HOLLOWAY'S OINTMENT AND PILLS.—Far below the eruptions, boils, wens, sores, and other excrescences that disfigure the surface of the body, lies the acrid and corrosive poison which sustains and aggravates them. This virus, which usually lurks in the large vessels springing from the great internal organs, can only be followed to its hidden recesses by a preparation like Holloway's Ointment, whose penetrating properties are irresistible. But this is merely, so to speak, the mechanical or motive characteristic of this famous salve. Having reached the poison, its chemical action immediately destroys or neutralizes it. Thus its cures are radical and perfect. The Pills, from their purifying effect upon the blood, are a material help in such cases. 62

WE SPEAK THAT WE DO KNOW.—In our Editorial capacity we are sometimes called upon to notice articles the desirable qualities of which are alone known to us through the testimony of others; but in introducing to our readers 'Kennedy's Medical Discovery,' such is not the case. Personal observation permits us to speak with the greatest confidence in regard to this popular medicine. A member of our own family was cured of a most aggravated case of Tic Dolourux of some twenty years standing. In addition to this, we have perused the certificates of many of the most esteemed citizens of the state, who have been cured of various diseases more or less connected with humors. We are convinced, and would have the public also.

For Sale by every Druggist in the British Provinces. 62

The greatest preservative of beauty known to modern science, is Professor Wood's Hair Restorative and Cosmetic. Among the most important features of female beauty, are a luxuriant head of hair and a fine complexion; both of which should be guarded as sacred treasures, for either may be lost by neglect, or preserved by the use of the above named article; delay is dangerous. We seldom undertake, editorially, to endorse what are called 'Hair Restoratives,' as knowing full well that the great majority of such preparations are entirely worthless. Exceptions there are, nevertheless, and among these we have never hesitated to express our conviction that the article known as 'Wood's Hair Restorative' is entitled to a proud pre-eminence. This article has told its own story in numberless instances of prematurely gray and bald heads, and the certificates in regard to its amazing efficacy have been alike numerous, unsolicited, and emphatic. When Senators of the United States and others (of the highest standing socially and politically) openly declare that 'Wood's Hair Restorative' is all, and more than all, it pretends to be, we cannot do otherwise than believe them. The article can be had at all our Druggists. See notice elsewhere. Railway Republican.

Sold by all Druggists. 57

A NEW WORK BY THE DISTINGUISHED AMERICAN AUTHORESS

MRS. EMMA D. E. N. SOUTHWORTH.

THE HAUNTED HOMESTEAD

WITH AN AUTOBIOGRAPHY OF THE AUTHOR BY MRS. EMMA D. E. N. SOUTHWORTH.

Author of the 'Lost Heiress,' 'Deserted Wife,' 'Missing Bride,' 'India,' 'Wife's Victory,' 'Retribution,' 'Curse of Clifton,' 'Vivia,' 'The Three Beauties,' 'Lady of the Isle,' &c., &c., &c.

Complete in one large Duodecimo Volume, neatly bound in Cloth, for One Dollar and Twenty-five Cents. Or in two Volumes, Paper Cover, for One Dollar.

THE Publishers take great pleasure in being able to present to the American public another new and charming work by the popular American Authoress, Mrs. EMMA D. E. N. SOUTHWORTH. She is excelled by no living female writer in the world. Her style is free from insipidity on the one hand and bombast on the other; and though we meet with forcible, we are never startled with inflated language. Her characters are rarely under, but never overdrawn. Her scenes are life pictures, her incidents founded on facts, and her sentiments are characterized by a singular purity both of conception and expression. She has the rare faculty of saying what she means, and of saying it in such a manner as that her meaning cannot be misinterpreted. In short, she possesses in an eminent degree those qualifications which are the peculiar prerogatives of a good writer; while she delights the reader's imagination with her descriptive beauty, she applies home truths to their understanding with the force of rational conviction. The 'HAUNTED HOMESTEAD' has been pronounced, by those who have read the proof-sheets, to be her best work. This is sufficient to commend it to perusal, and we anticipate for it a great popularity.

