American and Foreign STEREOSCOPIC EMPORIUM.
E. ANTHONY, 308 BROADWAY, NEW-YORK.
After May 1st, 1860, at 501 Broadway, two doors from the St. Nicholas Hotel.
The Stereoscope is the most instructive, interesting, entertaining, amusing, and exciting of modern inventions.
None are too young, none too old, none too intelligent, none too uneducated, to acknowledge its worth and beauty.
No home is complete without it, and it must and will penetrate everywhere.
It presents to your view every part of the world, in all the relief, boldness, perspective, and sharpness of detail, as if you were on the spot.
Photographers are everywhere exploring Europe, Asia, Africa, America, in search of the grand and the beautiful, and the results of their skill are constantly enriching our stock.
We have an immense variety of paper Views of Scenes in Paris, London, England, Scotland, Ireland, Wales, France, Belgium, Holland, Switzerland, Spain, The Rhine, Versailles, St. Cloud, Fontainebleau, Tuilleries, Italy, Turkey, Egypt, Athens, the Holy Land, China, India, Crystal Palace, also Groups Historical, amusing, marriage scenes, breakfast scenes, picnics, statuary, &c., &c. An exquisite assortment of Illuminated Interiors of Palaces, Churches, and Cathedrals of France, Italy, &c., &c. The effect of these illuminated views is most remarkable.
Every gentleman of wealth and refined taste should have in his drawing-room some of our exquisite views on glass, with a revolving stereoscope, showing 12, 25, 50 or 100 scenes. Nothing can be more fascinating, and one can offer no greater treat to a friend fond of the picturesque and the beautiful.
Anthony's Instantaneous Stereoscope Views are the latest Photographic wonder. They are taken in the fortieth part of a second, and everything, no matter how rapidly it may be moving, is depicted as sharply and distinctly as if it had been perfectly at rest. This gives an additional value, for to the beauties of inanimate nature it adds the charm of life and motion. The process is a discovery of our own, and being unknown in Europe, we receive from London and Paris large orders for Anthony's Instantaneous Views of American life and scenery.
Among other things we have just published Stereoscopic Illustrations of the Scene of the Fulton Street Prayer Meetings, in which many hearts feel an interest. The particulars of this will be found in our catalogue.
Our Catalogue of Subjects and prices will be forwarded to any address on receipt of a stamp.
Parties at a distance sending us $5, $8, $10, $15, $20, or $25 can have a good instrument and such pictures as they may request, sent by Express.
Views alone (without instrument) can be sent by mail.
Parties who wish to be advised of everything really valuable in the line that comes out, may send us their names to place on record, and we will keep them posted at our own expense.
Men of leisure will find Photography a most fascinating and delightful amusement. We are prepared to fit out amateurs with everything necessary for their success, together with instructions "How to take Stereoscopic Pictures."
E. ANTHONY,
Importer and Manufacturer of Photographic Materials, Stereoscopes and Stereoscopic Views.
☞ Merchants from every section of the country are respectfully invited to make an examination of our stock, as our discount to the trade will be liberal.
TO PHOTOGRAPHERS.—First-class stereoscopic Negatives wanted.
Sent by mail a print unmounted, with price of Negative.
Cut this out for future reference. 4m*

THE GREATEST
MEDICAL DISCOVERY OF THE AGE.
MR. Kennedy, of Buxbury, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst scrofula down to a common pimple. He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates, of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will cure the system of boils.
Two bottles are warranted to cure the worst kind of canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst kind of erysipelas.
One to three bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two to three bottles are warranted to cure the worst kind of ringworm.
Two to three bottles are warranted to cure the most desperate case of Rheumatism.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
ROXBURY, MASS.
DEAR MADAM,—The reputation of the Medical Discovery is earning all kind of humors, is so well established by the unanimous voice of all who have ever used it, and I need not say anything of the subject, as the most skillful physicians and the most careful druggists in the country are unanimous in its praise.
In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. The most excruciating disease to an affectionate mother,
NURSING SORE MOUTH,
is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and quiet slumbers; and the Medical Discovery becomes a fountain of blessing to your husband and household.
In the more advanced stages of
CANKER,
it extends to the stomach, causing
DYSPEPSIA;
which is nothing but canker on the stomach; then to the intestines and
KIDNEYS,
creating a sinking, gone feeling, and an indifference even to the cares of your family.
Your stomach is
RAW AND INFLAMED,
your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best days are gone. For want of nourishment your system becomes loose and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to
CURE.
Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the
PILES.
How many thousands of poor women are suffering from this disease, and pining away a miserable life, and their next door neighbor does not know what is the cause. I wish to impress on your mind that good old proverb. "An ounce of prevention is better than a pound of cure." In the
MEDICAL DISCOVERY
you have both the preventative and the cure, with this great and good quality, that it will never, under any circumstances, do you any injury.
No change of diet ever necessary—eat the best you can get and enough of it.
DIRECTIONS FOR USE—Adults one table spoonful per day—Children over ten years desert spoonful—Children from five to eight years, teaspoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
Yours truly,
DONALD KENNEDY.
Price $1:00 per bottle. For sale by every Druggist in the British Province.

