HOLLOWAY'S OINTMENT AND PILLS.—For injuries resulting from fire, steam, or hot water, Holloway's Ointment is indeed a healing balm. It not only relieves the pain and inflammation, but prevents the superficial sores from deepening and extending. No steamboat or railway train should ever start without a supply of this great external remedy. Cuts, bruises, fractures, burns, dislocations, etc., are all equally within the field of its curative influence, and there is no variety of eruptive or ulcerous disease which it is incapable of controlling. In nineteen out of twenty of the fatal 'camphene cases' recorded by the press, this peerless counter-irritant would have saved the victim. The Pills are equally potent in internal disorders. 48

RHEUMATISM.—To any who have been afflicted with this malady, the very reading of the above heading will call to mind the remembrance of the most excruciating pain and prolonged agony. The joints swelled, stiff and unyielding, each turn of the body accompanied by a shock that would induce the belief that every bone in the human anatomy was about to be dislocated. From two to three bottles of 'Kennedy's Medical Discovery' will cure the worst case of Rheumatism. We would refer to the cure of J. Macomber, Esq., a respectable citizen of Boston, who was cured at the age of fifty-five years after an illness of a quarter of a century, and an expense of some $5000 paid to various Physicians. For the cure of humors it has no equal.

For Sale by every Druggist in the British Provinces. 48

☞ Old and young are now indiscriminately using Prof. Wood's Hair Restorative; some as a cosmetic or beautifier of the complexion, some to prevent the hair falling, some as a mere dressing for the hair, and others to make it grow and to change grey hair to its original color; and there is no doubt of its answering all the purposes for which it was designed by its illustrious inventor.

We are utterly averse to incurring editorial responsibility in trifling matters, but as we deem it no trifling matter to have the hair on a man's head (when prematurely falling off.) actually and permanently restored, so neither do we consider it unworthy the editorial profession to recommend a Hair Restorative that will effect this very thing. Wood's celebrated 'Hair Restorative' is the article we have in view, and if the certificates of the most distinguished men in the country are entitled to credence, then is this preparation all that is claimed for it on the part of its proprietor. See extracts from the 'Missouri Republican' in the special notice column of this paper.—[Rahway American.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects—and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND COLIC,

and overcome convulsions, which if not speedily remedied, end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices or the prejudices of others, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

MOREHEAD'S

Magnetic Plaster.

THIS enormous quantity of this Invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.

The MAGNETIC PLASTER is undoubtedly the Greatest Strengthener and Pain Destroyer that Science has yet discovered. If you put this Plaster anywhere, if Pain is there, the Plaster will stick there until the Pain has vanished. The Plaster magnetizes the Pain away, and
