Dr. J. P. Ottewell Dies In 87th Year

After an extended illness Dr. Joseph Philip Ottewell passed away at his home in Flesherton on Saturday afternoon, September 5th, in his 87th year. He had been in failing health for the past couple of years, but was only bedfast for the past few weeks.

The late Dr. Ottewell was born at Glasgow, Uxbridge township, on May 1st, 1856, a son of the late Samuel Ottewell, who had emigrated to Canada from Lincolnshire, England, He came to Osprey township with his parents when a boy, his father taking up farming and acting as a veterinarian in that district. He attended school in Osprey and decided to take up the profession of a veterinary. He attended the Ontario Veterinary College in 1880 for one year and was forced by circumstances to again farm to raise money for his second term. This he did and in 1888 graduated from the College. He was married on December 31st, 1884, to Miss Sarah Stafford and moved to Fesherton in January, 1889, where he practised his profession for fifty years. He was widely known throughout this entire side of Grey County, his work taking him many miles away.

Besides his sorrowing wife he leaves two sons, Charles, of Montreal and Edward at home, besides a nephew, James Stafford, who made his home with Dr. and Mrs. Ottewell and was as a son. He also leaves one sister, (Alice) Mrs. Ben Heslip of Toronto.

Dr. Ottewell was a member of Prince Arthur Lodge No. 333, A.F.& A.M., and was Master of the Lodge in the years 1911-12. He always took great interest in Masonry and attended regularly while his health permitted.

The funeral took place on Monday afternoon, with service in the Baptist church at 2.00 o'clock. Mr. F. B. Keys, the pastor, taking the service. Interment was made in Flesherton Cemetery, where the Masonic Order conducted their burial service.

The pallbearers were Past Masters of Prince Arthur Lodg C. N. Richardson, F. J. Thurston, Dr. J. E. Milne, H. A. McCauley, A. Down, C. J. Bellamy, J. S. McDermid and F. H. W. Hickling.

Among the beautiful floral tributes were the beautiful Masonic emblem and a wreath from the neighbors.

Those from a distance who attended the funeral were: Miss Olive Ottewell, Mr. R. P. Ottewell, Mr. and Mrs. Clark, Mrs. Bicknell, all of Toronto, and Mr. and Mrs. Mervin Wright of Thornhill.

Installing Pipe Line

One of the two lines of pipe in the Eugenia Hydro development has been in bad condition for some time and needed repairing. The Commission decided that a new pipe line was needed. Trucks are now busy hauling the creosoted timber used in building the line and machinery is being taken to the scene to facilitate the speed of the work. A number of men will be employed on the project, which will take a considerable time to complete.

Read The Advis

There are a number of advertisements in this issue of The Advance in relation to existing regulations passed by the War Time Prices and Trades Board, and the Dominion government and are of national importance. Every reader is urged to read them carefully so as to keep in touch with regulations which have been put in force. The subjects include income tax as it affects salary and wage earners, the national registration of women, it is now illegal to hoard unusable machinery, and government insurance in case of war damage to property. These subjects are important and everybody should read them.

An out-of-town farmer paid a $10 fine and costs for peddling fruit in Mt. Forest not grown by himself.

Fishing in the waters of the Nottawasaga River not four miles from Alliston, Mr. W. S. Smith caught a rainbow trout weighing 2 pounds 14 ounces and 21½ inches in length.

Osprey Resident Died Of Injuries

Critically injured by a fall from the roof of his house, Mr. James Nelson Sayres of Osprey Township passed away on Saturday morning, less than a day following the accident. Mr. Sayres was working on the roof of his home when he slipped and slid down the incline and fell a distance of about twelve feet. He fell across a creepie, used for shingling, his head hitting on the pump platform, causing a fractured skull. He also had several ribs broken, the ends of which penetrated his lungs. The accident cast a gloom over the community, as he was well and favorably known by a wide circle of friends.

The late Mr. Sayres was in his 73rd year and was born in Erin township, coming to Osprey township when about eight years old with his parents, the late Mr. and Mrs. Nelson Sayres. There he grew to manhood and on May 24th, 1892, he was married to Martha Anne Moore. They settled on the farm on which he had been residing and commenced to make a home on land on which all the bush had to be removed, real pioneering in that section. Besides his sorrowing wife he leaves two daughters and one son, Beatrice (Mrs. Walter Wilson), Rena (Mrs. Earl Poole), both of Osprey and Thornton, near Clarksburg. He also leaves one sister, Mary (Mrs. John Tyson), of Feversham.

