Artemesia Over The Top in Loan

As Canada's Fourth Victory Loan approaches the final stages in Grey County, some municipalities are going to have to make unusual efforts if their individual quotas are to be obtained. Bolstered by the splendid showing of Hanover, and the townships in the south-west of the County, as well as by exceptional returns from the south-east of the County, and big special names subscriptions, Grey County stands well up in the Ontario totals. The "last million," as far Grey County is concerned, will be the hard one.

During the past few days, the townships of Artemesia and Bentinck, as well as the Village of Dundalk, have joined the group which already was over the top, including Proton, North Euphrasia, Hanover, Flesherton, Normanby and Neustadt. Artemesia had a very heavy quota of $95,000, and the Township of Bentinck itself bought $5,000 to swell the total of that municipality. Proton, which exceeded its original objective of $40,000, has sales of $56,000 or more, to far exceed even the new quota of $50,000 which was assumed.

Artemesia has again done splendidly in the Victory Loan and congratulations should be extended to the canvassers: Geo. McTavish, J. A. Richards and Edgar Betts.

What is done in the next few day will determine the success or failure of Grey County's portion of the Victory Loan. Those who have been delaying purchasing are being urged to do so at once, and those who have already bought are being asked to make a further purchase.

EMERSON MEADS WAS HONORED BY FRIENDS

(By Ceylon Reporter)

A social evening was held in the Old Durham Road school in honor of Emerson Meads, son of Mr. and Mrs. W. R. Meads, who left Monday afternoon for an Eastern Canada point for service with the Merchant Marine. An address was read by Tommy Mather and the presentation of a pen and pencil set was made by Miss Ruth Whyte on behalf of the young people of Priceville United Church. Emerson replied, thanking the folk for their thoughtfulness. A host of good wishes go with Emerson in his duties. This is the third son of Mr. and Mrs. Meads in active service: Trooper Robt. Meads is at Camp Borden, and Wallace is overseas.

HODSON — MORRISON

At the home of the bride's parents on Saturday, May 8th, Rev. Dr. G. L. Mercer united in marriage Flora Donelda, elder daughter of Mr. and Mrs. J. L. Morrison, and Mr. Nick Hodson, elder son of Mr. and Mrs. L. P. Hodson, London, Eng.

The ceremony was performed beneath an arech of evergreens, banked with spring flowers. The wedding music was played by the bride's sister, Miss Thelma Morrison.

The bride was given in marriage by her father and wore a floor-length gomn of ivory faille with sweetheart neckline. Her finger-tip veil fell from a coronet headdress and she carried a bouquet of red roses.

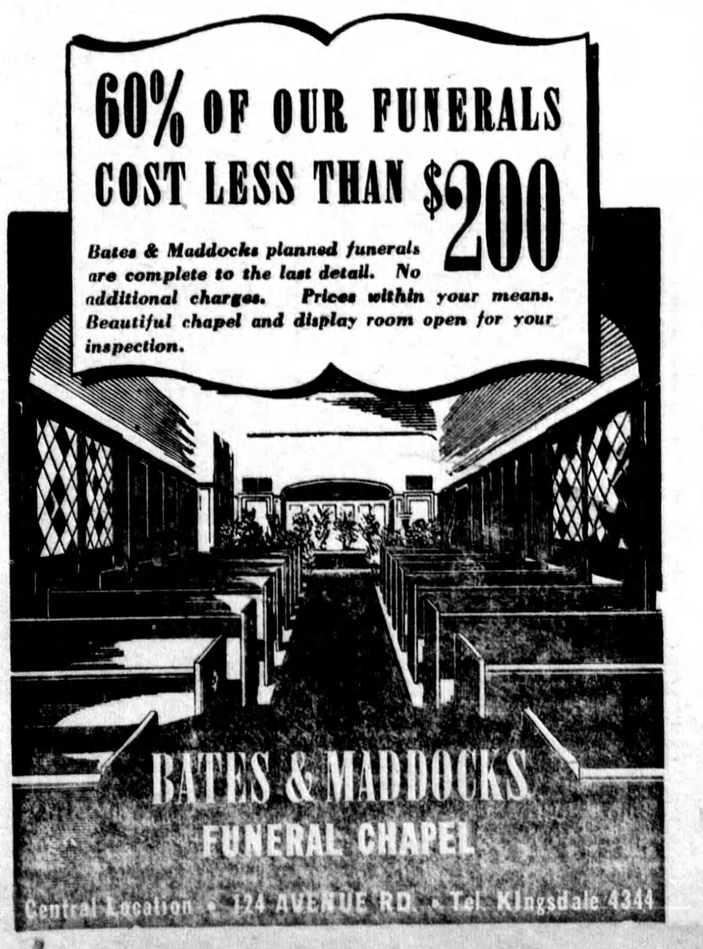
Miss Bernice Poole was the bridesmaid and was dressed in heavenly blue chiffon and carried a bouquet similar to the bride's. The groom was attended by Mr. Dan Brown. The bridal couple left on the afternoon train for Ottawa and other points east, the bride travelling in a pink and blue ensemble with matching hat and brown accessories. On their return they will reside in Collingwood.

