THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.
MR. Kennedy, of Roxbury, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst scrofula down to a common pimple. He has tried it in over eleven hundred cases, and never failed except in two cases (both thunder humor.) He has now in his possession over two hundred certificates, of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a nursing sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two or three bottles will cure the system of boils.
Two bottles are warranted to cure the worst kind of canker in the mouth and stomach.
Three to five bottles are warranted to cure the worst kind of erysipelas.
One to three bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two to three bottles are warranted to cure the worst kind of ringworm.
Two to three bottles are warranted to cure the most desperate case of Rheumatism.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
ROXBURY, MASS.
DEAR MADAM,—The reputation of the Medical Discovery is curing all kind of humors, is so well established by the unanimous voice of all who have ever used it, and I need not say anything of the subject, as the most skillful physicians and the most careful druggists in the country are unanimous in its praise.
In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are unfortunately so liable. The most excruciating disease to an affectionate mother,
NURSING SORE MOUTH,
is cured as if by a miracle; your own temper is restored to its natural sweetness, and your babe from short and fretful naps to calm and quiet slumbers; and the Medical Discovery becomes a fountain of blessing to your husband and household.
In the more advanced stages of
CANKER
it extends to the stomach, causing
DYSPEPSIA,
which is nothing but canker on the stomach; then to the intestines and
KIDNEYS,
creating a sinking, gone feeling, and an indifference even to the cares of your family.
Your stomach is
RAW AND INFLAMED,
your food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains as the acrimonious fluid of the canker eats it up; then your complexion loses its bloom and becomes sallow or greenish, and your best days are gone. For want of nourishment your system becomes loose and the fibres of your body become relaxed. Then follow a train of diseases which the Medical Discovery is peculiarly adapted to
CURE.
Palpitation of the heart, pain in the side, weakness of the spine and small of the back, pain of the hip joint when you retire, irregularity of the bowels, and also, that most excruciating of diseases, the
PILES.
How many thousands of poor women are suffering from this disease, and pining away a miserable life, and their next door neighbor does not know what is the cause. I wish to impress on your mind that good old proverb. "An ounce of prevention is better than a pound of cure." In the
MEDICAL DISCOVERY
you have both the preventative and the cure, with this great and good quality, that it will never under any circumstances, do you any injury.
No change of diet ever necessary—eat the best you can get and enough of it.
DIRECTIONS FOR USE—Adults one table spoonful per day—Children over ten years dessert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.
Yours truly,
DONALD KENNEDY.

THE ONLY PREPARATION
WORTHY OF UNIVERSAL CONFIDENCE AND PATRONAGE!!
For Statesmen, Judges, Clergymen, Ladies and Gentlemen, in all parts of the world, testify to the efficacy of Prof. O. J. Wood's Hair Restorative, and gentlemen of the Press, are unanimous in its praise. A few testimonials only can be here given; see circular for more, and it will be impossible for you to doubt.
47 Wall Street,
New York, Dec. 20th, 1858.
GENTLEMEN: Your note of the 15th inst. has been received, saying that you had heard that I had been benefitted by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.
I award it to you cheerfully, because I think it due. My age is about 50 years, the color of my hair auburn, and inclined to curl. Some five or six years since it began to turn gray, and the scalp on the crown of my head to lose its sensibility and dandruff to form upon it. Each of these disagreeabilities increased with time, and about four months since a fourth was added to them, by hair falling off the top of my head and threatening to make me bald.
In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrest the falling off of my hair, for I had really no expectation that gray hair could ever be restored to its original color except from dyes. I was, however, greatly surprised to find after the use of two bottles only, that not only was the falling off arrested, but the color was restored to the gray hairs and sensibility to the scalp, and dandruff ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it.
For this, among the many obligations I owe to her sex, I strongly recommend all husbands who value the admiration of their wives to profit by my example, and use it if growing gray or getting bald.
Very respectfully, BEN. A. LAVENDER.
To O. J. Wood & Co., 444 Broadway, N.Y.
My family are absent from the city, and I am no longer at No. 11 Carrol Place.
Shamaston, Ala., July 20, 1859.
To Prof. O. J. Wood—Dear Sir: Your 'Hair Restorative' has done my hair so much good since I commenced the use of it, that I wish to make known to the PUBLIC of its effects on the hair, which are great. A man or women may be nearly deprived of hair, and by a resort to your Hair Restorative, the hair will return more beautiful than ever; at least this is my experience. Believe it all!
Yours truly, WM. H. KENDY.
P.S.—You can publish the above if you like. By publishing in our Southern papers you will get more patronage south. Iace several of your certificates in the Mobile Mercury, a strong Southern paper. W.H.K.
PROF. O. J. WOOD—Dear Sir: Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans in 1831. I was induced to make a trial of your preparation, and found it to answer as the very thing needed. My hair is now thick and glossy, and no words can express my obligations to you in giving to the afflicted such a treasure.
FINEY JOHNSON.
The Restorative is put up in bottles of 3 sizes, viz: large, medium and small; the small holds half a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent more in proportion than the small, retails for two dollars a bottle; the large holds a quart, 40 per cent more in proportion, and retails for $3 a bottle.

