both if both are built, which is most likely to be the case, thus connecting all the lines west of the Mississippi at this point, making St. Louis the centre of telegraphic business between the Atlantic and Pacific States.

EMIGRATION TO THE GOLD REGIONS.—Leavenworth, April, 19.—The express from Denver city on the 12th, arrived last night with $8,000 in gold per messenger. It met the second outgoing pony express at O'Fallan's Bluffs. Nothing of special interest had transpired in the gold region. Emigrants were coming in rapidly and preparations for mining were being actively carried forward.

Toronto Markets.

April 21, 1860.

Scarcely anything was done upon the market to-day. About 250 bushels of wheat were sold at previous prices. We hear of a sale of 500 barrels No. 1 superfine at $4 90, and of 200 barrels extra in store at $5.

HOLLOWAY'S PILLS.—There is no hazard in saying that the popularity of Professor Holloway's remedies in this country is without a parallel in our medical annals. The instances in which sick persons professionally condemned to death have recovered under the operation of his miracle-working Pills, are so numerous and so well authenticated, that the most stubborn incredulity is silenced. Hosts of dyspeptics and of persons afflicted with liver complaint, nervous debility, disorders of the bowels, epileptic fits, pulmonary diseases, and other internal distempers, have been cured by this unapproachable medicine since its introduction into this country. The press teems with the testimonials of the parties, and while we wonder we are compelled to believe. 85

HUMORS.—We know of nothing more trying to the patience—more aggravating to the feelings, or more painful to be borne, than a humor breaking out in boils, or internally causing a canker, exhibiting itself in the Erysipelas, or eating into the very bone in the form of Scrofula. But thanks to all-wise Providence, direful as these afflictions may be, a sure remedy has been found—a healing portion is within the grasp of all. Kennedy's Medical Discovery comes like an angel of mercy to the afflicted with healing in its wings; and there are thousands at this moment whose blood, a few months since, was corrupted by humor, but now flows purified through their veins. We do not hesitate to declare this the greatest uproster of humor ever known. 65

HOW TO PRESERVE BEAUTY.—Nothing is more becoming to a man or woman than a beautiful luxuriant head of hair, and a woman's beauty is certainly incomplete without a fair complexion, and he or she who neglects these great and important adornments of nature must expect to suffer the mortification of premature baldness, and a wrinkled face and a sallow skin. Nothing is necessary to preserve these essential attractions but the use of Prof. Wood's Restorative.—(Louisville Times.

PROF. WOOD'S HAIR RESTORATIVE.—We have had occasion to use this famous preparation of Prof. Wood's, and after thoroughly testing its qualities, we find that where the hair is thin it will thicken it, if gray it will restore it to its original color; likewise, it gives a glossy appearance, as well as keeps the hair from falling off. This invaluable ingredient is for sale at 'Chinaman's Tea Store,' south-east corner Frederick and Baltimore streets, by Mr. J. C. Given.—(Baltimore Clipper.

MOREHEAD'S

Magnetic Plaster.

THIS enormous quantity of this invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.

The MAGNETIC PLASTER is undoubtedly the Greatest Strengthener and Pain Destroyer that Science has yet discovered. If you put this Plaster anywhere, if Pain is there, the Plaster will stick there until the Pain has vanished. The Plaster magnetizes the Pain away, and

PAIN CANNOT EXIST

WHERE THE

PLASTER IS APPLIED.

Rheumatism, Lameness, Stiffness, Weakness Debility, Nervousness, Neuralgia, Dyspepsia Coughs and Colds, Pains and Aches of every kind are IMMEDIATELY RELIEVED, and with a little patience, PERMANENTLY CURED, by the magical influence of the MAGNETIC PLASTER.
