
British Gun Production Soars

Gun production in Britain during the last recorded quarter showed an almost perpendicular rise "like the flight of a anti-aircraft shell."

In September the output of anti-tank guns of the later trypes showed an increase of nearly 700 per cent, compared with September 1940. This picture shows medium naval guns on final inspection at an Ordnance factory in the North of England, where guns of numerous calibres are tured out in great quantities.

8TH LINE OSPREY

Easter has come and gone! After the first Easter our Divine Lord remained on earth for forty days. Let us ask Him, in all sincerity, while He is very close to us these days, to restore peace.

Mr. Jim Hale met with an accident last week while working in the bush when he cut his foot with an axe. The wound required three stitches. He is able to be around again.

Mr. Vernon Somers of Guelph spent the week end at his parental home.

Messrs. Walter and Geo. Saigeon of Hanover were callers on our line on Easter.

We welcome Mr. and Mrs. Lorne Ditson of Nottawa to our vicinity They are occupying the farm lately vacated by Mr. Walter Saigeon.

Mr. Will Somers of Fern Glen, accompanied by Messrs. Dalton and Orr Marshall, spent the holidays with the former's parents here.

Mr. Garnet Magee held a very successful sale of farm stock and implements at his home here Friday last. Mr. and Mrs. Magee intend moving from our line to enjoy a well-earned rest. Their son, Gerald, is continuing operations on the farm.

Our last regular Farm Forum meeting was held March 30th at the home of Mr. D. Stephens. A large crowd gathered and did justice to a "pancake supper," the maple syrup for which was provided by Mr. Stephens and was of A1 quality, as also were the pancakes. A somewhat lengthy but homorous program kept those attending into the wee sma' hours reaching home. A vote of thanks was tendered the secretary, Mr. Kendal Hawkins, who has been untiring in his efforts on behalf of the Forum. Those present were unanimous in reporting the broadcasts and meetings of much benefit to all concerned. Mr. and Mrs. Arnold Hutchinson were welcome visitors, and the former acted as chairman.

A meeting, sponsored by the Grey County Federation of Agriculture, was held in Feversham on Friday, April 3rd, when the benefits of a Hog Producers' Association were presented but, as is so often the case, the farmers were too busy with their "hands" to give their "heads" a chance, and the result was a very small attendance.

Mr. Albert Bell of Wiseton, Sask., visited with Mr. and Mrs. Fred Hale last week.

At Easter girls like to do their talking through their hates.

Card of Thanks

Mrs. W. J. Blackburn and family wish to express their gratitude to their neighbors and other friends for their many acts of kindness and expressions of sympathy during the illness of their husband and father and in their bereavement.

Card of Thanks

Mrs. Angus Sutherland and family wish to express their sincere thanks for the many acts of kindness and expressions of sympathy, extended by friends and neighbors during the recent illness and death of her husband and their father.

SEND IN THE NEWS

But what is news? Well, it's news if an accident happens, if somebody is seriously ill, a birth, a marriage a death, a visitor from another community, or a visit to another community, an unusual occurance of any kind, a public entertainment—all that is news. But if Bill Jones calls on Sally Smith that is his business and has no news value at present, at least. If you have an item of local interest in your community do not be backward about sending or phoning it in to The Advance.

HELP THE MAN IN UNIFORM

You can help the man in uniform, merely by saving regularly. Because when you save you increase the flow of labour and material from civilian to war production.

And when you lend accumulated savings to the country in War Savings Certificates and war loans, you help Canada supply to our fighting men the arms and equipment they need. Seize this patriotic opportunity!

Pull your full weight! Start saving *NOW!*

To Save is Practical Patriotism

THE CHARTERED BANKS OF CANADA

Local and Personal

RAWLEIGH'S

The W. T. Rawleigh Co. have notified all dealers in Canada that orders for Fly Spray, Cattle Spray and Disinfectant shall be out of the factory by June 1st. As you know, the government has forbidden the use of cans. Steelbarrels are also unobtainable. After present stocks are sold out there is likely to be no more.

If you are a user and wish to get your supply, order right away. Do not put it off a day. Your Rawleigh dealer cannot be blamed if there is none for you, unless you order now. Remember, if you wait until the flies come, you may be too late. This is wartime and the needs of the army come first.

If you will give me your order now, I will guarantee delivery. If I do not get your order, I will not stock up for you. You must decide right away if you are going to use spray! And if you are, how many gallons you will need. Then phone or write to your Rawleigh Dealer at once. Make sure of yours!

1 Gal. cans Cattle Spray $2.00
1 Gal cans Fly Spray $2.25
½ Gal. can Disinfectant $1.25

3100 Families in three townships expect the Rawleigh dealer to supply their needs, so please realize that this is your warning, that war has started to affect you.
