St. Nicholas Hotel.

BROADWAY, NEW-YORK.

WHEN completed, six years ago, the St. Nicholas was universally pronounced the most magnificent, convenient, and thoroughly organized establishment of the kind on this continent. What it was then it remains to-day—without a rival in size, in sumptuousness, and in the general elements of comfort and enjoyment. The Hotel has accommodations for 1,000 guests, including 100 complete suites of apartments for families. Six hundred persons can be comfortably seated at the tables of its three public dining rooms, and nothing that modern art has devised for the convenience and social gratification of the traveling public has been omitted in its plan, or is neglected in its practical details. The early reputation of the house at home and abroad, derived from its magnitude, its superb appointments, and its home-like comforts and luxuries, has been enhanced every year by the unwearied exertions of the proprietors.

MRS. WINSLOW

An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP!

FOR CHILDREN TEETHING,

which greatly facilitates the process of teething, softening the gums, reducing all inflamation—will allay ALL PAIN and spasmodic action, and IS SURE TO REGULATE THE BOWELS.

Depend upon it mothers, it will give rest to yourselves and

RELIEF AND HEALTH TO YOUR INFANTS.

We have put up and sold this article for over ten years, and can say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAILED, IN A SINGLE INSTANCE, TO EFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues.—We speak in this matter 'WHAT WE DO KNOW,' after ten years' experience, AND PLEDGE OUR REPUTATION FOR THE FULFILMENT OF WHAT WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in England, and has been used with never-failing success in THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND COLIC,

and overcome convulsions, which if not speedily remedied end in death. We believe it the best and surest remedy in the world in all cases of DYSENTERY AND DIARRHŒA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices or those of others, stand between your suffering child and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions attending each bottle, none genuine unless the fac-simile of CURTIS & PERKINS, New York, is on outside wrapper.

Sold by Druggists throughout the world. Principal Office, No 31 Cedar street, New York.

Price only 25 cents per bottle. 136-w

A BLOODLESS VICTORY!!

1,000,000 Boxes sold of MOREHEAD'S

Magnetic Plaster.

THIS enormous quantity of this invaluable Remedy has been purchased by the citizens of the United States during the short time it has been before the public. The reason for this extraordinary success is simply in the actual truth and value of the article. No one buys the MAGNETIC PLASTER without becoming its friend. It performs all that is promised, and carries with it its own recommendation. Truly this is a Victory—peaceful and bloodless—but we believe not less glorious than the triumphs of war, with its train of carnage and desolation.

The MAGNETIC PLASTER is undoubtedly the Greatest Strengthener and Pain Destroyer that Science has yet discovered. If you put this Plaster anywhere, if Pain is there, the Plaster will stick there until the Pain has vanished. The Plaster magnetizes the Pain away, and

PAIN CANNOT EXIST WHERE THE PLASTER IS APPLIED.

Rheumatism, Lameness, Stiffness, Weakness Debility, Nervousness, Neuralgia, Dyspepsia Coughs and Colds, Pains and Aches of every kind are IMMEDIATELY RELIEVED, and with a little patience, PERMANENTLY CURED, by the magical influence of the MAGNETIC PLASTER. It is the simplest, surest, safest, pleasantest and cheapest remedy in existence. Its application is universal—equally to the strong man, the delicate woman, and the feeble infant. Its use is agreeable, and without annoyance or trouble. Its price is within reach of all—rich or poor; all may have it, and all should have it who are sick and suffering in any way.

FARMERS and PLANTERS should always be supplied with the MAGNETIC PLASTER. It will be the Good Physician in any household, ready at all times and at instant notice.

Put up in air-tight tin boxes. Each box will make six or eight plasters, and any child can spread them. Price, 25 cents a box, with full and plain directions.

D. C. MOREHEAD, M. D.,
Inventor and Proprietor.
49 Walker Street, New York.

MOREHEAD'S MAGNETIC PLASTER IS SOLD BY ALL DRUGGISTS AND DEALERS IN GENUINE MEDICINES EVERYWHERE.