Prior to the wedding ceremony the groom received two cablegrams, one from his mother in London, Eng., and the other from his dad on Active Service.

Card of Thanks

My sincere thanks and appreciation to all my friends and neighbors who so kindly remembered me during my recent illness by visiting me and sending treats, cards and letters.

—Mrs. Francis Genoe, Eugenia.



Artemesia Red Cross Donations

To Red Cross Canvassers: On behalf of the Flesherton-Artemesia Red Cross Branch I, as campaign manager, wish to thank wholeheartedly the canvassers who so successfully canvassed the district and raised the amazing sum of $1467.70, only $32.30 short of our $1,500 objective. The weather and road conditions made it extremely difficult for the rural canvassers to cover their district, and I know that some made their calls on foot, while some ohers used snowshoes. It was a pleasure selecting the canvassers, as they all accepted their duties in good spirit, feeling the canvas was a deserving one and that they were willing to do their small part in this worthy cause. Should there be any who have not donated or wish to increase their donations to yet obtain our objective, your district would appreciate same very much.

—GEO. A. McTAVISH.

Mr. Alex Laughlin had the misfortune on Thursday to have two fingers on his right hand badly mangled when his hand became caught in some of the gearing down stairs in the mill. Ration News

According to a ruling of the Wartime Prices and Trade Board, every producer of dairy butter must register with the local ration board. This applies to those who make butter for only a few months of the year as well as to those who make butter the year round. No special permit is needed. Simply state in a letter that you are a producer of dairy butter and mail to the Secretary of the Local Ration Board at Flesherton. If you have not already complied with this ruling, do so without delay, as you may be asked to produce your registration card. At the end of each month special forms must be filled out as to the number of pounds produced that month and the form forwarded to the Secretary of the Local Ration Board. Enclose in this envelope the butter coupons from your own ration book and from the ration book of each member of your household, which were valid that month. If butter has been sold, the coupons collected from the purchaser are also to be enclosed. These forms may be obtained at the local post office and no postage is required.

Butter coupons Nos. 1-5 expired on April 30. Coupons 10 and 11 are valid on May 13th. Coupons 12 and 13 are valid on May 27. Coupons 6-11 expire on May 31.

Sugar, tea and coffee coupons 7 and 8 are valid on May 27. Coupons now become valid on Thursdays instead of Saturdays.

Number 1 Spare B (blue) coupon may now be used for purchase of 1 pound of sugar for rhubarb. This will enable householders to prepare, for table use, home-grown rhubarb. This coupon will expire on May 31.

Sugar for canning rhubarb will be obtained with the canning sugar coupons, the first of which become valid on June 1. These canning sugar coupons will be issued during the month of May.

Inquest Kelly Death

The inquest into the death of Phillip Kelly, which occurred north of Markdale on Monday night of last week, was held in Markdale Friday afternoon. The jury brought in the verdict that the fact that there was no tail light on Harold Fawcett's car was a contributory factor in the death of Kelly. Dr. R. L. Carefoot, Coroner, presided, and J. F. P. Birnie, K.C., County Crown Attorney, examined the witnesses.

Considerable disagreement with the finding of the jury is felt in many places, as the mention of Fawcett's name in regard to the accident places too much of the responsibility on his shoulders, more than he has a right to bear. The absence of a light on the car should not have made very much difference to the driver of the Marshall car from seeing the unlighted car ahead of it, even though visibility was poor. If visability was as bad as stated then the Marshall car should not have been travelling as fast as it was, and the car was not under control. If the Fawcett car had not stopped when signalled he would not have been involved in the accident. The driver of the first car which was in difficulties was not even considered as being a contributory factor in the accident. A neutral Coroner's jury might also have considered further evidence.

Decisions as made above make one seriously consider allowing the other motorist to work out his own salvation when in difficulties on the road, as the Good Samaritan may be the one o the wrong side of the fence.

Mr. Carruthers was a native of the Valley and Kimberley, where he kept store. Thirty-eight years ago, he and his wife, who was Margaret Rehill of Eugenia, moved to Sperling, Man., later to Morden, Man., and then to Winnipeg.

Left to mourn their loss are Mrs. Carruthers and two adopted children, Clarene of Flin Flon and Margaret (Mrs. Tait) of Winnipeg, also two brothers, R. D. of Kimberley and Samuel of Painsville, Ohio, and one sister, Mrs. M. Harris (Helen) of Weston. Major W. E. Harris of the 26th Tank Battalion, Camp Borden, is a nephew.
