The Quebec correspondent of the Hamilton Spectator says:—'That two on dits are current, relating to seats in Parliament, which I may tell you of. The first concerns Haldimand. The Judge's scrutiny of votes having been concluded, it has become evident that Samuel Amsden, Esq., has the majority of legal votes, and the present member, M. Harcourt, Esq., will be unseated after sitting and voting in Parliament for two sessions. The event, it is said, is to take place almost immediately after the reorganization of the election Committee. At about the same time, if we are to believe hearsay, the Quebec election will be adjudicated on, and the sitting members, having proved that they have a great majority of the legal votes polled, will retain their seats.

DEATH OF MR. CRAWFORD THE SCOTTISH VOCALIST.—We regret to learn from the Cincinnatti Commercial, of Monday, that Mr. Thomas Crawford, the well known Scottish Vocalist, formerly a resident here, died in that city, on Sunday night last, after a short illness. The Commercial says: 'His last appearance as a vocalist in this city, was at the Burns Banquet, in the Gibson House, on January 25th. Those present will not soon forget the electrical effect of the glorious 'Star Spangled Banner,' as it came from his lips on that evening. Alas! it was the last effort of the dying Bard; from that evening he sank daily, nearer and nearer the bourne from whence no traveller returns.

A young wife who watched over her dying husband with more than a woman's devotion, and a boy of six years, are left desolate in a foreign land, far away from kindred, to mourn the untimely fate of one of nature's gentlemen, cut off in the 36th year of his age.'

SCROFULA.—This is one of the worst humors that beset our race. It does not confine itself to one member of a family, but the husband transmits it to his wife, and again it appears in their offspring, and is handed down from generation to generation as surely as the old family plate or the entailed legacy. But all this havoc can be avoided if those so afflicted will but be advised. 'Kennedy's Medical Discovery' has, during the past twelve years, cured many stubborn cases of this disease, and all we ask of our readers is to use it themselves when it is needed, and recommend it to their friends in all cases of humor. 42

THE QUEEN'S DIAMONDS.—The Empress of France has diamonds by the peck. Such roughness as jewelry and fine furbelows constitutes the bone and marrow of all such aristocracy. But, when you are suffering from a cold, cough, sore throat, &c., you will find a real blessing in a box of Bryan's Pulmonic Wafers. 25 cents a box. For sale by all druggists. 42

WIGS—WIGS—WIGS.

BATCHELOR'S WIGS and TOUPEES surpass all. They are elegant, light, easy and durable.

Fitting to a charm—no turning up behind—no shrinking off the head: indeed, this is the only Establishment where these things are properly understood and made.

☞ Old and young are now indiscriminately using Prof. Wood's Hair Restorative; some as a cosmetic or beautifier of the complexion, some to prevent the hair falling, some as a mere dressing for the hair, and others to make it grow and to change grey hair to its original color; and there is no doubt of its answering all the purposes for which it was designed by its illustrious inventor.

We are utterly averse to incurring editorial responsibility in trifling matters, but as we deem it no trifling matter to have the hair on a man's head (when prematurely falling off,) actually and permanently restored, so neithends we consider it unworthy the editorial profession to recommend a Hair Restorative that will effect this very thing. Wood's celebrated 'Hair Restorative' is the article we have in view, and if the certificates of the most distinguished men in the country are entitled to credence, then is this preparation all that is claimed for it on the part of its proprietor. See extracts from the 'Missouri Republican' in the special notice column of this paper.—(Rahway American.

it is peculiarly suited. It will, in a short time bring on the monthly period with regularity.

CAUTION.

These Pills should not be taken by females that are pregnant, during the first Three Months, as they are sure to bring on Miscarriage; but at every other time, and in every other case, they are perfectly safe.

In all cases of Nervous and Spinal Affections, Pain in the Back and Limbs, Heaviness, Fatigue on slight exertion, Palpitation of the Heart, Lowness of Spirits, Hysterics, Sick Headache, Whites, and all the painful diseases occasioned by a disordered system, these Pills will effect a cure when all other means have failed.