MOTHERS
Thousands are daily speaking in the praise of
DR. EATON'S
INFANTILE CORDIAL,
and why? because it never fails to afford instantaneous relief when given in time. It acts as if by magic, and one trial alone will convince you that what we say is true. It contains
NO PAREGORIC OR OPIATE
of any kind, and therefore relieves by removing the sufferings of your child, instead of deadening its sensibilities. For this reason it commends itself as the only reliable preparation now known for CHILDREN TEETHING, DIARRHŒA, DYSENTERY, GRIPING IN THE BOWELS, ACIDITY OF THE STOMACH, WIND, COLD IN THE HEAD, and CROUP, also, for softening the gums, reducing inflammation, regulating the Bowels and relieving pain, it has no equal—being an anti-spasmodic it is used with unfailing success in all cases of CONVULSION or OTHER FITS.
As you value the life and health of your children, and wish to save them from those sad and blighting consequences which are certain to result from the use of narcotics of which other remedies for Infantile Complaints are composed, take none but DR. EATON'S INFANTILE CORDIAL, this you can rely upon. It is perfectly harmless, and cannot injure the most delicate infant. Price, 25 cents. Full directions accompany each bottle. Prepared only by

ANALYZED
always presents us with the same essential elements, and gives of course the TRUE STANDARD. Analyze the Blood of a person suffering from Consumption, Liver Complaint, Dyspepsia, Scrofula, &c., and we find in every instance certain deficiencies in the red globules of blood. Supply these deficiencies, and you are made well. The BLOOD FOOD is founded upon this Theory—hence its astonishing success. There are
FIVE PREPARATIONS
adapted to the deficiencies of the Blood in different diseases. For Coughs, Colds, Bronchitis, or any affection whatever of the THROAT and LUNGS inducing Consumption, use No. 1, which is also the No. for Depression of Spirits, Loss of Appetite, and for all Chronic Complaints arising from Over-use, General Debility and Nervous Prostration. No. 2, for Liver Complaints. No. 3 for Dyspepsia. Being already prepared for absorption it is TAKEN BY DROPS and carried immediately into the circulation, so that what you gain you retain. The No. 4 is for Female Irregularities, Hysteria, Weakness, &c. See special directions for this. For Salt Rheum, Eruptions, Scrofulous Kidney, and Bladder Complaints, take No. 5. In all cases the direction must be strictly followed. Price of the BLOOD FOOD $1 per bottle.

PRACTICAL EXPERIENCE
BETTER THAN
EXPERIMENTAL SCIENCE.
HOLLOWAY'S OINTMENT.
CONSOLATION FOR THE SUFFERING.
Nearly fifty years continual use in every part of the habitable globe, amongst the savage and civilized alike, has proved that simple eruptions, open sores, hard tumors, scrofulous developments of all kinds, abscesses, cancers, old wounds, and, in one word, every species of inflammation and suppuration, whether in the skin, the flesh, the glands, or among the muscles, can be arrested and permanently cured, without danger, by rubbing in, and using as a dressing, this inestimable Ointment.
SCROFULA, ERYSIPELAS, AND SALT RHEUM.
No remedy has ever done so much for the cure of diseases of the Skin, whatever form they may assume, as this Ointment. No case of Salt Rheum, Scurvy, Sore Heads, Scrofula or Erysipelas, can long withstand its influence.
BAD LEGS, OLD SORES, AND ULCERS.
Cases of many years standing, that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a few applications of this powerful ungent.
ERUPTIONS OF THE SKIN,
Arising from a bad state of the blood or chronic disease, are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the face.
PILES AND FISTULA.
Every form and texture of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emollient; warm fomentations should precede its application. Its healthy qualities will be found to be thorough and invariable.
Both the Ointment and Pills should be used in the following cases:

Bunions,	Burns,	Chapped Hands,
Chilblains,	Fistula,	Skin Diseases,
Gout,	Lumbago,	Rheumatism,
Piles,	Ringworm,	Salt Rheum,
Colds,	Sore Legs,	Swelled Glands,
Sore Breasts,	Sore Heads,	Sore Throats,
Sprains,	Stiff Joints,	Venereal Sores,
Ulcers of all kinds,		Mercurial Eruptions,
Wounds of all kinds,	Tetter,	Ulcers.

CAUTION!—None are genuine unless the words 'Holloway, New York and London,' are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicine or vending the same, knowing them to be spurious.
Sold at the manufactory of Professor Holloway, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots, at 25 cents, 63 cents, and $1 each.

MRS. WINSLOW
An experienced Nurse and Female Physician, presents to the attention of mothers, her
SOOTHING SYRUP,
FOR CHILDREN TEETHING,
which greatly facilitates the process of teething, softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and BE SURE TO REGULATE THE BOWELS.
Depend upon it mothers, it will give rest to yourselves and
RELIEF AND HEALTH TO YOUR INFANTS.
We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when used according to directions, and never did we know an instance of dissatisfaction used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medical virtues. We speak in this matter WHAT WE DO KNOW, after ten years' experience, AND FEARLESS OF CONTRADICTION, OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE PROMISE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in a few minutes after the syrup is administered.
This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in England, and has been used with never failing success in MANY THOUSANDS OF CASES.
It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve
GRIPING IN THE BOWELS AND WIND COLIC,
and overcome convulsions, which are the only remedy in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA in children, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices or the prejudices of others stand between your suffering child and the relief that will be sure—yes, ABSOLUTELY SURE—if the directions are followed. We would also say to those who have used other medicines, and have witnessed the good effects of the SOOTHING SYRUP, that they have no hesitation in recommending it to be used. Full directions accompany each bottle, signed by the inventor, MRS. WINSLOW, in the case of CURTIS & PERKINS, New York, on the outside wrapper.
Sold by Druggists throughout the world.
Principal Office, No. 31 Cedar street, New York.
Price only 25 cents per bottle.
