RENEWAL OF UNEMPLOYMENT INSURANCE BOOKS

To all Employers:

The 1942-43 Unemployment Insurance Books expire on March 31st.

New Insurance Books for the fiscal year 1943-44 will be exchanged by the Local Employment and Selective Service Office in your area for expired Insurance Books.

Do not send in your Insurance Books without completing forms enclosed with circular letter 625.

If you have not received this circular letter, get in touch with your nearest Employment and Selective Service Office.

Where it is necessary to quote the Employee's Insurance Number, use the number with the prefix letter shown on the front cover of the book: example P-49247, E-22454. **Do not** quote the book serial number printed on the inside pages of the book.

Protect the benefit rights of your employees by following closely the procedure outlined in the circular letter, and prevent delays by acting now.

UNEMPLOYMENT INSURANCE COMMISSION

HON. HUMPHREY MITCHELL
Minister of Labour

Commissioners
LOUIS J. TROTTIER
R. J. TALLON
ALLAN M. MITCHELL

Many a man's financial goose has been cooked in a jack pot.

Inventing the windshield was a happy thought. Without it there would be no place for stickers.

Peach buds may have suffered from sub-zero temperatures this winter, but the dandelion crop will likely be bigger and better than ever.

A Farmer's War Time Job . . . .

In this war a tremendous responsibility rests on farmers. Like all other Canadians, they are faced with extra burdens and difficulties, but their responsibilities can be simply and clearly stated.

1. PRODUCE AS MUCH AS POSSIBLE.
2. REDUCE FARM DEBTS.
3. SAVE AND LEND TO CANADA.

Fighters must be fed. Men and women employed in munition factories, on railroads, in merchant shipping, in mines and mills, in lumber camps, must be well nourished for their strenuous work and many allied nations in the front line of battle look to Canada for food.

Increased incomes should enable the farmers to save money.

Increased incomes should enable most farmers to put their farms on a sound financial basis.

Each farmers' individual circumstances will determine what should be done, but when a plan of debt reduction has been laid down, the one sure way to carry it out is to see that a portion of all money received is put aside . . . earmarked for this purpose.

If a farmer has made provision for any current debts that he may have, and has money left over, he should buy all the Victory Bonds and War Savings Certificates he can. If a farmer is saving up to pay a debt which comes due in the future, he will find that Victory Bonds provide the safest way to keep his savings intact until he needs them, and in the meantime put his money to work for him at 3%—double bank interest.

Farmers Should Buy—

Victory Bonds

VICTORIA CORNERS

The first day of Spring, coming along bright and cheery, proved itself very welcome. During the past week we were faced with much 'igh wind, sleet and storm. Roads were slightly blocked again; telephone lines were damaged; but in all, damage was not as great as was expected with the high velocity of the wind.

Recent members of the family visiting at the home of W. G. Talbot were: Miss Muriel of Markdale, Mr. and Mrs. Dave Talbot and Shirley of Brampton, Mr. and Mrs. Clem Livingstone and sons and Mr. and Mrs. Roy Bradley, Corbetton.

We are glad to report the decided improvement in the condition of the patients at the Jas. Linton home. Mr. Linton is able to be up again; Mrs. Linton, although still confined to her bed, is steadily improving; Mrs. Ernie Stewart was able to return to her home, although not yet very strong. Nurse Smith returned to her home at Feversham Sunday, having completed her professional duties at the Linton home. Hazel Copeland is caring for them now.

Mr. Thos. Fenwick, Owen Sound, visited a few days at the home of his daughter, Mrs. Russell Linton.

We are sorry to report the illness of Mr. Robt. Fisher, the result of a stroke, at the home of his daughter, Mrs. Chas. Best. Mr. Jas. Best is not gaining very quickly after his recent attack of the 'flu.

Miss Florence Batchelor, Toronto, spent the week end at the home of her parents, Mr. and Mrs. Jas. Batchelor.

Due to the many Thursday winter storms during January, February and the early part of March, the Inistioge W. A. meeting was postponed until Wednesday afternoon of last week, when seven of the ladies met at the home of Mrs. Wilfred Gallagher. The usual opening exercises were conducted, with the Scripture reading from Hebrews 12, being read by Mrs. Talbot, the theme of which provided material for the topic by Christina Duncan. During the business hour, plans were made for a social evening, featuring a bazaar and fish pond. Christena Duncan and Laurine Talbot were chosen captains for a copper contest. Mrs. Gallagher was asked to secure another "bundle of remnants." Mrs. Elmo Stevens was appointed to send a letter of sympathy to Mr. and Mrs. W. G. Acheson, Barrie, and Mrs. W. G. Talbot a letter of sympathy to Mrs. Laidlaw, Toronto. The meeting closed with the repeating of the Mizpah benediction.