HOLLOWAY'S PILLS.—Nothing this world can afford is of any value to those in whom sickness has extinguished the capacity for enjoyment. The most welcome intelligence we can give to all who are thus situated, is that the means of recovery are within their reach—that they have only to avail themselves of Professor Holloway's matchless remedies in order to shake off the maladies which are breaking down their strength, spirits and constitutions, and obtain a new hold on life, and a new sense of its blessings. The Pills are, to our certain knowledge, producing such results in chronic diarrhea and cholic, weakness of the stomach, diseases of the Kidneys, and liver complaints, as have never been paralleled in this country; while Holloway's Ointment is working miracles in external disorders. 42

THE MEDICINAL PROPERTIES OF BRYAN'S PULMONIC WAFERS are contained in the least objectionable form that medicine can be administered. They are pleasant to the taste, and effectual in all cases of Coughs, Colds, Bronchitis, Sore Throat, Asthma, &c., &c. A single trial will convince the most incredulous that relief can be obtained in TEN MINUTES with this invaluable remedy. The inventor, aware that it is the fate of all preparations put up for public use, to be indiscriminately condemned by many, either from selfish motives, or a desire to discover uncommon skill, without showing anything of their composition or medical virtues, and notwithstanding however unjust such decisions may be, or whatever weight they may have, yet he confidently believes that this medicine prepared with the greatest caution, and of the best and most suitable ingredients, will be found to relieve the afflicted, and to effect a cure in many cases where other remedies have failed, and he has no hesitation in warranting a cure or refund the cost.

Price 25 cents per box. For sale by Northrop & Lyman, Newcastle, C. W., General Agents for the Canadas. For sale in Kingston by C. Heath, E. H. Parker, H. Skinner and G. S. Hobert, agents, and all respectable druggists everywhere. 4-2m

Scorbutic diseases are the parent stock from which arises a large proportion of the fatal maladies that affect mankind.—They are as it were a species of potato rot in the human constitution, which undermines and corrupts all the sources of its vitality and hastens its decay. They are the germ from which springs, Consumption, Rheumatism, Heart Disease, Liver Complaints and eruptive Diseases which will be recognized as among those most fatal and destructive to the race of men.—So dreadful are its consequences to human life, that it is hardly possible to over estimate the importance of an actual, reliable remedy, that can sweep out this Scrofulous contamination. We know then we shall proclaim welcome news to our readers, of one from such a quarter as will leave little doubt of its efficacy—and still more welcome, when we tell them that it surely does accomplish the end desired. We mean Ayer's Sarsaparilla, and it is certainly worthy the attention of those who are afflicted with Scrofula or Scrofulous complaints.—Register, Albany N. Y. 1m-30

DAILY MIRROR OF PARLIAMENT.

THE Undersigned have decided on issuing a DAILY SHEET of Eight, Twelve, or Sixteen pages, 8vo. medium (in the same form as the Canadian Agriculturist) (new series), which will contain a careful report of the Debates in the Two Houses of the Provincial Parliament, prepared expressly for this work by a Full Staff of SHORT-HAND REPORTERS.

The whole series may be bound up in one or more volumes at the end of the Session, and will answer all the purposes of a

Canadian Hansard.

As the publishers will possess facilities for the execution of this work, which will enable them to issue it earlier than the ordinary newspaper reports, and are resolved to make it a perfectly fair and truthful record of the Debates in Parliament, they anticipate a large circulation, and to prevent disappointment would invite early orders.

The price will be 2d a number, or 1s 6d per dozen. News Agents will be charged $2 per hundred. No order will be attended to unless accompanied by Cash, nor will any larger edition be printed than is actually ordered in advance.

MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP!

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflamation—will allay ALL PAIN and spasmodic action, and IS SURE TO REGULATE THE BOWELS.

Depend upon it mothers, it will give rest to yourselves and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects—and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND COLIC,

and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices or the prejudices of others, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if time and ly used. Full directions accompany each bottle, none genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world.

Principal Office, No 21 Cedar street, New York.

Price only 25 cents per bottle. 186 w&4
