

# Our Girls Clubs

We are very proud of our Girls Clubs sponsored by our W.I. and we deeply appreciate the work of the leaders who have given so unstintingly of their time and effort to help our girls.

In 1948 Mrs. Russell McKnight and Mrs. J. Huehn were the capable sewing class leaders.

In 1949 Mrs. Norman Dobson and Mrs. George Sylvester conducted the project Bed-Room Ensemble. Eight girls completed this unit. Each girl made a nightgown or a pair of pyjamas for herself. The 3 senior girls made house coats as well. At Achievement Day, held in Lions Head, the girls put on a skit and did some judging and shell hemming. Margaret McIntosh is to be congratulated on winning the coveted trip through Eastern Ontario and Quebec.

In 1950 the course "Clothes Closets Up to Date" was again conducted by Mrs. Dobson and Mrs. Sylvester. Five girls completed the unit. Each girl made; a laundry bag, garment cover, hat cover and hat stand, padded hanger and shoe packs. Congratulations to Shirley Smith who won the Bus Trip to Eastern Ontario.

In the winter of 1950 Mrs. Jack Mercer and Mrs. Beth Philp were leaders in the project "Club Girl Entertains" and much was learned. An amusing skit on packing a suit case was presented at a W.I. meeting at Mrs. Elgin Gourkes with Isabel Smith taking the leading part.

In 1951 the course "Being Well Dressed, Well Groomed" was completed with Mesdames Dobson and Sylvester
