ONE OF THE HUMANITARIAN MOVEMENTS of the times although little known as such, can hardly be over estimated in its importance upon the well being of our widely scattered communities. The population of the American States is in many sections so sparse, that skillful Physicians are hardly available to them. Vast numbers of our people, are obliged to employ in sickness, such medical relief as they can hear of from each other, or indeed any they can get from any quarter. Hence arises the great consumption of Patent Medicines among us, greater by far than in any of the old countries, where skillful physicians are accessible to all classes. Unprincipled men have long availed themselves of this necessity, to palm off their worthless nostrums, until the word has become synonmous with imposition and cheat. One of our leading Chemists of the East, Dr. Ayer, is pursuing a course which defeats this iniquity. He brings not only his own but the best skill of our times to bear, for the production of the best remedies which can be made. These are supplied to the world, in a convenient form, at low prices, and the people will no more buy poor medicines instead of good, at the same cost, than they will bran instead of flour. The inevitable consequence of this is, that the vile compounds that flood our country are discarded for those which honestly accomplish the end in view,—which cure. Do we over estimate its importance, in believing that this prospect of supplanting the by-word medicines, with those of actual worth and virtue, is fraught with immense consequence for good, to the masses of our people.—Gazette and Chronicle, Peru, Ia. 54

A NEW WORK BY THE DISTINGUISHED AMERICAN AUTHORESS

MRS. EMMA D. E. N. SOUTHWORTH.

THE HAUNTED HOMESTEAD

WITH AN AUTHOBIOGRAPHY OF THE AUTHOR

BY MRS. EMMA D. E. N. SOUTHWORTH.

Author of the 'Lost Heiress,' 'Deserted Wife,' 'Missing Bride,' 'India,' 'Wife's Victory,' 'Retribution,' 'Curse of Clifton,' 'Vivia,' 'The Three Beauties,' 'Lady of the Isle,' &c., &c., &c.

Complete in one large Duodecimo Volume, neatly bound in Cloth, for One Dollar and Twenty-five Cents. Or in two Volumes, Paper Cover, for One Dollar.

THE Publishers take great pleasure in being able to present to the American public another new and charming work by the popular American Authoress, Mrs. EMMA D. E. N. SOUTHWORTH. She is excelled by no living female writer in the world. Her style is free from insipidity on the one hand and bombast on the other; and though we meet with forcible, we are never startled with inflated language. Her characters are rarely under, but never overdrawn. Her scenes are life pictures, her incidents founded on facts, and her sentiments are characterized by a singular purity both of conception and expression. She has the rare faculty of saying what she means, and of saying it in such a manner as that her meaning cannot be misinterpreted. In short, she possesses in an eminent degree those qualifications which are the peculiar prerogatives of a good writer; while she delights the reader's imagination with her descriptive beauty, she applies home truths to their understanding with the force of rational conviction. The 'HAUNTED HOMESTEAD' has been pronounced, by those who have read the proof-sheets, to be her best work. This is sufficient to commend it to perusal, and we anticipate for it a great popularity.

For Sale by all Booksellers.

☞ Copies of either edition of the work will be sent to any part of the United States, free of postage, on remitting the price of the edition they may wish, to the publishers, in a letter.

MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP!

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflamation—will allay ALL PAIN and spasmodic action, and

BE SURE TO REGULATE THE BOWELS.

Depend upon it mothers, it will give rest to yourselves and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

CHIFING IN THE BOWELS AND WIND CHOLIC,

and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has used this medicine, if these any of the foregoing complaints—do not let your prejudices of others stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world.

G. G. EVANS, having purchased the stereotype plates, copyrights, etc., of the "Prince of the House of David," "Pillar of Fire," etc., would call the attention of Agents to these truly valuable Works.

The "PILLAR OF FIRE," by the same author, is now meeting with a rapid sale, over 40,000 copies have been sold since its publication, and as a companion to the "Prince of the House of David," every reader of that book should purchase a copy.

"THE RECORDS OF THE REVOLUTIONARY WAR," is a book of great interest, and gives a vast amount of information relative to the Soldiers of the Revolution, and is an invaluable book of reference for the descendants of its heroes and all who are interested in Pension Claims, Land Warrants, etc., etc.

The most liberal inducements are offered to Agents, and upon addressing the publisher, every information will be given.
