HOLLOWAY'S OINTMENT AND PILLS.—For injuries resulting from fire, steam, or hot water, Holloway's Ointment is indeed a healing balm. It not only relieves the pain and inflammation, but prevents the superficial sores from deepening and extending. No steamboat or railway train should ever start without a supply of this great external remedy. Cuts, bruises, fractures, burns, dislocations, etc., are all equally within the field of its curative influence, and there is no variety of eruptive or ulcerous disease which it is incapable of controlling. In nineteen out of twenty of the fatal 'camphene cases' recorded by the press, this peerless counter-irritant would have saved the victim. The Pills are equally potent in internal disorders. 48

RHEUMATISM.—To any who have been afflicted with this malady, the very reading of the above heading will call to mind the remembrance of the most excruciating pain and prolonged agony. The joints swelled, stiff and unyielding, each turn of the body accompanied by a shock that would induce the belief that every bone in the human anatomy was about to be dislocated. From two to three bottles of 'Kennedy's Medical Discovery' will cure the worst case of Rheumatism. We would refer to the cure of J. Macomber, Esq., a respectable citizen of Boston, who was cured at the age of fifty-five years after an illness of a quarter of a century, and an expense of some $5000 paid to various Physicians. For the cure of humors it has no equal.

For Sale by every Druggist in the British Provinces. 48

☞ Old and young are now indiscriminately using Prof. Wood's Hair Restorative; some as a cosmetic or beautifier of the complexion, some to prevent the hair falling, some as a mere dressing for the hair, and others to make it grow and to change grey hair to its original color; and there is no doubt of its answering all the purposes for which it was designed by its illustrious inventor.

We are utterly averse to incurring editorial responsibility in trifling matters, but as we deem it no trifling matter to have the hair on a man's head (when prematurely falling off,) actually and permanently restored, so neither do we consider it unworthy the editorial profession to recommend a Hair Restorative that will effect this very thing. Wood's celebrated 'Hair Restorative' is the article we have in view, and if the certificates of the most distinguished men in the country are entitled to credence, then is this preparation all that is claimed for it on the part of its proprietor. See extracts from the 'Missouri Republican' in the special notice column of this paper.—Rahway American.

Scorbutic diseases are the parent stock from which arises a large proportion of the fatal maladies that affect mankind.—They are as it were a species of potato rot in the human constitution, which undermines and corrupts all the sources of its vitality and hastens its decay. They are the germ from which springs, Consumption, Rheumatism, Heart Disease, Liver Complaints and eruptive Diseases which will be recognized as among those most fatal and destructive to the race of men.—So dreadful are its consequences to human life, that it is hardly possible to over estimate the importance of an actual, reliable remedy, that can sweep out this Scrofulous contamination. We know then we shall proclaim welcome news to our readers, of one from such a quarter as will leave little doubt of its efficacy—and still more welcome, when we tell them that it surely does accomplish the end desired. We mean Ayer's Sarsaparilla, and it is certainly worthy the attention of those who are afflicted with Scrofula or Scrofulous complaints.—Register, Albany N. Y. 1m-30

THE MEDICINAL PROPERTIES OF BRYAN'S PULMONIC WAFERS are contained in the least objectionable form that medicine can be administered. They are pleasant to the taste, and effectual in all cases of Coughs, Colds, Bronchitis, Sore Throat, Asthma, &c., &c. A single trial will convince the most incredulous that relief can be obtained in TEN MINUTES with this invaluable remedy. The inventor, aware that it is the fate of all preparations put up for public use, to be indiscriminately condemned by many, either from selfish motives, or a desire to discover uncommon skill, without showing anything of their composition or medical virtues, and notwithstanding however unjust such decisions may be, or whatever weight they may have, yet he confidently believes that this medicine prepared, with the greatest caution, and of the best and most suitable ingredients, will be found to relieve the afflicted, and to effect a cure in many cases where other remedies have failed, and he has no hesitation in warranting a cure or refund the cost.

A BLOODLESS VICTORY!

1,000,000 Boxes sold of MOREHEAD'S

Magnetic Plaster.

THIS enormous quantity of this Invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.

The MAGNETIC PLASTER is undoubtedly the Greatest Strengthener and Pain Destroyer that Science has yet discovered. If you put this Plaster anywhere, if Pain is there, the Plaster will stick there until the Pain has vanished. The Plaster magnetizes the Pain away, and

PAIN CANNOT EXIST

WHERE THIS

PLASTER IS APPLIED.

Rheumatism, Lameness, Stiffness, Weakness, Debility, Nervousness, Neuralgia, Dyspepsia, Coughs and Colds, Pains and Aches of every kind are IMMEDIATELY RELIEVED, and with a little patience, PERMANENTLY CURED, by the magical influence of the MAGNETIC PLASTER. It is the simplest, surest, safest, pleasantest and cheapest remedy in existence. Its application is universal—equally to the strong man, the delicate woman, and the feeble infant. Its use is agreeable, and without annoyance or trouble. Its price is within reach of all—rich or poor; all may have it, and all should have it who are sick and suffering in any way.

FARMERS and PLANTERS should always be supplied with the MAGNETIC PLASTER. It will be the Good Physician in any household, ready at all times and at instant notice.

Put up in air-tight tin boxes. Each box will make six or eight plasters and any child can spread them. Price, 25 cents a box, with full and plain directions.

D. C. MOREHEAD, M. D.,
Inventor and Proprietor,
19 Walker Street, New York.

MOREHEAD'S MAGNETIC PLASTER IS SOLD BY ALL DRUGGISTS AND DEALERS IN GENUINE MEDICINES EVERYWHERE.
