VANDELEUR

Quite a number from here attended the golden wedding anniversary of Mr. and Mrs. Ed. Baker at Eugenia on Monday afternon, Dec. 14th. Mr. and Mrs. Baker and family were for many years highly respected residents of this community, and their many friends tender their heartiest congratulations and best wishes for many more years of happy wedded life.

Mr. and Mrs. Geo. Kelso and family moved on Friday last to their new home in Hamilton, where Mr. Kelso has had a position for some time. The Kelso family came here from the West and conducted the store for the past four years and made many friends, all of whom wish them health and prosperity in their new home. It makes quite a change in the community without the little store on the corner.

Our teacher, Miss Dawn, and pupils are making big preparations for the Christmas tree entertainment an evening this week.

Mr. Frank Taylor of Ebenezer spent a few days with Mr. and Mrs. F. R. Boland and family.

Want List of Officers

The Advance is anxious to publish the names of newly-elected officers of the various local and district organizations. Here it might be pointed out that it is the duty of the corresponding secretary (or press secretary) to see that these are placed in the publisher's hands. We cannot too strongly urge that the report of the annual meeting, together with names of officers, be reported immediately after the meeting takes place. Please do not wait until Tuesday or Wednesday to place these in the publisher's hands. It is easier to attend to such items immediately afterwards, rather than leaving them for days and, perhaps weeks, which make them only so much stale news. Give the names of newly-elected officers promptly to your home paper.

VICTORIA CORNERS

Mr. and Mrs. Russell Linton spent a few days in Toronto the early part of the week.

Excitement ran high in the neighborhood on Tuesday night of last week, when the newly-weds, Mr. and Mrs. Geo. Moore, were taken by storm, as it were, by the charivari "gang."

Mrs. Wylie Ferris visited this week at the home of Mr. Elwyn Ferris.

Pte. Gordon McAuley, in training at Simcoe, arrived home Friday evening to spend the week end with his parents, Mr. and Mrs. Angus McAuley.

Misses Kaye Bannon and Hilda Blarions, nurses-in-training at the Toronto General Hospital, returned to Toronto Thursday evening, after having spent the past three weeks holidaying at Kaye's parental home.

Mr. and Mrs. Milton Bannon spent a couple of days in Toronto the latter part of the week.

Kingsley Gallagher of Lakeview and Florence Batchelor of Toronto spent the week end at their parental homes.

More of our young people are taking flight to the bright lights, this time to Burlington and the employ of the Hydro. Those included are Leslie Batchelor, Elvin Moore and Earl Talbot.

Friends and neighbors of the community, numbering over one hundred, gathered at the home of Mr. and Mrs. Geo. Moore on Friday evening, to honor them on their recent marriage. During the course of the evening, the young couple were brought forward, when an address was read by Ernie Stinson and the presentation of a congoleum rug, two occasional chairs, a satin cushion and six pieces of cooking utensils in red and white enamel, was made by Jack Bannon, Elwyn Ferris, Rae Jackson, Allan Montgomery and Earl Talbot. The groom responded in his usual pleasing manner. The evening was spent in dancing, cards and social chat.

(Intended for Last Week)

Mrs. Albert Reid and infant daughter returned frm Mrs. Nuhn's nursing home, Flesherton, to the home of the former's parents, Mr. and Mrs. Jas. Linton, before continuing their journey to their home at Brampton.

Mrs. Wm. Talbot went to Toronto on Tuesday to enter Toronto General Hospital, where she will remain for a few days to receive treatments.

Mr. and Mrs. Geo. Moore arrived home Friday night from their wedding trip and will take up residence on the groom's farm, Victoria Corners district.

Mrs. Wm. Ludlow returned to her home here, after spending several days at the home of Jack Batchelor, Bethel.

On Friday night, friends and neighbors gathered at the home of Mr. and Mrs. Chas. Moore to spend a social evening with them, ere they departed to their new home in Toronto. At an appropriate time Mr. and Mrs. Moore were called to the fore and Mrs. Walter Acheson read an address of appreciation of their ever-willing services to the community which they served. The address was signed by Messrs. Russell Acheon, Mervyn White, Milton Bannon and Elmo Stevens. The presentation of two occasional chairs and an end table was made. Mr. Moore, in a few well-chosen words, thanked the friends for the thoughtful gesture. The evening was spent in dancing and cards.

Mr. Chas. Moore spent the week end at his home here. He, in company with Mrs. Moore, left Tuesday evening for their new home, 53 Torrence Ave., Toronto. Our neighborhood regrets losing such valued neighbors and friends, but feel that what is our loss is another's gain. The best wishes of the community go with them to their new home.

Rock Mills Ladies' Aid

Members of the Rock Mills Ladies Aid met at the home of Mrs. Albert Blackburn on Tuesday 8th. Owing to some officers and members being unable to be present for the election of officers, a regular meeting was held with the vice pres. in charge.

After the usual devotional exercises, and roll call, several topics were discussed.

Meeting closed by singing "Work for the night is coming" and prayer. At the January meeting election of offices will take place. All members please attend.

Card of Thanks

We desire to express our sincere thanks and appreciation for the kind assistance rendered in any way and also for the kind expressions of sympathy extended during the illness and passing of our dear father, Mr. Frank Chard.

—Mrs. Albert Wilkinson and Family

Providence Workers Raise Money For War Work

(By Lady Bank Reporter)

The War Workers of Providence held a social evening at the home of Mr. and Mrs. Willard Benson on Wednesday evening of last week, when $24.10 was raised for their war work. There were many small prizes given on various games, for which every few cents helped fill the pot of silver. Included was a draw for a piglet, donated by Mr. Jas. McKenzie. Mr. Jim Murphy was the lucky winner and he immediately turned it over to the committee and it was then put up for sale. Mr. Jack Graham was the highest bidder and paid $5 for the porker. A pleasant evening was spent and came to a close with the singing of "God Save our King and Country.

The chap who is frightened of stepping on someone's toes should not try to dance.

Mr. Harold Fawcett returned to town on Saturday, after spending the summer at Hamilton and has resumed the mail route to the station taken during the summer by Mr. Alex. McEachnie.
