Scorbutic diseases are the parent stock from which arises a large proportion of the fatal maladies that affect mankind.—They are as it were a species of potato rot in the human constitution, which undermines and corrupts all the sources of its vitality and hastens its decay. They are the germ from which springs, Consumption, Rheumatism, Heart Disease, Liver Complaints and eruptive Diseases which will be recognized as among those most fatal and destructive to the race of men.—So dreadful are its consequences to human life, that it is hardly possible to ever estimate the importance of an actual, reliable remedy, that can sweep out this Scrofulous contamination. We know then we shall proclaim welcome news to our readers, of one from such a quarter as will leave little doubt of its efficacy—and still more welcome, when we tell them that it surely does accomplish the end desired. We mean Ayer's Sarsaparilla, and it is certainly worthy the attention of those who are afflicted with Scrofula or Scrofulous complaints.—Register, Albany N. Y. 1m-30

HOLLOWAY'S PILLS.—Nothing this world can afford is of any value to those in whom sickness has extinguished the capacity for enjoyment. The most welcome intelligence we can give to all who are thus situated, is that the means of recovery are within their reach—that they have only to avail themselves of Professor Holloway's matchless remedies in order to shake off the maladies which are breaking down their strength, spirits and constitutions, and obtain a new hold on life, and a new sense of its blessings. The Pills are, to our certain knowledge, producing such results in chronic diarrhea and cholic, weakness of the stomach, diseases of the Kidneys, and liver complaints, as have never been paralleled in this country; while Holloway's Ointment is working miracles in external disorders. 42

SCROFULA.—This is one of the worst humors that beset our race. It does not confine itself to one member of a family, but the husband transmits it to his wife, and again it appears in their offspring, and is handed down from generation to generation as surely as the old family plate or the willed legacy. But all this havoc can be avoided if those so afflicted will but be advised. 'Kennedy's Medical Discovery' has, during the past twelve years, cured many stubborn cases of this disease, and all we ask of our readers is to use it themselves when it is needed, and recommend it to their friends in all cases of humor. 42

THE QUEEN'S DIAMONDS.—The Empress of France has diamonds by the peck. Such nonsense as jewelry and fine furbelows constitutes the bone and marrow of all such aristocracy. But, when you are suffering from a cold, cough, sore throat, &c., you will find a real blessing in a box of Bryan's Pulmonic Wafers. 25 cents a box. For sale by all druggists. 42

BATCHELOR'S WIGS and TOUPEES surpass all. They are elegant, light, easy and durable.

☞ Old and young are now indiscriminately using Prof. Wood's Hair Restorative; some as a cosmetic or beautifier of the complexion, some to prevent the hair falling, some as a mere dressing for the hair, and others to make it grow and to change grey hair to its original color; and there is no doubt of its answering all the purposes for which it was designed by its illustrious inventor.

We are utterly averse to incurring editorial responsibility in trifling matters, but as we deem it no trifling matter to have the hair on a man's head (when prematurely falling off,) actually and permanently restored, so neither do we consider it unworthy the editorial profession to recommend a Hair Restorative that will effect this very thing. Wood's celebrated 'Hair Restorative' is the article we have in view, and if the certificates of the most distinguished men in the country are entitled to credence, then is this preparation all that is claimed for it on the part of its proprietor. THE MEDICINAL PROPERTIES OF BRYAN'S PULMONIC WAFERS are contained in the least objectionable form that medicine can be administered. They are pleasant to the taste, and effectual in all cases of Coughs, Colds, Bronchitis, Sore Throat, Asthma, &c., &c. A single trial will convince the most incredulous that relief can be obtained in TEN MINUTES with this invaluable remedy. The inventor, aware that it is the fate of all preparations put up for public use, to be indiscriminately condemned by many, either from selfish motives, or a desire to discover uncommon skill, without showing anything of their composition or medical virtues, and notwithstanding however unjust such decisions may be, or whatever weight they may have, yet he confidently believes that this medicine prepared with the greatest caution, and of the best and most suitable ingredients, will be found to relieve the afflicted, and to effect a cure in many cases where other remedies have failed, and he has no hesitation in warranting a cure or refund the cost.

The Only Preparation

THAT HAS

STOOD THE TEST OF YEARS,

AND GROWS MORE AND MORE POPULAR EVERY DAY!

And testimonials, new, and almost without number, might be given from ladies and gentlemen in all grades of society, whose united testimony none could resist, that Prof. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty.

Battle Creek, Mich., Dec. 21st, 1858.

PROF. WOOD: Thee will please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head had suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative about the first of August last. I have faithfully followed the directions, and the bald spot is now covered with hair thick and black, though short, it is also coming in all over my head. Feeling confident that another large bottle would restore it entirely and permanently, I feel anxious to persevere in its use, and being destitute of means to purchase any more, I would ask thee if thee wouldst not be willing to send me an order on thine agents for a bottle, and receive to thyself the scripture declaration—'the reward is to those that are kind to the widow and the fatherless.'

