TO THE LADIES.

MRS. MURDOCH, in returning thanks to the Ladies of Kingston and vicinity for their patronage since she commenced business, would beg to call their special attention to her new, large and fashionable assortment of LADIES' UNDER CLOTHES and BABY LINEN, which she intends to keep constantly on hand.

This being the only stock of the kind in the City, Mrs. M. hopes still to receive such encouragement as will enable her to continue this branch of her business.

Her attention will at all times be directed to the procuring of the latest patterns.

MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP!
FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and IS SURE TO REGULATE THE BOWELS.

Depend upon it mothers, it will give rest to yourselves and RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with NEVER-FAILING SUCCESS in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND COLIC,

and overcome convulsions, stone, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. AGENCY FOR THE SETTLEMENT OF THE FRONTENAC ROAD.

March, 1860.

THE undersigned Agent appointed by His Excellency the Governor General, for the Settlement of the Frontenac Road, passing through the Townships of Hinchinbrooke, Olden, Clarendon, Miller and Matawatchan, Upper Canada, hereby gives notice to all persons willing and having the means of locating thereon, that Lots on the Road are now ready for location. His Office will be in the Township of Hinchinbrooke, and will be open every day in the week from 9 a.m. to 4 p.m.

Grants of One Hundred Acres will be made to any Settler Eighteen Years Old, subject to the following conditions, viz.:

To take possession within one month, and to put in a state of cultivation at least Twelve Acres of Land in the course of Four Years; to build a House (at least 20 × 16) and to reside on the Lot until the conditions of settlement are duly performed; after which accomplishment only shall the settler have the right of obtaining a title of property. Families comprising several settlers entitled to Lands, preferring to reside on a single Lot, will be exempted from the obligation of building and of residence (except upon the Lot on which they live), provided that the required clearing of the Land be made on each Lot. The non-accomplishment of these conditions will cause the immediate loss of the assigned Lot of Land, which will be sold or given to another.

The Road having been opened by the Government, the Settlers are required to keep it in repair.

JAMES SPIKE,
87 Agent Frontenac Road.
