JONAS WHITCOMB'S REMEDY FOR ASTHMA is worthy the attention of all who suffer from this distressing complaint. The success which has attended its use has induced the proprietors to publish some account of its wonderful properties, and to offer it for the benefit of those afflicted with Asthma.

The late JONAS WHITCOMB, of Boston, so well known and so universally esteemed for his sterling integrity and generous disposition, visited Europe a few years since for the benefit of his health, which was much impaired by frequent attacks of Spasmodic Asthma.

While in Germany, an eminent physician who became interested in his case, promised him relief. He followed the treatment ordered, and to his surprise and joy his asthma almost instantly disappeared. He procured the recipe which had accomplished so much for him, brought it to this country, and it became the property of the present proprietors. Within the past two years this remedy has been used in upwards of one thousand of the worst cases in Boston and its immediate vicinity, with astonished and uniform success, and it is now offered to the public with full confidence in its merits. It contains no poisonous or injurious properties whatever, and an infant may take it with perfect safety.

ASTHMA.—A distinguished Barrister-at-Law writes from Augusta, Maine, as follows:

'When I commenced taking Jonas Whitcomb's Remedy for Asthma, I had been affected with that disease, nearly twenty years. It is of the Spasmodic kind; in a bad attack, I have frequently sat up sixteen nights in succession. Soon after taking the remedy, I found an unaccustomed relief; my health and strength began to improve; I have gained twenty pounds in weight, and have, comparatively, no Asthma. It seems to me that the very foundation of my disease is broken up, and that it will soon entirely leave me.

The medicine referred to above, is prepared by Joseph Burnett & Co., Boston, and is for sale by all the principal Druggists in the United States and Canada.

For sale by E. H. Parker, Dr. Skinner, and G. F. LaSerre, Kingston, and wholesaled by Lymans, Savage & Co., Montreal. 1y6

HAIR RESTORATIVE.—The demand for this unrivaled preparation for the hair and skin is beyond the possibility of a doubt, and its sale is greater than any other Hair Restorative that has ever been before the public. Tens of thousands of persons who were bald and gray, and others whose faces were covered with unsightly blotches, and pimples, are now, with their own glossy hair, and with faces comely and fair to look upon, seen daily promenading the streets of the principal cities of the Union, and by their influence spreading the fame of Wood's Hair Restorative throughout the civilized world. But the trial of one bottle is more convincing than all we could say in a whole Newspaper column.

It does not dye but gives life, health, and beauty to the decaying, falling, and dead, restoring as if by magic, that which was supposed to be irrecoverably lost. Heads nearly bald and others nearly white, are daily being changed to their pristine beauty, and faces covered with pimples are rendered as smooth as an infant's, and blushing as a rose, all by the use of Pro. Wood's Hair Restorative.—St. Louis Commercial List.

BLOOD FOOD

Dr. Bronson, having been so far reduced by consumption, as to be considered beyond all hope of recovery by the most eminent of the medical profession, and also by himself—a regular physician of twenty years practice—as a last resort, conceived the idea of ANALYZING THE BLOOD, and applying the subject of physiology to the immediate connection, and effect of the state of the blood upon the health and system. The result has been the production of this "BLOOD FOOD," from the use of which Dr. Bronson was restored to perfect health. Within six months after its introduction, over two thousand consumptives were effectually cured by it. If you have any complaints of a consumptive tendency, Cough, Cold, Head-ache, Palpitation of the Heart, Loss of appetite, or pain in the side, lose no time in procuring a bottle of the "BLOOD FOOD."—If you are suffering from Nervous Debility, or your sleep is broken and disturbed, if your spirits are depressed or your Organs relaxed, you will find in this an unfailing remedy, by commencing with ten drops. If your Liver is torpid or diseased in any manner whatever, one or two bottles will be sure to invigorate, and bring it into lively and healthful action. In the most inveterate cases of Dyspepsia, the patient can here find the most efficient and grateful relief. A benefit is always experienced after taking one bottle. In Male or Female Complaints and Weakness, the sufferer, after trying other remedies in vain, may rest assured, that a certain cure will result from the use of two or three bottles. The 'BLOOD FOOD' is effectual in all cases of Eruptions, Salt Rheum, Scrofulas and other like complaints. Pale and emaciated children and adults are immediately benefited by its use. It gives strength to the body and color and beauty to the skin.—Physicians of all schools are using it with wonderful success.

which greatly facilitates the process of teething, softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and

IS SURE TO REGULATE THE BOWELS.

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—never has it failed, in a single instance, to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND COLIC,

and overcome convulsions, which if not speedily relieved end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices of others, stand between your suffering child and the relief that will be SURE—yes, AS SOLUTELY SURE—to follow the use of this medicine, if timely used. A BLOODLESS VICTORY!!

1,000,000 Boxes sold of
MOREHEAD'S

Magnetic Plaster.