Thy friend, SUSANAH KIRBY.

Ligonier Noble Co., Indiana, Feb 5, 1859.

PROF. O. J. WOOD: Dear Sir:—In the latter part of the year 1852, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the state of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognise me at all.

I at once made application to the most skillful physicians in the country, but, receiving no assurance from them that my hair could again be restored, I was forced to become reconciled to my fate, until, fortunately in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars' worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy.

As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances, who, I am happy to inform you, are using it with like effect. Very respectfully, yours,

A. M. LATTA,

Attorney and Counsellor at Law.

Depot, 444 Broadway, and sold by all dealers throughout the world.

The Restorative is put up in bottles of 3 sizes, viz: large, medium and small; the small holds half a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent more in proportion than the small, retails for two dollars a bottle; the large holds a quart, 40 per cent more in proportion, and retails for $3 a bottle.

PRACTICAL EXPERIENCE

BETTER THAN

EXPERIMENTAL SCIENCE.

HOLLOWAY'S OINTMENT.

CONSOLATION FOR THE SUFFERING.

Nearly fifty years continual use in every part of the habitable globe, amongst the savage and civilized alike, has proved that simple eruptions, open sores, hard tumors, scrofulous developments of all kinds, abscesses, cancers, old wounds, and, in one word, every species of inflammation and suppuration, whether in the skin, the flesh, the glands, or among the muscles, can be arrested and permanently cured, without danger, by rubbing in, and using as a dressing, this inestimable Ointment.

SCROFULA, ERYSIPELAS, AND SALT RHEUM.

No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence.

BAD LEGS, OLD SORES, AND ULCERS.

Cases of many years standing, that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful ungnent.

ERUPTIONS OF THE SKIN,

Arising from a bad state of the blood or chronic disease, are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.

PILES AND FISTULA.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emollient; warm fomentations should precede its application. Its healthy qualities will be found to be thorough and invariable.

Both the Ointment and Pills should be used in the following cases:

Bunions,	Burns,	Chapped Hands,
Chilblains,	Fistula,	Skin Diseases,
Gout,	Lumbago,	Rheumatism,
Piles,	Ringworm,	Salt Rheum,
Scalds,	Sore Legs,	Swelled Glands,
Sore Breasts,	Sore Heads,	Sore Throats,
Sprains,	Stiff Joints,	Venereal Sores,
Agues of all kinds,		Mercurial Eruptions,
Wounds of all kinds,		Tetter, Ulcers.

☞ CAUTION!—None are genuine unless the words '*Holloway, New York and London,*' are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or vending the same, knowing them to be spurious.

* * * Sold at the manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots, at 25 cents, 63 cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each pot.

BLOOD FOOD

Dr. Bronson, having been so far reduced by consumption, as to be considered beyond all hope of recovery by the most eminent of the medical profession, and also by himself—a regular physician of twenty years practice—as a last resort, conceived the idea of ANALYZING THE BLOOD, and applying the subject of physiology to the immediate connection, and effect of the state of the blood upon the health and system. The result has been the production of this "BLOOD FOOD," from the use of which Dr. Bronson was restored to perfect health. Within six months after its introduction, over two thousand consumptives were effectually cured by it. If you have any complaints of a consumptive tendency, Cough, Cold, Head-ache, Palpitation of the Heart, Loss of appetite, or pain in the side, loss no time in procuring a bottle of the "BLOOD FOOD."—If you are suffering from Nervous Debility, or your sleep is broken and disturbed, if your Spirits are depressed or your Organs relaxed, you will find in this an unfailing remedy, by commencing with ten drops. If your Liver is torpid or diseased in any manner whatever, one or two bottles will be sure to invigorate, and bring it into lively and healthful action. In the most inveterate cases of Dyspepsia, the patient can here find the most efficient and grateful relief. A benefit is always experienced after taking one bottle. In Male or Female Complaints and Weakness, the sufferer, after trying other remedies in vain, may rest assured, that a certain cure will result from the use of two or three bottles. The 'BLOOD FOOD' is effectual in all cases of Eruptions, Salt Rheum Scrofulas and other like complaints. Pale and emaciated children and adults are immediately benefited by its use. It gives strength to the body and color and beauty to the skin.—Physicians of all schools are using it with wonderful success.

For full directions, see circulars. Price $1 per bottle.

RELIEF AND HEALTH

We have put up and sold this article for over ten years and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER DID IT FAILED, IN A SINGLE INSTANCE, TO RELIEVE PAIN, when used with promptness, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation. Never did we know an instance of dissatisfaction by any one who used it.