The funeral was held on Monday afternoon at his late residence, 14th Concession, Osprey, at 2 o'clock p m., with Rev. C. McNichol taking the service. Interment was made in the Thornbury Cemetery.

The pallbearers were: Messrs. Geo. Miller, Garfield and Stanley Tyson, Arnold Hutchinson, Henry Butcher and Burton Roberts.

Among those who attended the funeral from a distance were: Mr. and Mrs. Fred Lealle, Collingwood; Mr. and Mrs. Grenville Taylor, Grand Valley; Mr. and Mrs. Mark Currie, Thornbury, and Mr. and Mrs. Melville Atkins, Victoria.

MAXWELL W. I. GUESTS AT FLESHERTON W. I. MEETING

The ladies of Maxwell Women's Institute were guests of the Flesherton branch on Wednesday afternoon last at the home of Mrs. Edgar Betts, when over 40 ladies were present. The business hour was presided over by Mrs. Ed. Fisher and the devotional period was conducted by Mrs. Thos. Brady, when Psalm 91 was read. O'Canada was sung and the Lord's Prayer repeated. Roll call was answered by "Some things that make life worth while." It was decided to fill 25 ditty bags for the Navy League. Yarn was ordered for knitted articles and Mrs. E. Fisher, Mrs. Dargavel and Mrs. Black were appointed a committee to purchase other articles for the ditty bags. Mrs. Dargavel reported that the proceeds of the dance for the Navy League amountd to over $84.

A much enjoyed program was given by the Maxwell ladies. A splendid duet was given by Mrs. Meredith and Mrs. F. Seeley, accompanied by Mrs. Edgar; readings by Mrs. E. Hawton and Mrs. Geo. Ross, and a contest conducted by Miss Mabel Ross aroused much merriment. A duet was also given by Mrs. Wallace Hamilton and Mrs. Frank Teeter of Flesherton. The National Anthem brought an interesting meeting to a close.

RED CROSS DONATIONS

The following donations have been received by the Flesherton-Artemesia Branch of the Red Cross during the month of August:

Eugenia unit $10.00, Ruth Blackburn, re quilting collection 50c.

In Memoriam

THOMPSON — In loving memory of a dear wife, daughter and sister, Bernice English, wife of Gordon S. Thompson, who passed away Sept. 8th, 1941.

Just when her life was brightest,
Just when her years were best,
She was called from this world of sorrow
To a home of eternal rest.

—Sadly missed by Husband, Parents, Brothers and Sisters.
Nottawa, Ontario.

Proton Women's Institute

The monthly meeting of the Proton W. I. was held at the Orange Hall on August 27th, with nine members and four visitors present. The president, Mrs. Wes Dever, occupied the chair. The meeting was opened by singing the Ode and the roll call was answered by a useful household hint. Current events, given by Mrs. Herb Corbett, were very interesting.

After the business part of the meeting was disposed of, Margaret Mills favored with a solo and an encore, accompanying herself on her guitar. Mrs. Stanley Lyons gave a couple of readings "Men Get Married Too," and "What Kitchens Are For." Mrs. Herb Corbett gave a well prepared paper on home economics. It was decided to have a quilting at the hall at the September meeting, the fourth Thursday. Any ladies wishing to come and brin their thimble will be welcome. One child's dress, a pair of mittens and an aero cap were handed in. The meeting closed with the Mizpah Benediction.

Skunk Disputed Road Ownership

The little skunk is an animal that fears neither man nor beast, and both man and beast will give him the right-of-way at all times. Mr. and Mrs. W. Kaitting of town and Mr. and Mrs. Ken Kaitting of Collingwood had an experience with a full grown skunk last week which demonstrates definitely that a skunk is no fraidy-cat. They were motoring along a narrow road through a swamp when they saw a large skunk on the road ahead. The car was slowed down but Mr. Skunk came on. The car was stopped and still he came on. It was backed up and the animal did not even then seem to notice the car. By that time it appeared as though the occupants of the car would have to make an early retreat, but Ken decided that the word was not in his vocabulary and quickly left the car and advanced to meet the blood thirsty creature in mortal combat. A good sized stone well and truly aimed caught the skunk in a vital spot on the head and the fight was over. No, dear reader, there was no obnoxious scent commonly attributed to this little animal that makes strong men quail.

STEPHEN—McLEAN

The marriage took place in Carlton Street United Church, Toronto, of Miss Anna Margaret McLean, daughter of Mr Herman B. McLean and the late Mrs. McLean, Priceville, to Private James Lyman Stephen, R.C.O.C., son of Mr. and Mrs. George Stephen, Uxbridge. Rev. F. P. Perry officiated.

