RAWLEIGH'S
53RD ANNIVERSARY MONTH

W. T. Rawleigh started selling medicines 53 years ago on April 6. At that time his customers were obliged to buy enough to last from fall until spring, and if they ran out, to wait perhaps for weeks for his next visit. No corner drug stores, no telephones in those days, and his method of travel, the good old reliable horse. Nowadays, if you want Rawleigh goods, you can go to your telephone and call the Rawleigh dealer and get what you require in no time at all. Take full advantage of this privilege. Save gasoline for the war effort by using the phone.

Your Rawleigh Dealer will fulfil other necessary jobs on the way to and from your place, whereby making every drop of gasoline go as far as possible. Canada needs and expects you to co-operate.
