THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.
MR. Kennedy, of Baxter place, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst scrofula down to a common pimple. He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will cure the system of boils.
Two bottles are warranted to cure the worst kind of canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst kind of erysipelas.
One to three bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two to three bottles are warranted to cure the worst kind of ringworm.
Two to three bottles are warranted to cure the most desperate case of Rheumatism.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
ROXBURY, MASS.
DEAR MADAM,—The reputation of the Medical Discovery is curing all kind of humors, is so well established by the unanimous voice of all who have ever used it, and I need not say anything of the subject, as the most skilled physicians and the most careful druggists in the country are unanimous in its praise.
In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. The most excruciating disease to an affectionate mother,
NURSING SORE MOUTH,
Is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and quiet slumbers; and the Medical Discovery becomes a fountain of blessing to your husband and household.
In the more advanced stages of
CANKER,
it extends to the stomach, causing
DYSPEPSIA,
which is nothing but canker on the stomach; then to the intestines and
KIDNEYS,
creating a sinking, gone feeling, and an indifference even to the cares of your family.
Your stomach is
RAW AND INFLAMED,
your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes yellow or greenish, and your best days are gone. For want of nourishment your system becomes loose and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to
CURE.
Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the
PILES.
How many thousands of poor women are suffering from this disease, and pining away a miserable life, and their next door neighbor does not know what is the cause. I wish to impress on your mind that good old proverb, "An ounce of prevention is better than a pound of cure." In the
MEDICAL DISCOVERY
you have both the preventative and the cure, with this great and good quality, that it will never under any circumstances, do you any injury.
No change of diet ever necessary—eat the best you can get and enough of it.
DIRECTIONS FOR USE—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, teaspoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
Yours truly,
DONALD KENNEDY.

STARTLING BUT TRUE.
SURVIVE OR PERISH.
Holloway's Pills.
The history of this great remedy is the most wonderful medical revelation that the world has ever known. It is not a history written by one man, or even derived from the experience of one nation, but consists of a compilation of testimonials from the sick of every country—a record, the like of which has never been adduced in favor of any discovery or invention since time began.
BILIOUS DISORDERS.
In whatever form disease attacks the liver, it is repelled and exterminated by this searching, painless and irresistible curative.
Let the sick whom the faculty have abandoned, depart with confidence to this powerful antibilious agent, and a restoration to health and activity will be the unerring result.
DYSPEPSIA.
The great scourge of this continent yields quickly to a course of these antiseptic Pills, and the digestive organs are restored to their proper tone; no matter in what hideous shape this hydra of disease exhibits itself, this searching and unerring remedy disperses it from the patient's system.
GENERAL DEBILITY & WEAKNESS.
From whatever cause, LOWNESS or STRAINS, and all other signs of a diseased liver, and other disorganizations of the system, vanish under the eradicating influence of this all powerful antiseptic and detergent remedy.
SICKLY FEMALES.
Should lose no time in trying a few doses of this regulating and renovating remedy; whatever may be their complaint, it can be taken with safety in all periodical and other disorganizations; it is perfect in all but injurious.
Holloway's Pills are the best remedy known in the world for the following diseases:
Asthma, Diarrhœa, Indigestion,
Bowel Complaints, Dropsy, Influenza,
Coughs, Debility, Inflamation,
Colds, Fever &, Inward Weak-
Chest Diseases, Ague, ness,
Female Complaints, Liver Complaints,
Costiveness, Lowness of Spirits,
Dyspepsia, Headaches,
Piles, Stone and Gravel,
Secondary Symptoms, Venereal Affections,
Worms of all kinds.
CAUTION.—None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.
Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes at 25 cents, 63 cents, and $1 each.
There is considerable saving by taking the larger sizes.
N.B.—Directions for the guidance of patients in every disorder are affixed to each box. 201

THE ONLY PREPARATION
WORTHY OF UNIVERSAL CONFIDENCE AND PATRONAGE!!
For Statesmen, Judges, Clergymen, Ladies and Gentlemen, in all parts of the world, testify to the efficacy of Prof. O. J. Wood's Hair Restorative, and gentlemen of the Press, are unanimous in its praise. A few testimonials only can be here given; see circular for those, and it will be impossible for you to doubt.
47 Wall Street,
New York, Dec. 20th, 1858.
GENTLEMEN: Your note of the 15th inst. has been received, saying that you had heard that I had been benefitted by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.
I award it to you cheerfully, because I think it due. My age is about 50 years, the color of my hair auburn, and inclined to curl. Some five or six years since it began to turn gray, and the scalp on the crown of my head to lose its sensibility and dandruff to form upon it. Each of these disagreeabilities increased with time, and about four months since a fourth was added to them, by hair falling off the top of my head and threatening to make me bald.
In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrest the falling off of the hair, for I had really no expectation that gray hair could ever be restored to its original color except from dyes. I was, however, greatly surprised to find after the use of two bottles only, that not only was the falling off arrested, but the color was restored to the gray hairs and sensibility to the scalp, the dandruff ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it.
For this, among the many obligations I owe to her sex, I strongly recommend all husbands who value the admiration of their wives to profit by my example, and use it if growing gray or getting bald.
Very respectfully, REV. A. LAVERGNE.
To O. J. Wood & Co., 114 Broadway, N.Y.
My family are absent from the city, and I am no longer at No. 11 Carroll Place.
Starkville, Ala., July 29, 1859.
To Prof. O. J. Wood—Dear Sir: Your Hair Restorative has done my hair so much good since I commenced the use of it, that I wish to make known to the PUBLIC of its effects on the hair, which are great. A man or woman may be nearly destitute of hair, and by a resort to your 'Hair Restorative,' the hair will return more beautiful than ever; at least this is my experience. Believe it all!
Yours truly, WM. H. KENNEY.
P.S.—You can publish the above if you like. By publishing in our Southern papers you will get more patronage south. I see several of your certificates in the Mobile Mercury, a strong Southern paper. W.H.K.
Prof. O. J. Wood—Dear Sir: Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans in 1851, I was induced to make a trial of your preparation, and found it the answer as the very thing needed. My hair is now thick and glossy, and my friends express my obligations to you in giving to the afflicted such a treasure.
FINLAY JOHNSON.
