In Memoriam

ALEXANDER — In loving memory of a dear husband and father, Robt. J. Alexander, who passed away on April, 27, 1936.

Gone dear husband, gone forever
How we miss your smiling face
But you left us to remember
None on earth can take your place.
How sweet the memory still
But death has left a loneliness
The world can never fill
— Ever remembered by Wife and Family.

Why The Public Should Buy Victory Bonds

An important part of a banker's business is to foster and safeguard the savings of his customers, and perhaps it may seem strange that I should now urge you to take those Loan Bonds.
savings and invest them in Victory

When you stop to think there is nothing illogical about it. Your savings will still be secure and will pay you interest at 3 per cent until the bonds mature. when your money will be returned to you.

I would lke to point out that not only is this a good investment, it is a patriotic duty for all of us to lend to the Government the funds required to win the final round of this war and provide for the rehabilitation of the men and women of our armed forces. Soon. more and more of them will be stepping off the train or bus, their eyes eager for old friends and familiar scene.

Huge sums will be needed to take care of them all, but we can handle it; we haven't failed yet!

Dig down and buy bonds, and then get more on the instalment plan. Why not call on your banker, who will gladly furnish you with full information.

Let's all give the "final heave."

— F. W. HANNAH, Manager
Bank of Toronto, Feversham.
