Special Notice.

THE ROSSIN HOUSE.—We are happy to learn that the above house is not to be closed, as has been announced for some time past. The Messrs. Rossin, at great personal sacrifice, have purchased the furniture, and the hotel will be kept open as usual. It is essentially an institution of the city, and encouragement should be afforded to maintain it in its present position as the leading hotel of the Province. It will be conducted with renewed energy and a determination to please its patrons. A scale of charges has been adopted, which cannot fail to afford satisfaction to the public, who will find that they can fare as cheaply in this splendid establishment as in other houses. Not only in board are the charges to be moderate, but for wines and other requisites. We hope that the public will not fail to appreciate the endeavors to maintain a hotel, which does honor not only to the city, but to the entire Province. The table will be bountifully supplied with all the delicacies of the season, and every attention paid to the wants of guests.

SICK HEAD-ACHE CURED.—We know that this heading will attract the attention of many, and the eyes of not a few will peruse an article that offers to point out to them a remedy for this prevalent disease. "Kennedy's Medical Discovery" is warranted to cure this malady by the use of one bottle. Now, Reader, do not doubt this statement and suffer on; all that the advocates of the Discovery ask is that you will give it a fair trial, well knowing that the verdict will be in its favor. But many other diseases are cured with certainty, humors of every kind, Scrofula, Salt Rheum, Erysipelas, &c., and it is with a heart full of sympathy for the afflicted that we present to them "Kennedy's Medical Discovery."

For sale by all druggists in the British Provinces. 106

HOLLOWAY'S PILLS.—Swimming of the head, nausea, distaste for food, and a feeling of lassitude and exhaustion, are infallible indications of a torpid stomach and a general sluggishness of the secretive organs and the circulation.—But it is not therefore necessary to send for a doctor. A course of Holloway's great cathartic, alterative, and tonic remedy will remove every unpleasant symptom, and imbue both the body and the mind with unwonted energy. Every animal fluid will be purified, every obstruction in the evacuatory channels swept away, every organ regenerated. These may seem to be strong statements, but the testimony of the sick of all nations is their source and basis. 106

MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP, FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflamation—will allay ALL PAIN and spasmodic action, and IS SURE TO REGULATE THE BOWELS. Depend upon it mothers, it will give rest to yourselves and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medical virtues.—We speak in this matter WHAT WE DO KNOW, after ten years experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the MOST EXPERIENCED and SKILFUL NURSES in New England, and has been used with never-failing success in THOUSANDS OF CASES.
