Moving Pictures Held At Vandeleur By Forum

(By Vandeleur Reporter)

Under the auspices of the Farm Forum, a splendid program of sound moving pictures was given at the home of Andy Fawcett on Thursday evening of last week, by Mr. Ed. Lange of Desboro. The pictures were the production of the National Film Board and were very interesting and instructive. There were scenes of wild animal life, travel pictures through South America, also the Mediterranean Sea, Malta and Gibraltar. War pictures were indeed real and scenes were shown from every province of the Dominion. A sing-song number with an orchestra and song leaders on the screen brought forth a round of applause. There were scenes of Grey County and the Co-operative stores taken by H. H. Hannam, and it was interesting to see some of our local residents in the scenes. A close up of little Ruth Graham was good. Mr. Lange is paid by the Canadian Council for Adult Education and his mileage in the County by the Grey County Federation of Agriculture. He was introduced by the Forum Secretary, Mr. Howard Graham, and tendered a hearty vote of thanks at the close of the program. Messrs. Geo. Shaw and Stan Harvey were the conveners in charge of the meeting.

Some additional facts learned at the meeting was that Sullivan Township leads the world with 24 active Farm Forums.

The Farm Forums of Grey County are having a monster picnic at the Harrison Park, Owen Sound, on Saturday, June 10th. There are about 40 pictures to the foot of film tape, and there were 1500 feet of film on some of the reels.

The sound effects, the words of the narrator and the singing made the pictures very real, indeed.
