HOLLOWAY'S PILLS.—OVERFLOW OF BILE.—A constitutional predisposition, to billious disorders is very common in this country. We find that in a large proportion of the ordinary cases of cough, cold, intermittent fever, influenza, etc., the liver sympathizes violently with the pulmonary organs. Acting directly and simultaneously upon both, the Pills soon bring them back to a natural and healthy condition. The impurities of the system are discharged through the bowels, the organs of respiration are relieved by the operation of this great counter-irritant upon the fevered blood, and the functions of the liver are regulated and restrained. Thus the primary and subsidiary causes of the complaint are reached and subdued at the same time. 14

BLOOD FOOD

Dr. Bronson, having been so far reduced by consumption, as to be considered beyond all hope of recovery by the most eminent of the medical profession, and also by himself—a regular physician of twenty years practice—as a last resort, conceived the idea of ANALYZING THE BLOOD, and applying the subject of physiology to the immediate connection, and effect of the state of the blood upon the health and system. The result has been the production of this "BLOOD FOOD," from the use of which Dr. Bronson was restored to perfect health. Within six months after its introduction, over two thousand consumptives were effectually cured by it. If you have any complaints of a consumptive tendency, Cough, Cold, Head-ache, Palpitation of the Heart, Loss of appetite, or pain in the side, loss no time in procuring a bottle of the "BLOOD FOOD."—If you are suffering from Nervous Debility, or your sleep is broken and disturbed, if your Spirits are depressed or your Organs relaxed, you will find in this an unfailing remedy, by commencing with ten drops. If your Liver is torpid or diseased in any manner whatever, one or two bottles will be sure to invigorate, and bring it into lively and healthful action. In the most inveterate cases of Dyspepsia, the patient can here find the most efficient and grateful relief. A benefit is always experienced after taking one bottle. In Male or Female Complaints and Weakness, the sufferer, after trying other remedies in vain, may rest assured, that a certain cure will result from the use of two or three bottles. The 'BLOOD FOOD' is effectual in all cases of Eruptions, Salt Rheum Scrofulas and other like complaints. Pale and emaciated children and adults are immediately benefited by its use. It gives strength to the body and color and beauty to the skin.—Physicians of all schools are using it with wonderful success.

For full directions, see circulars. Price $1 per bottle.

Dr. Bronson's Female Pills are unfailing in all cases, the directions wrapped around each bottle, must be strictly followed. Price 25 cents per bottle.
