Blood Donors Needed

Flesherton's second Blood Donors' Clinic is being held on Wednesday of next week, Nov. 3rd, and it is hoped that there will at least be ninety people who will volunteer in this important work. At the first clinic over eighty blood transfusions were made. Let either Howard Milligan or Mrs. F. B. Keys know of your intention.

An important message was sent out by Gen. Dwight D. Eisenhower, Allied Commander-in-Chief in the Mediterranean, calling upon civilians for more blood donations. "Time is precious out here" he haid. "For the lack of plasma, men die. To it they owe the gift of life itself Our reserves of plasma are being drained by the growing offensive. To every citizen I carry this appeal from the soldiers who are your friends and relatives fighting far from home.

"Give your blood that we, too, may be assured our chance for life."

This is personal appeal to each one of us. If we can't fight let us give our blood so that a soldier may have the chance to live.

Card of Thanks

The family of the late Mrs. Ellen Parker wish to thank their neighbors and friends for the many expressions of sympathy through cards, flowers and in many other ways.

Card of Thanks

I take this opportunity of thanking the members of the W.M.S. of St. John's United Church for the beautiful life membership pin which, through Mrs. W. I. Henry, was given me last Sunday morning. I do not feel I was deserving of the kind words and such honor. Again thanking you all,

—Mrs. W. H. Thurston.

Spoke On India

"Radio and airplanes have brought the distant parts of the world so close that we are really beginning to realize that men are brothers in the way that God intended," stated Dr. Lucy Robinson Bryce, M.A., Ph.D., of India, who spoke in St. John's United Church Sunday morning, under the auspices of the W.M.S. Mrs. Bryce stressed that idea when giving her very interesting talk on India, where she and her husband have labored as missionaries for nearly thirty years. India, with a population of 400,000,000 people, of which only 8,000,000 are Christians, has many castes. The lower castes, known as untouchables, has the greatest population of any other division. It is among these people Christ's message is most welcomed, as it meets the needs of the people and makes them realize that they do not need to do all the menial work of India. Dr. Bryce stated that eighty percent of the people of India till the soil, but live in villages. The missionaries teach them the best way of cultivating the soil, raising poultry and other farm products. India is to have self-government when the war is over. Another of the aims of missionaries in India is to establish a Christian home in every village, to teach by example what that means to the people. Everyone who learns to read, teaches another, so that old and young are both pupils and teachers. Many soldiers in the Indian Army have won the Victoria Cross and many untouchables, since becoming Christians, have risen to high positions of trust and responsibility. Although the Christians are so few in numbers compared with the rest of India, yet their influence is much greater in comparison.

During the service Mrs. W. H. Thurston was presented with a life membership pin by the members of the W.M.S. in recognition of over 25 years of service as president of that organization.

Dr. Bryce was the guest of Rev. and Mrs. Westcott while in Flesherton, and many had the privilege of meeting her at a reception held on Saturday afternoon at the Parsonage.

ARRIVED OVERSEAS

Mr. and Mrs. F. J. Thurston received a cable on Monday announcing the safe arrival overseas of their son, Aircraftman Jim Thurston with the Royal Canadian Air Force. He left for an east coast port three weeks ago after a furlough at his home.

NEWS HELD OVER

This week we are obliged to hold back considerable correspondence, due to the heavy advertising patronage in this issue. The many advertisements are in your own interests, and give you valuable information.

Flesherton Over Top

Flesherton village has again been the first municipality in Grey County to reach its objective in the Victory Loan. They have enjoyed this distinction for four out of the five Victory Loans, the other loan they came second, also reaching their objective during the first week. This time the total of 104.9 per cent of their objective of $40,000 was reached Friday evening, after five days canvassing. The people are to be congratulated upon their investments. Artemesia Township is doing well, as at Tuesday noon they were in second place with 64.6 of their objective, with Dundalk in third place with 57.3. Osprey Township is in tenth place with 39.5 of their objective. It is expected that Artemesia will go over the top within the next couple of days. The total amount collected in Grey County is $1,577,300 or 39.4 per cent of the objective of $4,000,000. Some municipalities will have to work fast to reach their objective.

Master Barry Thurston represented the east side of the South Grey Inspectorate at the Victory Loan quizz contest held at Priceville Saturday morning last. Helen Huber of Hanover took first place and Barry came third. He was the youngest competitor in the contests. Inspector Pentland conducted the quizz.

Col. W. W. Johnston, Area Commandant, made his annual inspection of "B" Company, G. and S. Foresters on Monday evening when there was a splendid attendance to greet him. The Company was in command of Capt. F. D. Sawyer, who took over the command of the Company from Capt. F. J. Thurston, who recently retired.

CALLED TO THE BAR

Mr. John A. MacVicar, son of Mr. and Mrs. Angus MacVicar of Priceville, was called to the Bar at a ceremony before Mr. Justice Plaxton in Toronto on Thursday last, Oct. 21st. He was enrolled upon oath as solicitor and barrister-at-law. Mr. W. J. Beaton, K.C., made the presentation. John is a graduate of Toronto University and Osgoode Hall, and also a graduate of Flesherton High School. He is well known throughout this entire district and his many friends are very pleased to hear of his success. He is on call to the Royal Canadian Navy and expects to join up in January.

OPEN DEER SEASON

There will be a six-day open season for the shooting of deer in the counties of Simcoe, Dufferin, Grey and Bruce, from the 15th to the 20th of November, both days inclusive, according to information given out by the Department of Game and Fisheries in Toronto. The use of dogs is prohibited, as usual. This is the second year in succession an open season for deer has been declared in these counties.
