anything of their composition or medical virtues, and notwithstanding however unjust such decisions may be, or whatever weight they may have, yet he confidently believes that this medicine prepared with the greatest caution, and of the best and most suitable ingredients, will be found to relieve the afflicted, and to effect a cure in many cases where other remedies have failed, and he has no hesitation in warranting a cure or refund the cost.

Price 25 cents per box. For sale by Northrop & Lyman, Newcastle, C. W., General Agents for the Canadas. For sale in Kingston by C. Heath, E. H. Parker, H. Skinner and G. S. Hobert, agents, and all respectable druggists everywhere. 4-3m

1,000,000 Boxes sold of
MOREHEAD'S
Magnetic Plaster.

THIS enormous quantity of this invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.

The MAGNETIC PLASTER is undoubtedly the Greatest Strengthener and Pain Destroyer that Science has yet discovered. If you put this Plaster anywhere, if Pain is there, the Plaster will stick there until the Pain has vanished. The Plaster magnetizes the Pain away, and

PAIN CANNOT EXIST
WHERE THE
PLASTER IS APPLIED.

Rheumatism, Lameness, Stiffness, Weakness, Debility, Nervousness, Neuralgia, Dyspepsia, Coughs and Colds, Pains and Aches of every kind are IMMEDIATELY RELIEVED, and with a little patience, PERMANENTLY CURED, by the magical influence of the MAGNETIC PLASTER. It is the simplest, surest, safest, pleasantest and cheapest remedy in existence. Its application is universal—equally to the strong man, the delicate woman, and the feeble infant. Its use is agreeable, and without annoyance or trouble. Its price is within reach of all—rich or poor; all may have it, and all should have it who are sick and suffering in any way.

FARMERS and PLANTERS should always be supplied with the MAGNETIC PLASTER. It will be the Good Physician in any household, ready at all times and at instant notice.

Put up in air-tight tin boxes. Each box will make six or eight plasters, and any child can spread them. Price, 25 cents a box, with full and plain directions.

Depend upon it mothers, it will give rest to yourselves and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, to effect a CURE, when SIMELY used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medical virtues.—We speak in this matter WHAT WE DO KNOW, after ten years experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND COLIC,

and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has child suffering from any of the foregoing complaints—do not let your prejudices or the prejudices of others, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if time ly used. Full directions accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

IMPORTANT TO CONSUMPTIVES

DR. CHURCHILL'S DISCOVERY

Winchester's Genuine Preparation of Dr. J. F. Churchill's Compound of the

HYPOPHOSPHITES

OF LIME, SODA AND POTASH,

As Discovered and Prescribed by him, as a Specific for

CONSUMPTION,

This great Remedy is a discovery of Chemical Science, founded upon the Hypothesis that the proximate cause of Consumption is the deficiency or undue waste of the oxydizable phosphorus normally existing in the economy; and that, therefore, the specific Remedy for the disease, consists in restoring the deficient element by the use of such a preparation of Phosphorus as unites the two conditions of being in a state that it may be directly assimilated, and at the same time, at the lowest degree of oxydation. The HYPOPHOSPHITES OF LIME, SODA AND POTASH present these conditions, in the most complete manner, being perfectly soluble and nearly as oxydizable as Phosphorus itself.

The Hypophosphites exert an important influence directly on the nervous system, of a tonic character, increasing the principle which constitutes nervous force, and are the most powerful blood-generating agents known. They are therefore invaluable in all forms of Nervous or General Debility, Asthma, Bronchitis, Dyspepsia, and Loss of Vital Energy from whatever cause. Ladies suffering from complaints peculiar to their sex, will find this remedy act with charming effect, from its vitalizing and renovating power.

☞ Caution to the Public. ☜

Various preparations are already in the market, purporting to be based on Dr. Churchill's discovery, against which we solemnly caution both the profession and the public. No arts will be spared by unscrupulous and dishonest parties to impose upon the unwary.

☞ Beware of them all, if you would not be poisoned by deleterious stuff. Read the following:

TESTIMONY OF DR CHILTON:

'I have carefully analyzed samples of the Hypophosphites of Lime, Soda, and Potash, from which Mr. J. Winchester manufactures Dr. Churchill's Compound Solution of the Hypophosphites, and find them to be properly made and chemically pure. Having had many opportunities of testing the uniform purity of the articles which he uses in compounding this new Remedy for Consumption, and having a personal knowledge of his honesty and integrity, I feel that I can assure the Profession and the Public, that this Preparation of the Hypophosphites can be relied on.

'JAMES R. CHILTON, M. D., Chemist.
'New York, Feb. 8, 1859.

In addition to this unimpeachable evidence, I call the attention of the Public to the more Important and conclusive

TESTIMONY OF DR. CHURCHILL:

'To be used with effect, the Hypophosphites must be perfectly pure; otherwise they may, in some cases, appear altogether inert, or even injurious. In five cases out of six, the Salts usually sold as pure in Paris, under the name of Hypophosphites, are totally unfit for Medical use.

DR. CHURCHILL'S WORK ON CONSUMPTION

has been received from Paris, and will be published with all possible dispatch. I have also an original letter from Dr. Churchill, in exposition of his Discovery, which, with Circular, and other valuable information, will be sent to all sufferers throughout the Union, whose names may be forwarded to me.

I have permission to refer to many gentlemen of high standing in this City,—among others, to Horace Greeley, Esq., Editor of the N. Y. Tribune, who has known me intimately for the last twenty-six years; also, Hon. H. J. Raymond, Editor of the N. Y. Times.

Price $2; three bottles for $5, with ample directions. Single bottles, in concentrated solution, sent by mail, when specially ordered. Each bottle of Winchester's Genuine Preparation of the HYPOPHOSPHITES has his fac-simile signature. The trade supplied upon the lowest terms for cash.
