
W.A.A.F. Girls in Britain Take Over Barrage Balloons

Members of the W.A.A.F. in Britain are training to take over the important job of manning barrage balloons, thus freeing men for more active service.

W.A.A.F. trainees bringing balloons back to the hangars.

WE BUY POULTRY

MARKET YOUR POULTRY IN AN ORDERLY MANNER

Spread your marketing over a period of months for the purpose of avoiding overloaded markets.

Higher prices prevail during the summer months and early fall.

Cull your laying flock frequently, there is no advantage in feeding non-layers.

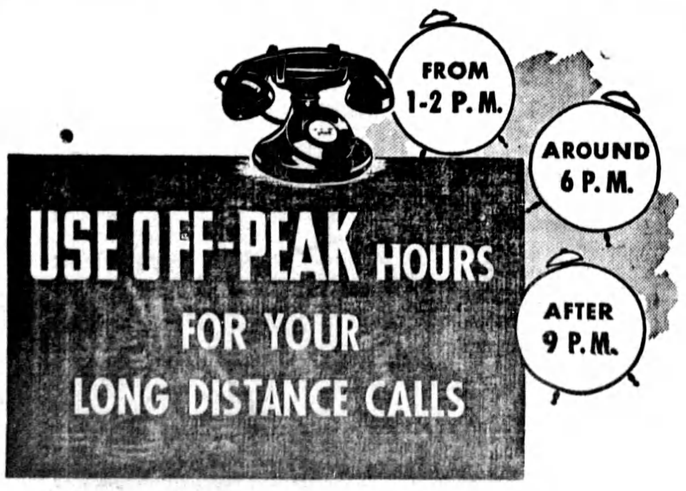
Highest Prices are paid for Grade A milk-fed quality. Birds should be crate or pen fattened two weeks before marketing. They should be fed three times a day, as much as they will clean up in 20 minutes.

Please bring in fowl before 6 o'clock on Saturday nights.

Flesherton Creamery & Produce Co.

Phone 66 **Angus Avis, Manager**

The Chesley Enterprise notes that the Goderich Signal-Star says in its editorial colums: "The Chesley Enterprise tells of a young man of that town, (Louis Swinghammer). who was born twenty years ago in Germany, came to Canada with his parents when five years of age enlisted in the Canadian forces shortly after war broke out, and is now overseas. There are many men of German name and German descent fighting for Canada, but most of them belong to the second, third or even fourth generation in this country. There may be a good many right in Germany who would fight Hitler and the Nazis if they had a chance.



Clear telephone lines for
ALL-OUT PRODUCTION

Your telephone is part of a vast *interlocking* system now carrying an abnormal wartime load. Don't let needless delays hold up messages on which production efficiency may depend.

OTHER "WARTIME TELEPHONE TACTICS"

1. BE SURE you have the right number... consult the directory.
2. SPEAK distinctly, directly into the mouthpiece.
3. ANSWER promptly when the bell rings.
4. BE BRIEF. Clear your line for the next call.

These things may look trifling, but on 6,500,000 daily telephone calls, they are very important.

On Active Service *Giving Wings to Words*

8TH LINE OSPREY

At the Farm Forum meeting in the home of Mrs. S. R. Hawkins last week a committee was appointed to inquire into the advisability of establishing a "Municipal Doctor System" with Mr. D. Stephens as chairman of the committee. We hope to report some action, soon.

Mr. and Mrs. Will Lawler and son, Clifford, of London have been visiting with Mr. and Mrs. Geo. Lawler. Will's boyhood home was on the 8th line and his many friends here are always glad to have him call.

Mr. and Mrs. P. J. Somers accompanied by Mr. and Mrs. Harry Graham of Orton, spent Sunday at the "Martyr's Shrine," near Midland. This historic spot, the site of the old Fort St. Marie draws pilgrims from far and near. The present work of excavation among the ruins of the ancient fort is bringing to earth very many interesting mementos of the activities which took place there, three hundred years ago, when the French Jesuit Missionaries died as martyrs, at the hands of the Iroquois Indians.

A party in honor of Mr. and Mrs. Jim Kerton (recent groom and bride) was held on Wednesday evening last week at the home of Mr. and Mrs. Harold Fenwick, when the young couple were the recipients of a well filled purse.

Calf Has Two Tails

All sorts of freaks have been reported in the columns of The Sun during the past few years but one that was drawn to our attention last week deserves special mention—it is a calf with two tails, at the home of Mr. and Mrs. John Jacobs, just west of Milverton. This particular calf was born on the Jacobs' farm about a month ago—it ic a fine Durham heifer calf and in addition to the regular fly-swatter at the rear it has a second tail growing from the top of the neck. As yet it does not seem to have a great deal of strength in this second tail to swish around and chase away flies or other insects but this may develop later.—Milverton Sun.

Beef Price Lowered

The price of beef in Bruce and four other counties in Ontario, was lowered by one cent a pound last week by order of the Wartime Prices and Trade Board. The Order came into effect in Tara on Tuesday of last week. This is the second reduction in a month in an effort to have beef prices regulated in western Ontario counties. The Wartime Prices and Trade Board pointed out that the saving is to be passed on to the consumer. A complete survey of meat markets in this district is being conducted to see that this consumer protection is given. The Board points out that retailers must not make a greater percentage of profit on an entire carcass than they made in the basic period from September 15 to October 11 last year.

Holdfast Club Meeting

On August 11th the Holdfast Club met at the home of Mrs. Emerson Wickens, with a good attendance. After the opening of the meeting and the conduct of the regular business, Mr. T. S. Cooper of Markdale gave a very interesting talk on different subjects. A discussion took place and several questions were answered, after which Mrs. Beaton moved a vote of thanks to Mr. Cooper. The meeting closed by singing the National Anthem, after which a social time was enjoyed. The next meeting will be held at the home of Mrs. Wm. Hincks on Sept. 9.

Flesherton United Church

Rev. K. G. McMillan, Pastor

AVOID PANIC

Clear, cool thinking is a great asset to all human beings. It is particularly valuable to the people of the United Nations at the present time. Hitler's tactics are all designed to create panic in the minds of his enemies. If he can cause fear, doubt, suspicion, with its resultant indecision and lack of courage and determination in the minds of the Allies, victory for him would be easy. It is this panic that we are warned to avoid. Clear. straight thinking will produce a composed and confident mind, which in turn, will encourage the best efforts in the war program.

The boxers in the ring are always the principals, but it's tne referee who counts.

Notice of Posting
