Children bring up their parents very severely now. We see it stated that a man failed the other day, only because he couldn't pay his son's bills. This may serve to offset some one of the cases of parental cruelty that used to occur in the dark ages.

KENNEDY'S MEDICAL DISCOVERY.—Scarcely a day passes that we do not hear of some wonderful cure performed by this popular medicine; and while we have been writing this short notice, a gentleman, Mr. J. L. Clarke, residing at No. 23 Lowell street, Boston, has looked in upon us, and finding that we were penning an article in regard to the Discovery, stated that, within a year, he had been cured of a very severe case of Scrofula, that broke out in large bunches upon his neck, and that too by using two bottles. There is not a humor that exists in the world, no matter how long it has existed, but this medicine will cure it speedily. Knowing then its value, it is the height of folly in the afflicted to delay obtaining it.

For Sale by every Druggist in the British Provinces. 69

HOLLOWAY'S PILLS.—Dyspepsia, which is considered by physicians one of the most difficult of all diseases to deal with, invariably succumbs to this supreme regulator of the internal organs. The effect of the Pills upon the membrane which lines the alimentary canal, appears to be wonderfully soothing and healing, while at the same time they gently stimulate the stomach and the liver. This we suppose to be the modus operandi in cases of dyspepsia and diarrhœa; but, whatever the process, there can be no doubt as to the rapidity, invariability, and completeness of the cure. The Pills have been administered in this neighborhood in cases of summer complaint and general weakness and debility, with the happiest result. They are a perfectly safe medicine for children. 69

The greatest preservative of beauty known to modern science, is Professor Wood's Hair Restorative and Cosmetic. Among the most important features of female beauty, are a luxuriant head of hair and a fine complexion; both of which should be guarded as sacred treasures, for either may be lost by neglect, or preserved by the use of the above named article; delay is dangerous. We seldom undertake, editorially, to endorse what are called 'Hair Restoratives,' as knowing full well that the great majority of such preparations are entirely worthless. Exceptions there are, nevertheless, and among these we have never hesitated to express our conviction that the article known as 'Wood's Hair Restorative' is entitled to a proud pre-eminence. This article has told its own story in numberless instances of prematurely gray and bald heads, and the certificates in regard to its amazing efficacy have been alike numerous, unsolicited, and emphatic. When Senators of the United States and others (of the highest standing socially and politically) openly declare that 'Wood's Hair Restorative' is all, and more than all, it pretends to be, we cannot do otherwise than believe them. The article can be had at all our Druggists. See notice elsewhere. Rahway Republican.

Sold by all Druggists. 57

A BLOODLESS VICTORY!!

1,000,000 Boxes sold of MOREHEAD'S

Magnetic Plaster.

THIS enormous quantity of this invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.

The MAGNETIC PLASTER is undoubtedly the Greatest Strengthener and Pain Destroyer that Science has yet discovered. If you put this Plaster anywhere, if Pain is there, the Plaster will stick there until the Pain has vanished. The Plaster magnetizes the Pain away, and

PAIN CANNOT EXIST
WHERE THE
PLASTER IS APPLIED.

Rheumatism, Lameness, Stiffness, Weakness Debility, Nervousness, Neuralgia, Dyspepsia Coughs and Colds, Pains and Aches of every kind are IMMEDIATELY RELIEVED, and with a little patience, PERMANENTLY CURED, by the magical influence of the MAGNETIC PLASTER. It is the simplest, surest, safest, pleasantest and cheapest remedy in existence. Its application is universal—equally to the strong man, the delicate woman, and the feeble infant. Its use is agreeable, and without annoyance or trouble. Its price is within reach of all—rich or poor: all may have it, and all should have it who are sick and suffering in any way.

FARMERS and PLANTERS should always be supplied with the MAGNETIC PLASTER. It will be the Good Physician in any household, ready at all times and at instant notice.

Put up in air-tight tin boxes. Each box will make six or eight plasters and any child can spread them. Price, 25 cents a box, with full and plain directions.

Depend upon it mothers, it will give rest to yourselves and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction to any one who used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices or the prejudices of others, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world.
