A Farm Forum meeting was held at the school, No. 5, on Monday evening, April 27th, when Mr. T. S. Cooper of Markdale was present and gave an interesting talk on "Adult Education," pointing out the fact that our Farm Forum is a splendid type of this. Mr. Cooper disclosed some very interesting and alarming facts, which every farmer should know and think about. He is a real friend of the "Farmer" and labors early and late in his behalf. Let us appreciate his efforts. Miss Dolly Ottewell was appointed "convenor" to assist the secretary with future meetings.

Tokyo now boasts that she, and not Berlin, will dictate the peace; how does the yonug and virile Nordic race like being brushed aside as a has-been by its Aryan brothers?

BUY THE RIGHT KIND OF PAINT FOR THE JOB

....and help to conserve paint for war uses

This Spring hundreds of thousands of gallons of paint are needed for war purposes. But there will be enough paint for home painting, if everyone buys intelligently and avoids waste. For example, exterior paint is not the best choice for inside work; interior paint is not designed for use on exterior surfaces. *Consult us before you start to paint.* We can help you to save material, save labor — and save money.

● USE Flo-glaze PAINT

for all *exterior* Wood and Metal surfaces. It's the original self-levelling paint that "leaves no brush marks." Covers more surface per gallon. Will give five to six years of satisfactory service. Saves frequent re-paintings. Your choice of 16 Colors.

● USE Flo-glaze INTERIOR GLOSS PAINT

for Walls, Ceilings and Woodwork in kitchens, bathrooms, recreation rooms. Brushes on easily. Washable, high gloss finish. Colors: Cream, Ivory, Buff, Sea-Water Green, Twilight Blue, Dawn Gray, also White.

● USE Flo-glaze FOUR HOUR ENAMEL

for Woodwork, Floors, Furniture, Bicycles, etc. Famous for its smooth, china-like gloss. Fast drying. May be washed repeatedly. A few of the modern Colors are: Ivory, Carnation Pink, Wedgwood Blue, Jade Green, Buttercup Yellow, Tile Red.

● USE Flo-glaze VELVET

for artistic interior decoration of Walls and Ceilings in bedrooms, living-rooms, dining rooms and halls. An *oil paint*, hence washes perfectly. Soft tone, eggshell finish. Colors: Cream, Ivory, Indian Ivory, Buff, Forget-Me-Not Blue, Pale Green, Shell Pink, Sunshine Yellow, also White.
