THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.
DR. Kennedy, of Roxbury, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst scrofula or king's evil down to a common pimple. He has tried it in over eleven hundred cases, and never failed except in two cases (both humbug humor.) He has now in his possession over 1000 unsolicited certificates of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a burning sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will cure the system of boils.
Two bottles are warranted to cure the worst kind of canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst kind of erysipelas.
One to three bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure ringworm of the ears and blotches among the hair.
Four to six bottles are warranted to cure scrofula and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two to three bottles are warranted to cure the worst kind of ringworm.
Two to three bottles are warranted to cure the most desperate case of Rheumatism.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
ROXBURY, MASS.
DEAR MADAM,—The reputation of the Medical Discovery is curing all kind of humors, is so well established by the unanimous voice of all who have ever used it, and I need not say anything of the subject, as the most skillful physicians and the most careful druggists in the country are unanimous in its praise.
In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. The most excruciating disease to an affectionate mother,
NURSING SORE MOUTH,
is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and quiet slumbers; and the Medical Discovery becomes a fountain of blessing to your husband and household.
In the more advanced stages of
CANKER
it extends to the stomach, causing
DYSPEPSIA,
which is nothing but canker on the stomach; then to the intestines and
KIDNEYS,
creating a sinking gone feeling, and an indifference even to the cares of your family.
Your stomach is
RAW AND INFLAMED,
your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best days are gone. For want of nourishment your system becomes loose and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to
CURE.
Palpitation of the heart, pain in the side, weakness of the spine and smart of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the
PILES.
How many thousands of poor women are suffering from this disease, and pining away a miserable life, and their next door neighbor does not know what is the cause. I wish to impress on your mind that good old proverb, "An ounce of prevention is better than a pound of cure." In the
MEDICAL DISCOVERY
you have both the preventative and the cure, with this great and good quality, that it will never under any circumstances, do you any injury.
No change of diet ever necessary—eat the best you can get and enough of it.
Directions for use—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, teaspoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
Yours truly,
DONALD KENNEDY.

BLOOD FOOD

Dr. Brunson, having been so far reduced by consumption, as to be considered beyond all hope of recovery by the most eminent of the medical profession, and also by himself—a regular physician of twenty years practice—at last resort, conceived the idea of ANALYZING THE BLOOD, and applying the subject of physiology to the immediate construction and effect of the state of the blood upon the health and system. The result has been the production of this "BLOOD FOOD," from the use of which Dr. Brunson was restored to perfect health. Within six months after its introduction, over two thousand consumptives were actually cured by it. If you have any complaints of a consumptive tendency, Cough, Cold, Head-ache, Palpitation of the Heart, Loss of appetite, or pain in the side, lose no time in procuring a bottle of the "BLOOD FOOD."—If you are suffering from Nervous Debility, or your sleep is broken and disturbed, if you're Spirits are depressed or your Organs relaxed, you will find in this an invigorating remedy, by commencing with ten drops. If your Liver is torpid or diseased in any manner whatever, one or two bottles will be sure to invigorate, and bring it into lively and healthful action. In the most inveterate cases of Dyspepsia, the patient can here find the most efficient and grateful relief. A benefit is always experienced after taking one bottle. In Male or Female Complaints and Weakness, the sufferer after trying other remedies in vain, may rest assured that a certain cure will result from the use of two or three bottles. The "BLOOD FOOD" is a festival in all cases of Eruptions, Salt Rheum, Scrofulas and other like complaints. Pale and emaciated children and adults are immediately benefited by its use. It gives strength to the body and color and beauty to the skin.—Physicians of all schools are using it with wonderful success.
No full directions are circulated. Price $1 per bottle.

ONLY $75
FOR ONE OF
SINGER'S CELEBRATED SEWING MACHINES
Warranted to be the same in every respect as those sold by I. M. SINGER & Co., in the States for $110.
THIS price includes an Iron Stand such as Singer sells for $10. I have made an improvement on Singer's large-size Machine, by which Patent Leather can be stitched without oil. Shoemakers had a great objection to use these Machines before, owing to the oil continually working off the leather on the linings and cloths of ladies' gaiters. The necessity of applying oil to patent leather is entirely obviated by this new improvement.
These machines are well adapted for family and manufacturing purposes, and in point of utility, durability and cheapness, surpass every other kind ever offered for sale in Canada.
I have received numerous testimonials from Boot and Shoemakers, tailors, dressmakers, and private families, who are using my Machines, all unite in recommending them for general use.
Read
THE FOLLOWING CERTIFICATE, WRITTEN BY THE TWO LARGEST AND MOST EXTENSIVE BOOT AND SHOE MANUFACTURERS IN CANADA.
Montreal, December 22, 1859.
We take pleasure in bearing testimony to the complete working of the Machines manufactured by Mr. E. J. Nagle, having had them in use for the last six months. They are of Singer's pattern, and equal to any of our acquaintance of the kind.

Montreal, December 1859.
We have used seven of E. J. Nagle's Sewing Machines in our Factory for the past six months, and have no hesitation in saying that they are in every respect equal to the most approved American Machines, of which we have several in use.

BETTER THAN
EXPERIMENTAL SCIENCE.
HOLLOWAY'S OINTMENT!
CONSOLATION FOR THE SUFFERING.
Nearly fifty years continual use in every part of the habitable globe, amongst the savage and civilized alike, has proved that simple ointment, open sores, hard tumors, scrofulous developments of all kinds, abscesses, cancers, old wounds, and, in one word, every species of inflammation and suppuration, whether in the skin, the flesh, the glands, or among the muscles, can be arrested and permanently cured, without danger, by rubbing in, and using as a dressing, this inestimable Ointment.
SORE LEGS, ERYSIPELAS, AND VARY ULCERS.
No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. Neck of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence.
BAD LEGS, OLD SORES, AND ULCERS.
Cases of many years standing, that have pertinaciously resisted all yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful unguent.

Every form and nature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this ointment; warm fomentations should precede its application. Its healthy qualities will be found to be thorough and invariable.

A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same knowing them to be spurious.