For Sale by all Booksellers.

☞ Copies of either edition of the work will be sent to any part of the United States, free of postage, on remitting the price of the edition they may wish, to the publishers, in a letter.

1,000,000 Boxes sold of

MOREHEAD'S

Magnetic Plaster.

THIS enormous quantity of this invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.

The MAGNETIC PLASTER is undoubtedly the Greatest Strengthener and Pain Destroyer that Science has yet discovered. If you put this Plaster anywhere, if Pain is there, the Plaster will stick there until the Pain has vanished. The Plaster magnetizes the Pain away, and

PAIN CANNOT EXIST

WHERE THIS

PLASTER IS APPLIED.

BLOOD FOOD

Dr. Bronson, having been so far reduced by consumption, as to be considered beyond all hope of recovery by the most eminent of the medical profession, and also by himself—a regular physician of twenty years practice—as a last resort, conceived the idea of ANALYZING THE BLOOD, and applying the subject of physiology to the immediate connection, and effect of the state of the blood upon the health and system. The result has been the production of this "BLOOD FOOD," from the use of which Dr. Bronson was restored to perfect health. Within six months after its introduction, over two thousand consumptives were effectually cured by it. If you have any complaints of a consumptive tendency, Cough, Cold, Head-ache, Palpitation of the Heart, Loss of appetite, or pain in the side, lose no time in procuring a bottle of the "BLOOD FOOD."—If you are suffering from Nervous Debility, or your sleep is broken and disturbed, if your Spirits are depressed, or your Organs relaxed, you will find in this an unfailing remedy, by commencing with ten drops. If your Liver is torpid or diseased in any manner whatever, one or two bottles will be sure to invigorate, and bring it into lively and healthful action. In the most inveterate cases of Dyspepsia, the patient can here find the most efficient and grateful relief. A benefit is always experienced after taking one bottle. In Male or Female Complaints and Weakness, the sufferer, after trying other remedies in vain, may rest assured, that a certain cure will result from the use of two or three bottles. The 'BLOOD FOOD' is effectual in all cases of Eruptions, Salt Rheum Scrofulas and other like complaints. Pale and emaciated children and adults are immediately benefited by its use. It gives strength to the body and color and beauty to the skin.—Physicians of all schools are using it with wonderful success.

For full directions, see circulars. Price $1 per bottle.

—o—

In presenting you with DR. EATONS INFANTILE CORDIAL, we desire to state in superlatively intense language, that it is the most perfect preparation of its kind, and consequently we therefore offered you.

First—It is the prescription of a regular physician, who is well qualified from much experience in infantile complaints to prescribe for them. Secondly—It is entirely free from paregoric or opiate of any kind, and consequently is safe by removing the suffering of your child, instead of deadening its sensibilities. Thirdly—It is put up with great care, as a compound of it with any other article for infantile complaints will show; the very roots from which it is distilled being dug from the forests under the direction of Dr. Eaton, many of them by his own hands. Fourthly—It is perfectly harmless and cannot injure the most delicate infant, and is a certain cure and relief in all the following cases, which is the chief merit over every other preparation, viz:

FOR ALL COMPLAINTS ATTENDING TEETHING: such as DIARRHŒA, COLIC, GRIPING IN THE BOWELS AND WIND, and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices or the prejudices of others, stand between your suffering child and the relief that will SOLUTELY SURE—be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if times used. Full directions are given with each bottle. None genuine unless company each bottle. Sold by all Druggists throughout the world. Principal Office, No 31 Cedar street, New York. Price only 25 cents per bottle. 186-w&d

MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP!

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and IS SURE TO REGULATE THE BOWELS.

Depend upon it mothers, it will give rest to yourselves and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction, when, in addition, we speak in terms of the highest commendation of its magical effects and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, stomach and bowels, but invigorates the stomach and bowels, gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND, COLIC,

and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause.