ONLY $75
FOR ONE OF
SINGER'S CELEBRATED SEWING MACHINES
Warranted to be the same in every respect as those sold by I. M. SINGER & Co., in the States, for $110.
THIS price includes an Iron Stand such as Singer sells for $10. I have made an improvement on Singer's large-size Machine, by which Patent Leather can be stitched without oil. Shoemakers had a great objection to use these Machines before, owing to the oil continually working off the leather on the lastings and cloths of ladies' gaiters. The necessity of applying oil to patent leather is entirely obviated by this new improvement.
These machines are well adapted for family and manufacturing purposes, and in point of utility, durability and cheapness, surpass any of the kind ever offered for sale in Canada.
I have received numerous testimonials from Boot and Shoe makers, tailors, dressmakers, and private families, who are using my Machines; all unite in recommending them for general use.

W. M'Master, Esq. William Henderson, Esq.
BANKERS:—Bank of Montreal.
SOLICITORS:—Messrs. Ross, Crawford and Crombie.
This Branch was only opened last January, and now has an income of
$75,000!
Which is retained in this country.
The increase of business in England is unprecedented, as shown by the Parliamentary returns, and the following taken from the last September Report:
"It will thus be seen that the total amount of business done during the last nine months of the Company's operations has been TWENTY-TWO THOUSAND NINE HUNDRED AND ONE NEW POLICIES, producing an additional annual income of
$150,000
Representing Property insured to the extent of
THIRTY MILLION DOLLARS!"
The Report further says, that "the Directors congratulate the Shareholders on this satisfactory increase in the business of the Company, and they have every reason to believe that from the connection now formed it will continue to increase in the same ratio."
The Capital of the Company is devoted entirely to Fire Liabilities, having no reserve for a Life Branch.
All losses in Canada are submitted to the gentlemen composing the Board who examine the particulars, and if found satisfactory at once order the payment of the claim. This system has called forth numerous cards of thanks.
If differences should arise between claimants and the Company, the Manager is fully empowered to accept service of any process in law.

The Only Preparation
THAT HAS
STOOD THE TEST OF YEARS, AND GROWS MORE AND MORE POPULAR EVERY DAY!
And testimonials, new, and almost without number, might be given from ladies and gentlemen in all grades of society, whose united testimony none could resist, that Prof. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty.
Battle Creek, Mich. Dec. 21st, 1858.
PROF. WOOD: Thee will please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain staff for caps, neither have I been able to do them up, in consequence of which my head had suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative about the first of August last. I have faithfully followed the directions, and the bald spot is now covered with hair thick and black, though short. It is also coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to persevere in its use, and being destitute of means to purchase any more, I would ask thee if thee wouldst not be willing to send me an order on thine agents for a bottle, and receive to thyself the scripture declaration—the reward is to those that are kind to the widow and the fatherless.
Thy friend, SUSANAH KIRBY.
Lignelier Noble Co., Indiana, Feb 5, 1859.
PROF. O. J. WOOD: Dear Sir:—In the latter part of the year 1852, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and part of my head shortly after became grey, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognise me at all.
I at once made application to the most skillful physicians in the country, but receiving no assurance from them that my hair could again be restored, I was forced to become reconciled to my fate, until, fortunately in the latter pat of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars' worth of your Restorative, and as a result have a rich coat of very soft black hair, which no money can buy.
As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances, who, I am happy to inform you, are using it with like effect. Very respectfully, yours,
A. M. LATTA,
Attorney and Counsellor at Law.
Depot, 444 Broadway, and sold by all dealers throughout the world.
The Restorative is put up in bottles of 3 sizes, viz: large, medium and small; the small holds half a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent more in proportion than the small, retails for two dollars a bottle; the large holds a quart, 40 per cent more in proportion, and retails for $3 a bottle.

THE MEDICINAL PROPERTIES OF BRYAN'S PULMONIC WAFERS are contained in the least objectionable form that medicine can be administered. They are pleasant to the taste, and effectual in all cases of Coughs, Colds, Bronchitis, Sore Throat, Asthma, Sore Chest. A single trial will convince the most incredulous that relief can be obtained in TEN MINUTES with this invaluable remedy. The inventor, aware that it is the fate of all preparations put up for public use, to be indiscriminately condemned by many, either from selfish motives, or a desire to disguise uncommon skill, without claiming to vying of their composition or medicinal virtues, and notwithstanding however urgent such decisions may be, or whatever weight they may have, yet he confidently believes that this medicine prepared with the greatest caution, and of the best and most suitable ingredients, will be found to relieve the afflicted, and to effect a cure in many cases where other remedies have failed, and he has no hesitation in warranting a cure or refund the cost.