The bride wore a suit of brown wool, matching accessories and a corsage of orchids and Talisman roses. She was attended by her sister, Mrs. E. P. Shantz, and the groomsman was Private F. L. Downey, R.C.O.C.

C. HESLIP NEW PRINCIPAL FLESHERTON PUBLIC SCHOOL

District schools opened for the fall term on Tuesday. Mr. C. Heslip of Chalk River is the new principal of Flesherton public school and with his wife arrived Friday. Mr. A. Hutton is teaching at Rock Mills and with his wife (nee Julia Croft) are occupying an apartment in Mrs. Bibby's residence. Flesherton high school will open for the fall term on Monday, Sept. 21st.

The public school attendance in Flesherton is increased this year with five children from the Power House in attendance. Nine pupils are in the beginners' class.

Card of Thanks

Mrs. J. P. Ottewell and family wish to express their appreciation and gratitude for the many acts of kindness expressed in many ways during the illness of Dr. Ottewell and for sympathy extended to them them in their sudden bereavement.

Card of Thanks

Mrs. Jas. N. Sayres and family wish to express their heartfelt appreciation of the many acts of kindness and sympathy extended to them in sudden bereavement.

Crisis Near In Need Of Scrap For War

Half a million tons of scrap iron and steel must be added to the stockpiles throughout Canada before the winter freeze-up, the Department of Munitions and Supply has announced.

"Canada faces a steel crisis which can be solved only by the active cooperation of every farmer, every manufacturer, and every other owner of machinery," said F. B. Kilbourn, Steel Controller. "If our steel mills are to be kept in maximum production all winter, every item of scrap iron and steel must be sold to a collection agent or given to a National Salvage committee within the next few weeks."

The Controller added that a recent order makes it illegal to retain, except by permit, any obsolete machine which is not now serving a useful purpose. Such machines and scrap iron and steel in all other forms, weighing a total of 500 lbs. or more, must be disposed of before September 15, or otherwise must be reported to the Used Goods Administrator of the Wartime Prices and Trades Board, Lumsden Building, Toronto.

"The order does not mean that seasonal machinery which will be used again next year should be scrapped," said Mr. Kilbourn. "On the contrary, it is essential that the fullest use be made of all existing equipment so that new steel need not be used in the manufacture of additional equipment."

The Controller added that the successful outcome of the war hinges on the ability of the United Nations to gather sufficient scrap iron and steel to keep the mills in full operation. "We need the scrap today," he said. Tomorrow may be too late."

TATE — HUDSON

A very pretty wedding took place on the lawn of the bride's home at Feversham on Saturday, Aug. 29th at five o'clock, when Verna Gertrude eldest daughter of Mr. and Mrs. John Hudson, became the bride of Mr Joseph Burgess Tate of Toronto. The Rev. W. Munroe of Fort Wayne, Indiana, cousin of the bride's mother, officiated. He also officiated at the wedding of the bride's parents thirty years ago.

The Mendelssohn Wedding March was played by Phyllis Hudson, sister of the bride. The bride, given in marriage by her father, wore a floor-length gown of frosted sheer over white taffeta, a finger-tip veil, caught with orange blossoms, and carried a bouquet of red roses and bouvardia. Miss Lillian Price was bridesmaid and wore a blue frosted sheer over white taffeta, and a shoulder-length veil to match. She carried a bouquet of peach gladioli. Pte. Lloyd Hudson was best man and Burton Hudson asted as usher, both brothers of the bride. The bride's mother chose navy sheer, with a corsage of pink roses, and Mrs. Davidson, the bride's grandmother, wore black silk with a corsage of red roses. During the signing of the register Miss Phyllis Hudson played "I Love You Truly," accompanied by Mrs. Howard McKee with the violin.

Following the ceremony pictures were taken of the wedding party on the lawn under the arch, which was beautifully decorated with streamers, pink and white phlox and gladioli.

A buffet luncheon was served to about thirty guests. For travelling the bride wore a rust crepe dress with beige coat and rust accessories.

After a short honeymoon at Fenelon Falls, Mr. and Mrs. Tate will reside in Toronto.

MORE PRISONERS PAROLED

Thirty more men have recently received parold from the Ontario Reformatory, Puelph, under the aid to industry scheme. These men have been placed on farms and in war industries. All come under the regular parole supervision while on war jobs. It is expected that additional nen will be released as quickly as jobs can be found for them.

BORN

BUNTING — To Mr. and Mrs. John R. Bunting (nee Estelle Hammond) a son, at the Toronto General Hospital, on Friday, Sept. 4, 1942.