(Intended for Last Week)

The 'flu is still visiting many of the homes in the community. Those most stricken are the John Duncan, Chas. Best and Jas. Linton homes. The entire Duncan family have has been ill, baby Edgar taking convulsions. Mrs. Chas. Best and Mr. Jas. Best are ill at the Best home. Last week we mentioned Mr. Jas. Linton as suffering from pneumonia, and we are pleased to report of his decided improvement this week end. On the other hand we regret to learn of the serious illness of Mrs. Jas. Linton due to an attack of pneumonia. Nurse Smith of Feversham is in attendance. Mrs. Ernest Stewart, the Lintons' daughter, who had come to assist her parents also developed the 'flu, which has developed into bronchial pneumonia. We hope for all these patients a very speedy recovery to their usual good health.

Mrs. W. G. Talbot gkes to Toronto this week to receive treatment.

Hazel Copeland is assisting in the Linton home.

Pte. Clifford Talbot, Camp Borden, spent a few hours Saturday afternoon at the home of his parents, Mr. and Mrs. W. G. Talbot.

A quilt top prepared by the teacher and pupils of No. 4 school, in aid of the Red Cross, was quilted at the home of Mrs. Albert Stinson Saturday afternoon, with seven ladies present. Tickets are being sold on the quilt, and a social evening is being planned for the near future by the teacher, Mrs. E. A. Stinson, and the pupils.

Pte. Gordon McAuley, Simcoe, visited his parents, Mr. and Mrs. Angus McAuley, over the week end.

Mr. and Mrs. Milton Bannon received word this week that their eldest son, Jim, with the R.C.A.F. at Angus, has been promoted to the rank of Corporal, Congratulations, Jim.

Mrs. Fred Linton, Shirley and Jackie, visited a few days with the former's parents, Mr. and Mrs. Ed. Stinson.

Mr. and Mrs. Leo Blakey and infant son have moved to their farm in the Mt. Bion district, after spending part of the winter monhs with the Blakeys at the Highway.

Mr. Gordon Batchelor has returned home from Collingwood, where he was employed for a short time.

Friends of Ren Acheson, formerly of Victoria Corners and for the past few years resident of Cheltenham, may be interested to know that he has enlisted with the active service and is stationed at Simcoe. Ren is married to the former Mary Ross of Maxwell.

TORONTO LINE NORTH

Mrs. Wilson and daughter, Alma, and Mr. and Mrs. W. Lemon of Markdale were Sunday visitors with Mr. and Mrs. Harold Richardson.

Mr. and Mrs. Wm. Swanton of Cheeseville spent Sunday at the home of their son, George.

Miss Thelma Miller who spent the winter in Toronto, has returned to her home here.

A very enjoyable evening was spent at the home of Mr. and Mrs. Harold Richardson recently, when a number of the neighbors and their families were present and spent a pleasant evenig in cards and games.

Mrs. M. McFadden and her group of quilters had a very successful quilting at the home of Mrs. E. Wickens on Monday afternoon.

FERTILIZER

Order your fertilizer now, and assure yourself of an adequate supply for this spring's needs. A carload to arrive at Priceville next week. Take advantage of off-car rates; also delivered as soon as roads permit.

No office hours on Sunday.

AND HELP SMASH THE AXIS!

The next time you are frying or roasting something, just imagine the satisfaction it would give you to pour that hot fat right down the back of Adolph, Tojo or Benito.

You can even do better than that. Fats make glycerine, and glycerine makes high explosives to sink their submarines, destroy their aeroplanes and tanks. Bones produce fat, also glue for war industry.

Every spoonful of dripping, every ounce of scrap fat, and every bone, cooked, uncooked or dry, must be saved.

Strain all drippings through an ordinary strainer into a clean wide-mouthed can. When you have collected a pound or more of fat drippings take it to your **meat dealer** who will pay you the established price for the dripping and the scrap fat. **Or you can dispose of them through any Municipal or Salvage Committee collection system IN EFFECT in your community.**

You can be a munition maker right in your own kitchen. So—every day, this easy way, keep working for Victory by saving every drop of fat dripping, every piece of scrap fat, and every bone.

This campaign is for the duration.