THIS enormous quantity of this invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.

The MAGNETIC PLASTER is undoubtedly the Greatest Strengthener and Pain Destroyer that Science has yet discovered. If you put this Plaster anywhere, if Pain is there, the Plaster will stick there until the Pain has vanished. The Plaster magnetizes the Pain away, and

PAIN CANNOT EXIST
WHERE THE
PLASTER IS APPLIED.

Rheumatism, Lameness, Stiffness, Weakness, Debility, Nervousness, Neuralgia, Dyspepsia, Coughs and Colds, Pains and Aches of every kind are IMMEDIATELY RELIEVED, and with a little patience, PERMANENTLY CURED, by the magical influence of the MAGNETIC PLASTER. It is the simplest, surest, safest, pleasantest and cheapest remedy in existence. Its application is universal—equally to the strong man, the delicate woman, and the feeble infant. Its use is agreeable, and without annoyance or trouble. Its price is within reach of all—rich or poor; all may have it, and all should have it who are sick and suffering in any way.

FARMERS and PLANTERS should always be supplied with the MAGNETIC PLASTER. It will be the Good Physician in any household, ready at all times and at instant notice.

Put up in air-tight tin boxes. Each box will make six or eight plasters, and any child can spread them. Price, 25 cents a box, with full and plain directions.

IMPORTANT TO CONSUMPTIVES

DR. CHURCHILL'S DISCOVERY

Winchester's Genuine Preparation of Dr. J. F. Churchill's Compound of the

HYPOPHOSPHITES

OF LIME, SODA AND POTASH,

As Discovered and Prescribed by him, as a Specific for

CONSUMPTION.

This great Remedy is a discovery of Chemical Science, founded upon the Hypothesis that the proximate cause of Consumption is the deficiency or undue waste of the oxydizable phosphorus normally existing in the economy; and that, therefore, the specific Remedy for the disease, consists in restoring the deficient element by the use of such a preparation of Phosphorus as unites the two conditions of being in a state that it may be directly assimilated, and at the same time, at the lowest degree of oxydation. The HYPOPHOSPHITES OF LIME, SODA AND POTASH present these conditions, in the most complete manner, being perfectly soluble and nearly as oxydizable as Phosphorus itself.

The Hypophosphites exert an important influence directly on the nervous system, of a tonic character, increasing the principle which constitutes nervous force, and are the most powerful blood-generating agents known. They are therefore invaluable in all forms of Nervous or General Debility, Asthma, Bronchitis, Dyspepsia, and Loss of Vital Energy from whatever cause. Ladies suffering from Complaints peculiar to their sex, will find this remedy act with charming effect, from its vitalizing and renovating power.

☞ Caution to the Public. ☜

Various preparations are already in the market, purporting to be based on Dr. Churchill's discovery, against which we solemnly caution both the profession and the public. No arts will be spared by unscrupulous and dishonest parties to impose upon the unwary.

☞ Beware of them all, if you would not be poisoned by deleterious stuff. Read the following:

TESTIMONY OF DR. CHILTON:

'I have carefully analyzed samples of the Hypophosphites of Lime, Soda, and Potash, from which Mr. J. Winchester manufactures Dr. Churchill's Compound Solution of the Hypophosphites, and find them to be properly made and chemically pure. Having had many opportunities of testing the uniform purity of the articles which he uses in compounding this new Remedy for Consumption, and having a personal knowledge of his honesty and integrity, I feel that I can assure the Profession and the Public, that this Preparation of the Hypophosphites can be relied on.

'JAMES R. CHILTON, M. D., Chemist.
'New York, Feb. 8, 1859.

In addition to this unimpeachable evidence, I call the attention of the Public to the more important and conclusive

TESTIMONY OF DR. CHURCHILL:

'To be used with effect, the Hypophosphites must be perfectly pure; otherwise they may, in some cases, appear altogether inert, or even injurious. In five cases out of six, the Salts usually sold as pure in Paris, under the name of Hypophosphites, are totally unfit for Medical use.

DR. CHURCHILL'S WORK ON CONSUMPTION

has been received from Paris, and will be published with all possible dispatch. I have also an original letter from Dr. Churchill, in reputation of his Discovery, which, with Circular, and other valuable information, will be sent to all sufferers throughout the Union, whose address may be forwarded to me.

I have permission to refer to many gentlemen of high standing in this City,—among others, to Horace Greeley, Esq., Editor of the N. Y. Tribune, who has known the Intimately for the last twenty-six years; also, Hon. H. J. Raymond, Editor of the N. Y. Times.

Price $2; three bottles for $5, with ample directions. Single bottles, in concentrated solution, sent by mail, when specially ordered. Each bottle of Winchester's Genuine Preparation of the Hypophosphites has his fac simile signature. The trade supplied upon the lowest terms for cash.
