MRS. WINSLOW,

An experienced nurse and female physician, has a Soothing Syrup for children teething, which greatly facilitates the operation of teething by softening the gums, reducing all inflammation—will allay all pain, and is sure to regulate the bowels.—Depend upon it, mothers, it will give rest to yourselves, and relief and health to your infants. Perfectly safe in all cases. See advertisement in another column.

☞ Old and young are now indiscriminately using Prof. Wood's Hair Restorative; some as a cosmetic or beautifier of the complexion, some to prevent the hair falling, some as a mere dressing for the hair, and others to make it grow and to change grey hair to its original color; and there is no doubt of its answering all the purposes for which it was designed by its illustrious inventor.

We are utterly averse to incurring editorial responsibility in trifling matters, but as we deem it no trifling matter to have the hair on a man's head (when prematurely falling off,) actually and permanently restored, so neither do we consider it unworthy the editorial profession to recommend a Hair Restorative that will effect this very thing. Wood's celebrated 'Hair Restorative' is the article we have in view, and if the certificates of the most distinguished men in the country are entitled to credence, then is this preparation all that is claimed for it on the part of its proprietor. See extracts from the 'Missouri Republican' in the special notice column of this paper.—(Rahway American.

Scorbutic diseases are the parent stock from which arises a large proportion of the fatal maladies that affect mankind.—They are as it were a species of potato rot in the human constitution, which undermines and corrupts all the sources of its vitality and hastens its decay. They are the germ from which springs, Consumption, Rheumatism, Heart Disease, Liver Complaints and eruptive Diseases which will be recognized as among those most fatal and destructive to the race of man.—So dreadful are its consequences to human life, that it is hardly possible to ever estimate the importance of an actual reliable remedy, that can sweep out this Scrofulous contamination. We know then we shall proclaim welcome news to our readers, of one from such a quarter as will leave little doubt of its efficacy—and still more welcome, when we tell them that it surely does accomplish the end desired. We mean Ayer's Sarsaparilla, and it is certainly worthy the attention of those who are afflicted with Scrofula or Scrofulous complaints.—Register, Albany N. Y. 1m-30

The Great English Remedy.
SIR JAMES CLARKE'S
CELEBRATED FEMALE PILLS

THIS invaluable medicine is unfailing in the cure of all those painful and dangerous diseases incident to the female constitution.

It moderates all excesses and removes all obstructions, from whatever cause, and a speedy cure may be relied on.

TO MARRIED LADIES

it is peculiarly suited. It will, in a short time bring on the monthly period with regularity.

CAUTION.

These Pills should not be taken by females that are pregnant, during the first Three Months, as they are sure to bring on Miscarriage; but at every other time, and in every other case, they are perfectly safe.

In all cases of Nervous and Spinal Affections, Pain in the Back and Limbs, Heaviness, Fatigue on slight exertion, Palpitation of the Heart, Lowness of Spirits, Hysterics, Sick Headache, Whites, and all the painful diseases occasioned by a disordered system, these Pills will effect a cure when all other means have failed.

Full directions in the pamphlet around each package, which should be carefully preserved

A bottle containing 50 pills, and encircled with the Government Stamp of Great Britain, can be sent post free for $1 and 5 postage stamps.

Northrop & Lyman, Newcastle, C.W., General Agents for the Canadas. For sale in Kingston by C. Heath, E. H. Parker, H. Skinner, and G. S. Hobert, agents, and all respectable druggists everywhere. 202-6m

HOLLOWAY'S PILLS.—The sufferings to which delicates females are subjected by ignorant practitioners, and the no less serious evils they endure in consequence of self-neglect, are terrible to contemplate. Let us not then be thought officious or presumptuous if we recommend to them with friendly earnestness this mild but reliable remedy for all functional derangements. For all the debilitating disorders peculiar to the sex, and in every crisis and contingency perilous to the life and health of women, youthful or aged, married or single, this great regulator and renovator of the secretive organs and the nervous system in an immediate cure. 30

PROOF POSITIVE.—We read in the good book, 'By the mouth of two or three witnesses every word shall be established;' and indeed this is deemed sufficient by any Court of Justice at the present day. But Kennedy's Medical Discovery has thousands instead of a few isolated individuals to testify to its medicinal and healing properties. We see persons with fair skins who, a few months since, were covered with Scrofulous humors—those whose faces were rough and scaly from Erysipelas, now smooth and rosy—the cripple, whom Rheumatism had bound for years, now throws away his crutches and dances for joy. What has been the cause of this happy change? Kennedy's Medical Discovery. And it will cure any afflicted with humors, no matter how extreme their case may be. 30

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflamation—will allay ALL PAIN and spasmodic action, and

IS SURE TO REGULATE THE BOWELS.

Depend upon it mothers, it will give rest to yourselves and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND COLIC,

and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices or your suffering child be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

The Only Preparation
THAT HAS
STOOD THE TEST OF YEARS,
AND GROWS MORE AND MORE POPULAR EVERY DAY!

And testimonials, now, and almost without number, might be given from ladies and gentlemen in all grades of society, whose united testimony none could resist, that Prof. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty.

Battle Creek, Mich., Dec. 21st, 1858.

PROF. WOOD: Thee will please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head had suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of
