PROOF POSITIVE.—We read in the good book, 'By the mouth of two or three witnesses every word shall be established;' and indeed this is deemed sufficient by any Court of Justice at the present day. But Kennedy's Medical Discovery has thousands instead of a few isolates individuals to testify to its medicinal and healing properties. We see persons with fair skins who, a few months since, were covered with Scrofulous humors—these whose faces were rough and scaly from Erysipelas, now smooth and rosy—the cripple, whom Rheumatism had bound for years, now throws away his crutches and dances for joy. What has been the cause of this happy change? Kennedy's Medical Discovery. And it will cure any afflicted with humors, no matter how extreme their case may be. 30

THE MEDICINAL PROPERTIES OF BRYAN'S PULMONIC WAFERS are contained in the least objectionable form that medicine can be administered. They are pleasant to the taste, and effectual in all cases of Coughs, Colds, Bronchitis, Sore Throat, Asthma, &c., &c. A single trial will convince the most incredulous that relief can be obtained in TEN MINUTES with this invaluable remedy. The inventor, aware that it is the fate of all preparations put up for public use, to be indiscriminately condemned by many, either from selfish motives, or a desire to discover uncommon skill, without showing anything of their composition or medical virtues, and notwithstanding however unjust such decisions may be, or whatever weight they may have, yet he confidently believes that this medicine prepared with the greatest caution, and of the best and most suitable ingredients, will be found to relieve the afflicted, and to effect a cure in many cases where other remedies have failed, and he has no hesitation in warranting a cure or refund the cost.

The Only Preparation
THAT HAS
STOOD THE TEST OF YEARS,
AND GROWS MORE AND MORE POPULAR EVERY DAY!

And testimonials, new, and almost without number, might be given from ladies and gentlemen in all grades of society, whose united testimony none could resist, that Prof. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty.

Battle Creek, Mich., Dec. 21st, 1858.

PROF. WOOD: Thee will please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head had suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative about the first of August last. I have faithfully followed the directions, and the bald spot is now covered with hair thick and black, though short, it is also coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to persevere in its use, and being destitute of means to purchase any more, I would ask thee if thee wouldst not be willing to send me an order on thine agents for a bottle, and receive to thyself the scripture declaration—the reward is to those that are kind to the widow and the fatherless.'

Thy friend, SUSANAH KIRBY.

Ligonier Noble Co., Indiana, Feb 5, 1859.

PROF. O. J. WOOD: Dear Sir:—In the latter part of the year 1857, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognise me at all.

I at once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair could again be restored, I was forced to become reconciled to my fate, until, fortunately in the latter pat of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars' worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy.

As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances, who, I am happy to inform you, are using it with like effect. Very respectfully, yours,

A. M. LATTA.

Attorney and Counsellor at Law.

Depot, 444 Broadway, and sold by all dealers throughout the world.

The Restorative is put up in bottles of 3 sizes, viz: large, medium and small; the small holds half a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent more in proportion than the small, retails for two dollars a bottle; the large holds a quart, 40 per cent more in proportion, and retails for $3 a bottle.

MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her
SOOTHING SYRUP!
FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflamation—will allay ALL PAIN and spasmodic action, and IS SURE TO REGULATE THE BOWELS.

Depend upon it mothers, it will give rest to yourselves and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction to any one who used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the MOST EXPERIENCED and SKILFUL NURSES in New England, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND COLIC,

and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has used this article, we need say more. Have any of the foregoing causes, your prejudices or your suffering child be CURE—yes, ASTONISH, between the prejudices of others, and the relief that will SOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world. Principal Office, No. 31 Cedar street, New York.

PRACTICAL EXPERIENCE
BETTER THAN
EXPERIMENTAL SCIENCE,
HOLLOWAY'S OINTMENT,
CONSOLATION FOR THE SUFFERING.

Nearly fifty years continual use in every part of the habitable globe, amongst the savage and civilized alike, has proved that simple eruptions, open sores, hard tumors, scrofulous developments of all kinds, abscesses, cancers, old wounds, and, in one word, every species of inflammation and suppuration, whether in the skin, the flesh, the glands, or among the muscles, can be arrested and permanently cured, without danger, by rubbing in, and using as a dressing, this inestimable Ointment.

SCROFULA, ERYSIPELAS, AND SALT RHEUM.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence.

BAD LEGS, OLD SORES, AND ULCERS.

Cases of many years standing, that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful unguent.

ERUPTIONS OF THE SKIN,

Arising from a bad state of the blood or chronic disease, are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

PILES AND FISTULA.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emollient; warm fomentations should precede its application. Its healthy qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Burns,	Chapped Hands,
